Indictment filed July 15, 1890.

Indicted for burglary in the third degree.

New York, August 7, 1890.

A P P E A R A N C E S:

For the People,

Assistant District-Attorney A. D. Parker;

For the Defendant,

Messrs. Friend & House.

A D A M P . C U N N I N G H A M , a witness for the Peo-
ple, sworn, testified:

I live at No. 110 East 85th. street in this
city. I am employed with the firm of George W. Leach,
dealers in hats at 585 Broadway. On the 5th. of July I
was in the same employ in the capacity of a clerk. The
ground floor of 585 Broadway is occupied by a bead house.
On the floor above Leach's premises is the firm of Calmus
& Myers. I closed the premises of George W. Leach at a
quarter past eleven on the 5th. of July. I locked all

0666

2

the doors with padlocks. There is a transom over the main entrance to Leach's premises. That transom is three feet long by two feet high and opens on hinges at the side. To the best of my knowledge when I last saw that transom on the 5th. of July it was closed. I didn't return to that store again until Monday morning. When I returned on Monday I was informed about what happened and I looked at the transom and I saw marks upon the wood just where it closed. A dent had been made in the wood.

CROSS-EXAMINATION:

I closed the transom on Saturday at a quarter past eleven. I didn't touch the transom on that day, nor did I pay any particular attention to it.

RAY PAUCKNER, a witness for the People, sworn, testified:

I live at No. 88 East Broadway. I am employed by the firm of Calmus & Myers, No. 585 Broadway in this city. They are manufacturers of neck-wear. At noon-time the employees usually go upstairs to eat their lunch-- On the 5th. of July I was sitting upstairs having my lunch. I went to the rear room and was standing taking a drink of water when I saw a couple of men on the wall of the building in the rear of those premises making faces. I went down and I told one of the firm what I had

seen. A few moments afterwards as I was coming down the stairs I saw this defendant. This was at about one o'clock. I saw him come up the stairs, stretch his neck around and look in the premises on the third floor. This is the floor occupied by George W. Leach in whose employ the last witness is. When I saw him act in this manner, I called the shipping clerk and when I called the clerk the defendant Lennon ran downstairs again. A number of men came out with sticks, and the defendant was afterwards arrested. I didn't hear any conversation that took place between the defendant and those who caught him.

CROSS-EXAMINATION:

Q When you looked out of the window, you saw how many men on the wall ?

A There was two or three.

Q Did you see this man having his head out of the closet?

A Yes, sir.

Q Did you see him in the closet or did you hear what was said when he was in the closet ?

A I ran downstairs and I saw the man sticking his head out.

A You can't tell who that person was ?

A I knew he had a mustache, but I couldn't tell exactly.

Q You simply saw the head stick out through the door-way?

A Yes, sir.

0668

H O W A R D S P E L L M A N, a witness for the People,
sworn, testified:

I live in Brooklyn and do business at No. 361 Broadway in this city. I am the manager of the business of that firm. They are dealers in hats. I have never had any dealings with the firm of George W. Leach at No. 585 Broadway. I have never seen the defendant before. On the morning of the 5th. of July he was in the employ of the firm with which I am connected.

J O H N J. C U N N I N G H A M, a witness for the People, sworn, testified:

I live at No. 123 Worth Street, in this city. I am employed by John H. Spellman at No. 109 and 111 Park Row. He is a dealer in hats. I do not know the defendant. On the 5th. of July he was in the employ of John H. Spellman. On that day I did not send the defendant, nor was he sent by anyone connected with our house, No. 585 Broadway, on any message whatever.

C O R N E L I U S C. C O U L T E R, a witness for the People, sworn, testified:

I live in Jersey City Heights. I am employed by Calmus & Myers, No. 585 Broadway. The firm of George W. Leach & Company occupy the floor below us. Miss

0669

5

Pauckner is in the employ of our firm. On the 5th. of July at about half past twelve I saw Miss Pauckner and had some talk with her. At the same time I saw two men behind a wall with their heads above it. It was a wall three stories high belonging to a building adjoining the rear part of the premises occupied by us. I am certain that I saw two of those men. It is my judgment that the defendant was one of those men. I do not know how long they stayed on that wall. A short time afterwards I heard somebody calling and I took my club and went downstairs with the rest of the men to look for the man. I saw the transom over Leach's door open. As a usual thing it is closed. As I come out every night it is my habit to look and see if all the doors are closed. When I saw it last it was closed, and when I came down with my club in my hand I spied the transom open. I saw this defendant stick his head out of a closet which was towards the rear end of the hall on that floor. I shouted out for a pistol but nobody had one. I asked him what he wanted there and he told me he came to see Leach about some hats. He said he came to see about a case of bleached hats. I asked him where he came from and he said he was from Spellman's. I said to him he would have to give a better account of himself than that, and I held him there until the policeman came and arrested him.

CROSS EXAMINATION:

I was examined in the Police Court. I could not tell whether I was sworn in that court or not.

Q Do you mean to say you make it your business to see whether that transom over Leach's door is closed at night?

A If it was my duty on any night to lock up the building, I would look through every part of it to see if it was all closed up.

Q Did you lock up on the 3d. of July?

A No, sir; I did not.

Q Did you look at the transom on that night?

A I saw it closed on Thursday night.

Q In the Police Court you didn't testify that the defendant said anything about coming from Spellman, or that he was employed by Spellman?

A You didn't give me a chance in the Police Court. You shut me up.

Q Did you say anything in the Police Court about asking this man what he was doing there, and that he said that he came from Spellman's?

A I wouldn't say that I did. Some keys were found in the closet after the defendant came out of there.

SAMUEL JACOBS, a witness for the People, sworn, testified:

I live at 156 East 94th. Street and am employed of

0671

7

Calmus & Myers. On the 5th. of July I was out to dinner between twelve and one, and when I returned I saw a crowd of men having hold of a man in the hallway. I ran off for a policeman. When the officer arrived I saw several keys taken out of the closet from which the defendant came.

J E R O M E L. R E N N E R, a witness for the People, sworn, testified:

I am an officer of police attached to the office of the Superintendent at 300 Mulberry Street. On the afternoon of the 5th. of July I was summoned to No. 585 Broadway. When I arrived at the premises I searched the defendant and could not find anything on him. I brought him downstairs and Officer Cottrell told me to go back and search the closet. I did so and I found the keys, which I produced, laying upon the floor of the closet. These articles have been in my custody ever since.

CROSS EXAMINATION:

I noticed the entrance to Leach's place. It looked as though somebody was trying to effect an entrance through that transom.

J O H N C O T T R E L L, a witness for the People, sworn, testified:

I am a Detective Sergeant to the Central Office. On the 5th. of July I went to Leach's place. I asked Officer Renner if he had found anything, and he said no. I told him he had better go upstairs again and look around the closet and when he returned again he showed me some keys. I examined the transom over the door-way of Leach's place and I saw what appeared to me to be marks as though some instrument had been used to force open the transom.

CROSS-EXAMINATION:

I found a jimmy in the closet afterwards and I took it to Police Headquarters. I could not tell exactly what the color of the paint was on that door.

W I L L I A M O ' B R I E N, a witness for the People, sworn testified:

I am a keeper in the Jefferson Market Prison: I saw the defendant upon the 6th. day of July. I recollect him being confined in that prison under lock and key. I found a key in his possession which was made in imitation of the key to his cell.
