OF THE CITY AND COUNTY OF NEW YORK.

THE PEOPLE OF THE STATE OF NEW YORK

Henry E. Eyster

The Grand Jury of the City and County of New York, by this indictment, accuse Henry E. Eyster of the CRIME OF Perjury. committed as follows:

On the Thirteenth day of March in the year of our Lord one thousand eight hundred and eighty-four, at the City and County of New York, one Elizabeth Wood in due form of law presented her petition to the Surrogate's Court of the County of New York, before the Honorable Daniel G. Rollins, Surrogate of the said County of New York, that a decree of the said Surrogate's Court of the County of New York, issue, appointing her the said Elizabeth Wood, administratrix of the goods, chattels and credits of Mary A. Judd, then lately before deceased, and that letters of administration upon the said goods, chattels and credits be granted to her the said Elizabeth

And thereupon proceedings were had in the said Surrogate's Court, before the said the Honorable Daniel G. Rollins, Surrogate of the County of New York as aforesaid, in due form of law, upon the said petition and application, and thereafter, and while the said proceedings upon the said petition and application were yet pending in the said Surrogate's Court, it was required by the said Surrogate's Court and made necessary that the said Elizabeth Wood should enter into a recognizance and obligation with sufficient sureties, in the sum of Thirteen thousand Dollars, to the People of the State of New York conditional upon the faithful execution by the said Elizabeth Wood of the trust reposed in her as administrix of the goods, chattels and credits aforesaid, and upon her observing all lawful decrees and orders of the said Surrogate's Court of the County of New York, touching the administration of the estate

committed to her.

And thereupon, to wit: on the fifteenth day of April, in the year of our Lord one thousand eight hundred and eighty four, the said Henry E. Eyster, late of the First Ward of the City of New York, in the County of New York aforesaid, in his own proper person, came and appeared before one Frank Waters Esquire, then and there being a Notary Public in and for the City and County of New York, and then and there, to wit: at the Ward, City and County aforesaid, offered himself as a surety for the said Elizabeth Wood upon the recognizance and obligation aforesaid; he, the said Frank Waters Esquire Notary Public as aforesaid, then and there having full and competent power and authority to take affidavits of justification

of recognizance, and to administer oaths to sureties making such affidavits: And the said Henry E. Carter, esq and before the said Frank Waters Esquire, Notary Public as aforesaid, was then and there duly sworn and did make and subscribe an affidavit in writing then and there containing sundry allegations and statements of and concerning his sufficiency as a surety upon the recognizance and obligation aforesaid, and did then and there take his corporal oath, touching and concerning the matters contained in his said affidavit in writing: he the said Frank Waters, Notary Public as aforesaid, then and there having full and competent power and authority to administer the said oath to the said Henry E. knowing the true circumstances
and property of him the said
Henry E. Eyster, did then and
there, upon his oath aforesaid,
in and by his said affidavit
in writing, touching and con-
cerning the matters contained
therein, feloniously, wilfully,
knowingly and corruptly,
falsely swear, depose and say,
amongst other things, in sub-

stance and to the effect following, that is to say:

That he the said Henry E. Cortelyou then resided at number two hundred and eighteen East Seventy third Street, in the City of New York: that he was then a free holder, and that he then owned property consisting of two lots of land situated on the north side of Ninetieth Street, one hundred and twenty five feet east of Madison Avenue, and that the same were then of the value of not less than Twenty two thousand Dollars, and were then subject to no incumbrance whatsoever: and that there were then no unsatisfied judgments against him; and that he was then under no recognizance, nor was he then upon any bond, undertaking or written obligation whatever: And that he was then worth

in good property not less than Thirteen thousand Dollars, over and above all debts, liabilities and lawful claims against him, and all liens, incumbrances and lawful claims upon his property

Whereas in truth and in fact he the said Henry E. Eckels did not then reside at number two hundred and eighteen East Seventy third Street in the City Greenwich:

And whereas in truth and in fact he the said Henry E. Eckels was not then a free holder, and did not then own property consisting of two lots of land situated on the north side of Ninetieth Street, one hundred and twenty five feet east of Madison Avenue ——— ———————————, which were then of the value of not less than Twenty two thousand dollars, and which were then

subject ~~subject~~ to no incumbrance whatsoever:

And whereas in truth and in fact there were then unsatisfied judgments against him the said Henry E. Corbett.

And whereas in truth and in fact he the said Henry E. Corbett was then under recognizances, to the Grand Jury aforesaid unknown, and was then upon divers bonds, undertakings and written obligations.

And whereas in truth and in fact he the said Henry E. Corbett, was not then worth in good property not less than Thirteen thousand dollars over and above all debts, liabilities and lawful claims against him, and all incumbrances and lawful claims upon his property.

And whereas in truth he, the said Henry E. Corbett then and there well knew all the matters aforesaid by him sworn to, hoped

all respects true and these words false and untrue.

And so the said Grand Jury aforesaid do say: That the said Henry E. Cotter, on the day and in the year aforesaid, at the Ward, City and County aforesaid, by his own act and consent, and of his own most wicked and corrupt mind, in manner and form aforesaid, then and there feloniously, wilfully, knowingly and corruptly and falsely, did commit wilful and corrupt perjury: to the great displeasure of Almighty God, to the evil example of all others in like cases offending: against the form of the Statute in such case made and provided, and against the peace of the People of the State of New York, and their dignity.

The People
vs.
Henry Gotleb

Court of General Sessions, Part I.
Before Judge Cowing.
Friday, October 17, 1884.

Indtictment for perjury.

James H. Tobin sworn. I am a clerk in the office of the Surrogate of the City and County of New York. This paper, is a petition for the granting of letters of administration on the estate of Mary A. Judd and Elizabeth Wood applies for the letters; it was filed in the Surrogate's Court on the 30th of March, 1884. This paper shown me is also from the files of the Surrogate's Office and is a bond in the penal sum of $13000 that Elizabeth Wood will faithfully and honestly discharge the duties of administratrix on the estate of Mary A. Judd. That was the bond required in this case as in ordinary cases, the bond is dated the 15th of April, 1884 and was giben by Mrs. Wood. The marks in the upper end corner of the bond are Mr Leary's, the chief clerk in the Surrogate's office, that the bond has been approved by him; the justification of assurities is taken before the bond is approved. That paper was marked Exhitit B. Cross Examined. I identify these papers as being records of the Court, I brought them from the files of the Surrogate's Office.

John M. Tierney sworn. I am in the law office of Erastus New, a lawyer in the city in the Morse Building, I was in that office in April last, I know Gotleb, I knew him after the 15th of April and examined him upon an undertaking in the case of Whalen ~~and~~ separate Tunison in the Supreme Court, Kings County on an appeal to the General Term, it was the ordinary undertaking of a stay of proceddings on an appeal from a jrdgment, it was served on me on the

12th of April and the examination of Gotleb was had on the 28th of April. I afterwards examined the surities on their justification, on our notice of the non-acceptance of the undertaking in the ordinary way, I examined the defendant as one of those surities whose names were attached as surities to that undertaking; he signed the justification and made oath to it, I did not see the original undertaking in that case. I however, if I may volunteer it, as usual in cases of that kind, presented to him the copy which you hold in your hand and ask him if he signed the original undertaking of which that is a copy, he answered, he did. It was marked peoples Exhibit C.

Cross Examined. Was this undertaking to which you have directed your testimony, accepted? It was. What was the nature of the litigation in which this was accepted? The action was this, a number of years ago - it was simply this, in short it was an action on a creditor's bill to have premises in the City of Brooklyn sold for the satisfaction of a judgment which Whalen had obtained against Tunison, some years ago, an equity suit at Special Term. I examined the defendant after the 15th of April last, I have not that examination; it was sent over to be filed in the Kings County Clerk's office, I subsequently found it was so filed and the bond approved on that examination. I believe that bond to be in existence and on file. In which the defendant made statements as to his pecuniary condition, what he was worth and so on? Yes sir. Was he sworn to this examination? Yes sir.

Frank Waters sworn. I have got my commisssion with me. Look at the paper I now hand you marked, Peoples Exh ibit B, in this case and state if that is your signature on the affidavit of Henry Gotleb? Yes sir, that is my signature. Did you take that offidavit? I did. Did this defendant, Gotleb, sign that paper? Yes sir, he did. That is his signature attached to the oath? Yes sir. Did you administer the oath to him at the time? I did sir, at the time. On the I5th of April, I884? I don't know anything about the time? At the time he made the affidavit you administered the oath to him? I did. You are a Notary Public of the City and County of New York? Yes sir. You administered the oath to him in ths city? In this city in the Surrogate's office at the time, I don't know whether it was that time, but I know I did administer the oath to him in the Surrogate office, the time I did not take any particular notice of. When you say you do not remember now the distinct date, except by the paper? No, except by the paper. But from the apoearance of the paper you have no question that you administered the oath on the I5th of April I884? No, I have no doubt. Did you ever insert a date in a justification or in an oath that you had taken when it was not the date when the oath was taken? No sir. Is this your commission? That is my commission. Did he swear that the contents of that affidavit were true? Yes sir, he did. I asked him if he read it, he said yes: I asked him if he would swear to the contents of the justification, he said yes; he signed his name and I took his affidavit. This paper that you say is your commission is a certificate of the County Clerk that you were appointed? Yes sir. Did you qualify after you received your commission

before the County Clerk as Notary Public of this County?
Yes sir. Cross Examined. I am a lawyer and my office is 9 Chamber Street, this city. I never occupied any position in the office of the Surrogate of this County, I have been in the Surrogate Office hundreds of,times, I can not remember the date, but I think it was on or about the I5th of April this year that I was in the office of the Clerk of the Surrogate. The oath upon the paper Exhibit B was a ministered by ~~h~~a me to the defendant in the Clerks office of the Surrogate of this County. Do you remember who were present at that time? The attorney for these peopel that were seeking assurity on the bond and Gotleb and myself; there was no clerk of the Surrogate present to my knowledge; there are parties in the office of the Clerk of the Surrogate qualified to act as Notary Publics. At whose request did you go there? I happened to be present and knew Gotleb, I heard the examination, and the Attorney I was acquainted with, that was looking for a surety; he asked me to take his acknowlegdment for the purpose of saving time so that he could get another surety on the bond. I was there loo king after my own business and happened to know Gotleb and I took the acknowledgment that way. Before you saw these parties there, Mr Botleb or the Attorneyseeking the sureites, you had no intimation that morning that your service would be required as a Notary, ~~s~~i that correct? I did not know, not in his matter. Then it was accidental your seeing these people there, you did not go there by request that morning? No, I want to think a moment. I think I was brought there by the Attorney to identify this man and that was all that was necessary, I knew the prisoner. I forget the Attorney's ~~a~~na~~m~~me. How did

he come to go to you? Well, we were going along the corridor, he says, you know this man Gotleb, come in and identify him. I did so. Had you previously ever had any conversation with this lawyer about Gotleb? No sir How was it that he came to know that you were acquainted with Gotleb? I do not know. This was the corridor of the County Court House. He came there up to you and entered into a general conversation? I simply asked him in the usual way, where are you going, and he returned answer, I am going to the Surrogate's Court and I am trying to get a bond. He asked me, do you know him? I says, who is he. He turned around and said Gotleb. I says I know the man. He said will you come in for the purpose of identifying him? I went in and identified him before the Clerk. Before this he had not the slightest knowledge gleamed from you that you had any acquaintance with this man? No, not at all. The examination that you have reference to, is this, is it not, wherein he describes himself as being the owner of two lots of land situated on the north side of 90th Street, I25feet east of Madison Avenue? Yes sir, that is the examination. I asked him if he read it and he said yes, I asked him this in the Surrogate's Office. Were you present when this bond was drawn? I was present when the examination took place, he was examined by one of the Clerks in the Surrogate Office, I don't know whether the clerk was a Notary Public or not, I don't know thename of the clerk, it was the clerk who occupies a desk right along side the door of the Probate's Office, ehmwrote the examnation down and then I administered the oath to the defendant, he having first signed it, I think I filled in the figures I5 and the word April, they are in my hand-

writing. Why did not the Surrogate's Clerk whose duty it was and who in discharging that duty filled up all the rest of this paper, write in this date here and the justification? The idea was this, the bond clerk did not care about taking the acknowledgment of one surety, he wanted both sureties, so as he would take them and the idea of taking Mr Gotleb's acknowledgment was to save time, the lawyer said it would save time and give him an opportunity t get another bondsman. Was not this paper signed by you in your office? No sir. Do you know a man by the nam eof Burke. I think that is the name, I know him by his name, Burke. By Mr Adams. Was not the reason why the Clerks in the Surrogate Court do not always take justifications of sureties, that they have to describe that they know the person, now, Mou did know Mr Gotleb? I did know him . And therefore, you took the justification? Yes. Mr Adams. I now offer in evidence he commission from the Governor of the State of New York, of Frank Waters as Notary Public of the City and County of New york, dated IOth of March, I884, for the term of two years ending March 30, I886. Your qualifiacation did you say you made as Notary Public, was on the date of you certificate that you received from the County Clerk which you have already testified to and which is in evidence? Yes sir. And that certificate is dated, 24th of March, I884? Yes sir.

Charles A. Adams sworn. I am a Notary Public of the City and County of New York and your present appointment was from March I883? My appointment was prior to that, that is the second app intment. The appointement I am act - ing under now is from the 2nd of April, I883, it is dated March, but I qualified on the 2nd of April I883, before the

County Clerk of this County. In the month of April 1883, were you empl oyed in the Surrogate Office in this county? Yes sir. In what capacity? Guardian clerk. Will you look which I now hand you marked, guardian's bonds, No.106 and at page 4 and state what that paper is? That is the guardianship bond after the application was made to appoint Thomas Barrett guardian to an infant by the name of James B. Cunningham who was a minor over founteen years of age, selecting Mr Barrett as guardian. I will explain in connection with that Mr Barrett was the husband of the minor's sister, this James B. Cunningham. Do you know this defendant Gotleb? Yes sir, I know h m from this transaction. He presented himself as one of the sureties on this bond and justified on the 19th day of May 1883, that his name was Henry G. Gotleb and that he lived at 1264 Third Ave., in this city. He also swore that he owned real estate in the township of Jamacia, Queens County, Long Island, in the village of Clarksville, Long Island, consisting of fifteen lots unimproved, each 25 by 100 feet, located on Greenwood Avenue and that the same was of the value of not less than four thousand dollars with no encumbrance what soever. He also swore in the justification that he was on no other bond undertaking, or written obligation whatsoever excepting upon an appeal bond for five hundred dollars, and that he was worth in good property not less than twenty-eight hundred dollars. That bond was executed at what date? On the 19th of May, 1883. Before whom did he acknowledge that bond? Before me. As Notary Public? Yes sir. This defendant is the person? Yes sir. Did you swear him? Before swearing him I read h im the justification. You may state the form of oath? Then I required

him to hold up his right hand, I asked him to swear; that is the usual oath: You solemnly swear the affidavit subscribed by you is true, so help you God. Did he so swear? Yes sir. Cross Examined. I am not now in the Surrogate's Office; my connection with that office ceasd on the I8th of March of this year. Are you prepared to say that the guardian has not discharged his trust and is relieved of his responsibility? I am not. And for ought you know to the contrary he has been releived from his responsibility? I don't know whether he has or not.

The Case for the Defense.

Henry E. Gotleb sworn. I was arrested on the I4th day of July. I held a position in th army, I commanded the colors of the 40th regiment as Captain, I was in the service of the United States in 6I, 62 and part of 63 in Virginia, during the progress of the late rebellion. I was in engagements at Williamsburg, West Point, Fair Oaks and Malburn Hill, I left that regiment in the latter part of I862 and then I got an orderfrom President Lincoln and the Secretary of War endorsed by the Governor of the State of New York to organize a regiment to take to the war, I recruited eight hundred men andbecame Colonel of the regiment, it went to service and it was consolidated with another regiment and I was thrown out of the Colonelcy, I was honorably discharged from the service. You remember a bond you went on for a Mr Barrett in the Surrogate's office of thes County about the time therein stated I883? Yes sir. At whose instance did you so become surety on that undertaking, you became surety on that undertaking? I did. And did you represent yourself as therein stated as the owner of certain property? In Clarksville, Long Island. Were you at that time such owner? Yes sir.

With what information were you supplied by anybody between April I883 and the twelvth day of April I884 respecting that instrument, with what information have you been supplied respecting that Barrett bond at any time between the month of April I883 and the I2th day of April I884, when, where and by whom? Shortly after that bond was given ~~by~~ Mr Barrett came to me and told me that it had been refused by the Surrogate in consequence of my property being out of the City of New York and he said furthermore that the bond was cancelled that he had to furnish a new bondsman. Under what property did you qualify with reference to this Barrett matter? My property in Queens County. Where was this information given to you by Mr Barrett? I met him in the street two or three times. Was it on the first occasion of meeting him or the second, or the third, I want to know when? It was on the three occasionsthat I met him. And shortly after the execution of this Barrett paper? A few days after. Then Mr Gotleb, you executed this undertaking on appeal for $269 in the matter of Whalen against Tunison, in the New York Supreme Court, Kings County? I did sir on the I2th of Spril, I884. We will go to the other matter and that is the bond in the Elizabeth Wood matter also belonging to the Surrogates Count of this County and to which your name is signed, I5th day of April of this year I884, ~~and to which your name~~. Were you sworn to that paper? I was not, sir. Do you know Mr Waters who was examined on the stan d this morning, the Notary Public? I do. Do you remember of his connection with this particular paper in the Wood matter? That paper after it was signed by me was taken by Mr Burke together with the lawyer who had the case in hand to Waters' office.

I waited at the Surrogate's office until they returned, I signed that paper, Exhibit B, which is the bond in the Wood matter in the Surrogate's office, I never saw it since the time I signed it, it was with the clerk in the Surrogate's office, when I put my signature to the paper, the lawyer, whose name I cannot think of, and the Surrogate's clerk were present, Mr Waters was not present at the time. Before that bond was signed, Mr Waters visited the Surrogate's office and identified me to one of the clerks there, I do not know who it was, I do not think he identified me to the clerk who prepared this paper, Exhibit B, I think it was to some other clerk, it was in the office near the clerks desk that he identified me. I think Mr Waters came in with a man named Burke, the lawyer had gone out and remained in the hall, he brought me there and then the clerk commenced to prepare this paper and I remained there durin ~~ghtthe~~ preparation of this paper. After the lawyer left, Mr Waters arrived in company with some other person and then Mr Waters identified me to this clerk in the Surrogate's office. The bond was filled up in the Surrogate office and the clerk remarked to the lawyer, here is your bond already filled up ready for execution, I cannot say whether the date 15 was written in the clerk's office, I think the word April was filled up in Mr Waters' office, I cannot swear to it. Mr Burke took the paper to Waters' office after the lawyer returned, Mr Waters was present before it was executed. Then after its execution the lawyer returned, did he? Yes sir, in the mean time they had taken the bond to Mr Waters' office and there it was acknowledged. After it was executed, it was taken to Mr Waters' office by the lawyer and this man Burke, Mr Waters

did not remain long in this office, he simply came in and identified me to the clerk and went away. When he came back he said it was all acknowledged and everything all right. Were you sworn to this paper before its execution or after its execution by Frank Waters, the Notary Public, examined here to-day as a witness? I w as not, sir. Did you go to his office on that or any other day for the purpose of swearing to this paper? No sir. Then Mr Waters' evidence given here this morning that he swore you to this paper, is a falsehood, is it? It is not true, sir. Are you the owner of any real estate in the City and County of New York? I am. At the time of the execution of the bond of Barrett's, Exhibit B, were you the owner of real estate in Queens County? I was.

Cross Examined. I understood you to say that you executed this Barrett bond Exhibit B, is that so? Yes sir. At that time when you executed that you were then on another bond, an appeal bond for five hundred dollars, were you not? Yes, but that case was compromised and settled, the lawyer told me. When I was arrested I lived at the New England hotel, corner of Eyard Street and Powery, for six months, I forget the name of the man who, keeps the hotel, I have acquaintances rooming there and I was induced to go there by one of my acquaintances. Before that I lived at 218 East 73rd Street, I lived there two or three months. Before I was arrested I was in the real estate business at the Exchange sales room, III Broadway, I havent had an office for the last year, I have had an office in Pine Street, I think 4I was the number, I had desk room in an office at 7I Broadway for eighteen months, I know a

great many real estate men, builders and brokers. David Coburn, the builder knows me, J. H. Westaver, a real estate broker, whose office is on Broadway near Cedar Street, I think, William T. Brown knows me, I do not know where his office is now, it used to be corner of Nassau and Liberty Streets, he has not been there for three years, I think he went to Europe or somewhere for the benefit of his health, I know Ex-Alderman Low, his place of business is 25 Park Row, he has known me two or three years, I have done business with him, I know lots of others whose names I cannot think of just at this moment, I have been in the Insurence busmmess in combination with the real estatea I did Insurance business at 46 Broadway, Williamsburg, I have not effected any insurance for the last six or eight months. I worked in the insurance and real estate business with Lafred A. Gallagher,on Fourth Street, near Broadway, Williamsburg. He done a large rental business and his patrons very often used to get him to affect insurance on their furniture and houses, it is over a year since he and I were together. This last year I have been more or less dabbling in real estate, trading, etc., I have not done much in the insurance line in the last year, I have known Frank Waters, six or eight months, I knew him a couple of months probably prior to the I5th of April, he had not taken my justification on any other bonds befo e that time or since. I think Mr Burke's name is James A., nd I think he lives in 42nd Street, on the west side, I do not know the nukmber, I have not made inquiries for the last three months where Mr Burke is, I cannot think of the lawyer's name, I never saw the lawyer until I was introduced to him by Burke on that same day, I met them in Chamber Street

near Center. I have known Burke about a year, I never have done any business with him especially, he often applied to me for loans on real estate and things of that kind, I never could do anything with him, I never went to his house Mr Burke introduced me to this lawyer and asked me if I would go on this bond as a favor to him, Burke, I refused him at first but I was over persuaded by him to go on this bond, I do not remember the names of the parties fo whom I was going surety, I executed this bond, Exhibit B. And you did signthis oath, did you, on the back, you signed that? Yes sir, that was signed before it was filled up. You signedthe oath at the bottom of this? Yes, in he Surrogate's fooice. You knew this bond was an obligation for $I3000, didn,t you? Yes sir, and I offered myself as surety on this bond. I don't know Anthony Gorman and never heard of him, I don't know a person of thr name of Elizabeth Wood and never heard of her. The lawyer and Burke went into the Surrogate's office with me, but Waters was not there at that time, I should think I was there at first about twenty minutesm probably half an hour, I was waiting for this Mr Waters to come over and identify me to the bond clerk. The clerk was sitting at a desk on the right hand side as you go in in th back room, I did not speak to him, I did not sit down, I should not know the clerk if I was to meet him now, I think Burke would know where that lawyer is, I have not made any effort to get either the lawyer or Burke here, Waters came in at Burke's request and identi-
f ed me to this clerk in the Surrogate's office, then Waters went away and after the bond was filled up and signed, it was taken by the lawyer and this Burke to Waters' office, the lawyer came back with the bond, I peesume it had Mr Wateres' signature on it, I did not see the bond

after I had signed, I did not wait there, I left the office and met the lawyer in the street, I asked him if he got through, he said yes, he thanked me very politely and that was the end of it. You were informed according to your story that they were going to take the bond to Waters' off ce and have Waters put his name on it? Yes sir, I understood they were going to Waters' office. You knew they were going to take this bond to the Notary and have the Notary put his signature on here as your oath? I did not know where they were going to take it, I did not know that Waters was a Notary Public at that time. What did you understand they were going to take it to Waters for? Because Waters identified me in the Surrogate's office, I supposed they wanted to ask him some questions or something of that kind and I left. You were not informed that they were going to take it to Waters office to have Waters' signature put on it? No, he had executed the instrument, I knew it had to have the Notary's signature to it, I do not know why the clerk did not take my acknowledgment, I was identified to the clerk as owning real estate in New York, they di not take any affidavit of Mr Waters' there.

By the Court. I understand you to concede that you executed what is called the Barrett bond? Yes sir. And you also concede that you executed the bond in the Kings County suit, a bond given on appeal, those two bonds? Yes sir, both of those bonds; the Barrett bond was cancelled, so Mr Barrett told me, he gave me to understand that. You were told it was cancelled? Yessir, and the other small bond, I was told it was compromised and the case settled. You swear in this bond which is the subject matter of this indictment that you were on no other bond? Yes sir.

By

By Mr Adams. Don't youmremember on your direct edamination yousaid when you were there the bond was brought back with Waters' signature attached to it? No sir, I did not say that. Redirect Examination. I was four years with one house in Williamsburg, the old gentleman died, his name was Elliot and his business was real estate; he was a large real estate owner himself, and he done a large business for others, collecting rents etc., I had so much a week and a certain percentage on various sales and trades . When you were identified to the clerk in the Surrogate's office by Mr Waters, was the purpose of your being so identified mentioned? No. Was th clerk called upon to administer to you an oath? No sir. Did the clerk give any reason why he did not fill up that paper? He did not. Was anything said in the office at that time, concerning the paper not being completed? No sir. What were you about to state at the time I asked you to continue your testimony and the District Attorney objected? I was going to state about this little appeal bond of two hundred and eighty dollars, that I understood it was compromised and settled. By the Court. Compromise three days after you gave it? No sir. You signed that bond on the I2th of April and the other one ton the I5th of April, was it between those two days you understood it was settled? Yes sir, the lawyer told me that, the second day after the bond wqs signed, it was not the third it was the second day. I remember the dates because my birthday fastens it on my mind which is the I2th of April; we went in and had a glass of lager beer together and the lawyer told me himself it was cancelled, that the matter was compromised and settled. The bond is signed on the I2th? It must

have been the same day then, it was on the 12th of April; the bond was signed in the morning and I met him about five o'clock in the afternoon. I thought that bond was dated on the 11th of April, it wa on the 12thmof April when it was compromised, I fixed that dya because I was born on that day. You have had no other information since that time? No sir. You were examined on the justification on this bond in the latter part of April weren,t you? Yes sir. What do you mean by having no other information on this appeal!bond. It was testified by this gentleman who appeared on the stand fr m Mr Newe's office that you were objected to as a surety, you were examined as a surety in April some time after the 12th of April, what do you say to that now? The date of the bond is the day I was examined. He said it was not, it was later in Ap ril you were excepted to? That canno. be. B. the Court. You could not have been examined until the supposed bond was given as to you sufficiency? No sir, I suppose the name, residence and occupation was submitted before the bond was filled up. By Mr Adams. He says you were examined later in April on an exception to you as a surety? I do not remember being examined on that bond later in April. Do you know James B. Lockwood, an Attorney? I think I do, I am not sure, I know several by that name over in Brooklyn, one is the western and one is in the eastern district. Do you know any Lockwoods in New York? I do not reme ber now. Do you remember a Lockwood at 215 Broadway, a lawyer? I never was in his office, I do not remember him, I do not know him. On this bond, Exhibit B, this bond we have been talking about that you executed on the 15th of April, here is the name of James B. Lockwood as identifying you, he

was the man that identified you? No, Waters was the man that identified me. It appears on the bond as identifying the surety, the name of Lockwood? That must have been a mistake, Waters was the man that identified me.

Hiram Ketchum sworn. I am an Attorney and Counsel at Law and have been nearly thirty years, I have practised principally in the city of New York and I have not been engaged in the public service, I was Collector of the district of Alaska, I know the defendant Gotleb since 1861, when I met him in the war, he was then, if I recollect right captain in the Mozart regiment that was raised by Mozart Hall to go to the war, in this city, I knew him, for two or three months at the seat of war, then I went into the army of the Shenandoah and he went in a different direction, I met him after the war in Williamsburg where I then lived, he was at that time an assistant of John Elliot, who was a very large real estate owner, I knew him during all the time that he lived there, nearly, I knew him subsequently, to my living in Brooklyn when he was in Albert Gallagher's. His reputation has always been good for truth and voracity as far as I have heard, I haveknown hss acquaintances, I have never heard of his being guilty of falsehoods.

Cross Examined. For the last year I have only known him by his calling in to see me at my office and met him sometimes slcially outside, I saw a good deal of him last summer, he was with me at my sister's house for some time he has come to my office very frequently. In the army we very frequently conversed about each others character but of late I have not heard anybody speak of his character.

Monday, October 20, I884.

Henry Gotleb recalled. You remember that you wer asked on Friday concernng the undertaking on an appeal that you had given in a case in Mr Newe's off ce about the I2th of April? Yes sir. Were you examined as a surety on that bond and justified? That bond for $286, I think I was. Did you state upon that justification that you were upon no other bond or undertaking? I do not remember whether I did or not. Did you not state on that justification as follows: "Am not on any other bond or undertaking either as principal or surety." Did you or did you not? I do not remember whether I did or not. You might have said that? I might have said it, yes. Do you remember when tha was you justified, what month it was? I do not, it was a small matter and it escaped my memory. it was subsequent to the time that you executed the bond on the I2th of April was it, because you executed the bond on the I2th? I cannot say positively. That is to say, you executed a bond on the I2th of April and was examined as a surety upon that bond but you cannot say you were examined subsequent to the execution of the bond, is that so? It must have been subsequent, I presume it was. Was it a week or two or three weeks after that time? The matter was a small matter and it has escaped my memory. Was it the month of April you did that? I think it was. Do you now remember whether it was within a week after you executed the bond that you justified? No sir, I do not remember. Did you not on the 6th of May, I884, justify as a surety upon a bond in the Surrogate's Court in this county, in the matter of the estate of Sarah Boston, deceased, and in that justification did you not state that that is the only bond I have signed except the two undertakings on the appeal in

this matter. I am not the maker or signer of any bond or bon s given on real estate or otherwise, I have assigned a preferred bond for five thousand dollars for Samuel A. Lore, to satisfy a sale in the foreclosure action. That is the only bond I have signed except the two undertakings on the appeal in this matter, I am not the maker or signer of amy bond or bonds given on any real estate otherwise. Objected to. Objectionsustained.

Frank Waters, recalled. Mr Waters, the defendant stated on the stand that while he was in the S rogate's office on this I5th day of April last, this bond Exhibit B, was taken away and that when it was brought back it bore your signature to the affidavit which you have already testified to made by the defendant, is that true? No sir. He states that he did not appear before you personally and make the oath that appears on this paper, Exhibit B is that true? He came before me and I took his acknowledgment, I remember that distinctly, he took the oath, I asked him if he understood wh t the examination was and he replied, yes, and I asked him to sign his name to t e acknowledgment and I took it there in the Surrogate's office in his presence. He says that you were there on one occasion that day for the purpose of identifying him to the cler k in the Surrogate's office and that only, is that true? I was there for the purpose of identifying him and remain - ed there during his examination on the bond and then I took his acknowledgment there and then at the suggestion of Mr Lockwood who was the Attorney for thes people, so as to save time and when the other surety would put in an appearance then there would be a different acknowledgment for them.

Mr Lockwood was the lawyer I met in the hallway, I have known him by sight one or two years, I spoke to him on several occasions but never knew his name until I was introduced to him in the corridor that day, I do not know the gentleman who examined the defendant, I know it was one of the clerks there. Was he examined before the paper was written upon at all on this bond or after the clek had got through writing it? The examinationwas taken and put on the bond. At the time of the examination of Gotleb by this clerk , did the clerk know that the second or third surety would not be produced? He knew that the other s urety wanted to withdraw from the bond. There was no other surety upon the bond at that time, was there? No sir. This was a fresh bond which had been filled in by this Surrogate's clerk? Yes sir. And what did the clerk then know about the withdrawal of the surety who had not appeared on the bond? I believe the clerk notified him, he made the remark that the other surety wished to withdraw. Was this after he had finished this paper or before he had finished it, this bond that you speak of? I believeit was before. After the clerk stated that this other surety proposed to withdraw he still went on filling up this bond, didn't he? He went on taking the examination. And it was as I think you stated on Friday after that that he refused to complete the bond for the reason of the absence of the surety, is not that so? Yes sir. Where did you fill in the day and the month? In the Surrogate's office. When didyou swear Gotleb? At the time we filled in the date and he signed the paper, I took his acknowledgment then and there. Did not you swear on your examination on Friday that after

identifying Gotleb you went away and returned ? I do not think I did. I did not take the acknowledgmetn of the other surety on this bond, I have not seen that bond since its completion. You do not know that Lockwood's name appears on that bond, do you? No sir.

James H. Tobin recalled by Mr Adams. I have been in the Surrogate's office for over two years, I am entirely familiar with the practice of giving bonds; the clerk generally examines the surety before he fills out the bond so as to find out if the amount of property cover the bond, the character of the property and where it is situated. That would be a true bond Exhibit D, the Barrett bond, for guardianship in which the defendant is shown to have justified on property on Queens County. Did you ever know of a case in the Surrogate's office where a surety was rejected because the real property he justified on was not in the city and county of New York? Not in any case I know of; the practice over there is to accept free holders all over the state of New York and house holders in the County. There are some cases in which they take house holders who may reside in Brooklyn but I do not know any case wherea party applying to go on a bond was refused because the property was outside the county of New York, provided it is in the State of NewYork. Are you prepared to swear that where the security given on a bond was in the shape of real estate and was located in a county other than New York, that they have been invariably accepted? I know of no case where they have been refused.

The jury rendered a verdict of guilty with a recommendation to mercy.

Statement of
Carlisle Norwood, Jr.

811

The People :
- vs.- :
Gotlieb. :
----------x

New-York, October 16', 1884.

Carlisle Norwood, Jr., of the firm of Norwood & Cobbeshall, makes the following statement:

I came over here in consequence of having been served, about fifteen minutes ago, by a man who told me he was Hiram Ketcham, of the law firm of Cowan & Ketcham, with a subpoena to appear to-morrow in the Gotlieb case. He said that he simply wanted me to come here and state to the Court that there was a controversy pending in the Supreme Court (in which he was mistaken, for the controversy is in the Superior Court) with reference to certain real estate, in which suit Gouverneur M. Smith and others are plaintiffs and John Flanagan and others are defendants, and among them is Abraham A. Whitney. Ketcham stated that the prisoner had a full covenant and warranty deed from Whitney, and he expected to show from the pleadings, which he wanted me to produce, that Whitney fairly thought he owned the real estate which he conveyed to Gotlieb and upon which Gotlieb justified on a bond in the Surrogate's Court. In the suit which I refer to Whitney put in a sworn answer, dated the 12' of June, 1884, the original of which is on file and was filed just about the 1st. of this month in the New-York Superior Court Clerk's office. Whitney, I understand, is going to be a witness for Gotlieb. The prisoner's counsel are going to have the complaint here. Whitney's answer will assist the District Attorney in that it shows on the face of it that Whitney failed to disclose that he had conveyed the property to Gotlieb or to anybody else. I understand from Mr. Ketcham that the officer who arrested Got-

lieb took from his person the original deed from Whitney to Gotlieb. The deed to Whitney is of record and dated the 2nd. of October, 1880, and is recorded in the Register's office in this City, in Liber 1573, page 86, of conveyances, November 6', 1880. Whitney's answer, through what is evidently a mistake, was entitled in the Supreme Court instead of the Superior Court. It was filed in the Superior Court under an order of that Court. The man who served Whitney with the papers in this suit is F. C. Ely, who is in the office of Robinson, Harmon & Cuppia, 32 Park Place.

SOLOMON STILL IN JAIL.

Judge Lawrence Speaks His Mind About the Straw-Bail Business.

Lena Friedenberg, a Jewess, about 21 years of age, was married in 1876 to Morris Solomon. After they had lived together about six months Mr. Solomon deserted his young wife, and went to the diamond fields of Africa to seek his fortune. Mrs. Solomon brought an action against her husband in the Supreme Court for a limited divorce, upon the ground of desertion and cruel treatment.

After an absence of about seven years, Mr. Solomon returned to this country, and in January last he was arrested upon an order which had been granted by Judge Donohue. He could not furnish bail in $3,000, and was lodged in jail. In March last the suit for separation was tried before Judge Van Brunt, who granted the wife a separation and $5 a week alimony, and a counsel fee of $100.

Applications to discharge Solomon from jail were made in vain, and finally Judge Van Brunt reduced the bail to $2,000, upon condition that Solomon would furnish an undertaking, with two sufficient sureties, for the prompt payment of the alimony which had been awarded to his wife. On the 13th inst. Solomon offered as sureties Henry E. Gotleib of 30 Bowery and Charles H. Bosshard.

Judge Steckler, Mrs. Solomon's counsel, examined these sureties. Gotleib testified that he was the owner of two lots on the [illegible] side of 90th st., one hundred and twenty-five feet east of Madison ave., valued at $22,000, and slightly encumbered. He said that he was not a surety upon any other undertaking, except upon an admiralty bond in the United States Court for $500, and an undertaking on appeal for $2,000. Before Judge Lawrence to-day, in Supreme Court, Chambers, the undertaking was offered for approval by the counsel for Mrs. Solomon.

Judge Steckler in opposing the motion produced an affidavit of John M. Conway, a dry-goods merchant, who declared that he was the real owner of the property in 90th st. individually and as executor of the estate of Elizabeth Meehan, and that Gotleib was not the owner of the property. It was also shown that Gotleib was surety on two other undertakings respectively for $13,000 and $5,000, wherein he had offered the same property mentioned.

Judge Lawrence in severe language condemned the loose manner in which sureties are offered to the court, and asserted that he would use his judicial powers to peremptorily stop the practice of offering fictitious bail, which had been carried on to such an extent that it was time it should be stopped.

An order was entered declaring Gotleib to be a fictitious surety, and discharging the undertaking which had been offered as fraudulent.

The Summer Corps of Physicians Appointed by the Board of Health.

The Board of Health yesterday appointed forty-five of the fifty physicians who are to compose the summer corps of physicians to visit the tenements, and give free aid and advice to the sick during July and August. They will carry, as in past years, medicines for emergencies such as they are liable to meet with; prescription blanks that will be filled at the drug store at Sanitary Headquarters or by any private charitable druggist, and free excursion tickets for sea-side trips for sick babies and overworked mothers.

The work of the doctors begins on July 1, and will be directed by Dr. James B. Taylor, the chief of the Fourth Sanitary Division. They are strictly charged with abstaining from interference with private physicians' practice. It is expected that they will be able to go over their districts at least twice during the eight weeks, for which they receive pay at the rate of $100 a month. During the week Dr. Taylor will assign them to districts.

HEADQUARTERS

MOZART ASSOCIATION,

40TH NEW YORK VOLUNTEERS.

COMRADE: NEW YORK, JUNE 2, 1884

The preparations made by the Executive Committee for the celebration of the **TWENTY-THIRD ANNIVERSARY** of the organization of the **MOZART REGIMENT,** in pursuance of the resolutions adopted at the meeting held after the successful parade on Decoration Day, are now almost completed and from the following programme it may be seen that this celebration will be one well worthy of the occasion upon which for the first time in twenty years, the entire regiment will be represented and assemble together around the festive board.

The following will be the order of the day, Wednesday, June 11th.

1st.—Assemble dressed in dark clothes, black felt hats, Grand Army shape, black and gold cord and tassel and brass bugle and number of regiment on front, diamond red patch on right side of hat and white gloves. The cords and brass ornaments will be furnished at the place of meeting to those not having them. Line will be formed at 6:30 A. M. at the Chatham Street entrance to the Brooklyn Bridge, facing City Hall Park, and from thence will march, accompanied by band, to Fall River Line Boats to receive the Massachusetts delegation.

2d.—Breakfast alltogether.

3d.—Parade through New York and Brooklyn to take cars for Brighton Beach, Coney Island.

4th.—Business meeting and election of officers for ensuing year.

5th.—Dinner at Brighton Beach Hotel, to which several distinguished guests have been invited.

6th.—Return to Brooklyn to participate in the parade of the Society of the Army of the Potomac, where a prominent position has been assigned to the Association.

As the expense of this celebration will be a considerable amount, and some of our comrades will not be able to contribute much, it is earnestly requested of those who can spare it that they send a subscription THIS WEEK to the President, Secretary or Treasurer in order that "those who are weak may have the light end of the stick," and all such contributions will be gratefully acknowledged.

But it is earnestly hoped that all of our old comrades, whether able to contribute or not, will be present with us and enjoy the re-union.
