As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. Officer Mearney has made a full apology to me and has confessed that he was in the wrong. He has been on the force eighteen years and has a very fair record. He has a wife and four children who would suffer far more than he would were he punished for this offense. In view of the above facts I ask that the complaint shall not be pressed.

I was directed as Secre-

The Committee desire through

One only remains out

Hon. Frederick Smyth  
Recorder

Dear Sir

I desire to call your attention to a particular flagrant and continual violation of the Statute against Houses of ill. fame in my neighbourhood, One Georgiana Hastings is the Keeper and alleged owner of the house 110 W. 45<sup>th</sup> Street which is notorious throughout the City and now particularly among wealthy men of immoral habits as a house of prostitution and assignation.

There can be no possible doubt that the Criminal Law of the State is constantly violated in that house. Respectable Citizens living in the neighbourhood who are men of reputation and of social and financial responsibility have made repeated complaints to the Police Captain of the Precinct alleging facts that prove the Commission of Crime. —

and filed affidavits thereto.

This Woman Hastings has been indicted by a Grand Jury of this County, and with the filing of the indictment the prosecution practically rests. There is no rest or cessation, however, of the Commission of Crime, the gilded Cage is still welcoming its generous supporters some of whom are said to stand high in the estimation, influence and pull of political organizations.

The question now arises Can Men who give money to political associations, or who draw generous salaries from the City Treasury, so affect the Criminal prosecution of this County, that honest men must then either sell their houses and depart, or abide among the disreputable inmates of a Cage. The District Attorney of this County has occasionally explained the delay of his prosecution by attending to the great number of Cases on hand the preference of jail to bail Cases, and to other matters of a still more technical nature.

The indictment is now old time worn, and perhaps the witnesses have left their former

0107

residences and the Subpoenas.  
Servers may not be able to find  
them, but however this may be,  
I think it expedient to write you this  
believing that you are fearless in the  
discharge of your official duty  
and that you are not of that class  
that have to rely on the stereotyped  
statement that Jail Cases are preferred  
on the Calendar, Jail Cases are  
always increasing and the statement  
is always applicable, but there  
must be some way according to  
law of getting a Notorious Jail  
Case on the Calendar.

May I ask you to  
examine this previous outrage  
against Respectability, and urge  
the proper officials to a sense of  
their duty, or advise me if there  
is any legal relief yet left.

Very Respectfully  
Patrick Mahon

My Dear District Attorney,

A few evenings since  
a meeting of the property owners  
and residents of West 45<sup>th</sup> St  
was held at the House of Mr.  
John J. Decker No 154.

At Governor Oliver Salmon  
presided and I was appointed  
Secretary.

Quite a large sum of money  
was subscribed (and twice as  
much more pledged if necessary)  
for the purpose of testing the question,  
as to whether the law will protect  
respectable people in their rights,  
and permit them to live quietly

in their homes in the future, as  
they have in the past, or be forced  
to relinquish them and move else-  
where, or whether we can com-  
pel the occupants of the disrepu-  
table <sup>in the neighborhood</sup> houses to move instead.

We propose to "fight it out on  
this line," and I was directed to  
ask your hearty Co-operation  
in the movement.

The sentiment of the meeting  
was adverse to applying to, or ta-  
king any action through the Police  
Courts in this matter. It was the  
unanimous opinion of those present  
that we should through your office  
present the cases to the Grand Jury,  
submit our testimony, and have  
them indicted.

Recorder Smyth has, in that  
event promised to issue warrants  
for their arrest at once.

0114

At the Meeting before mentioned, a Committee of five was appointed to take all legal remedies necessary to prosecute these cases.

You will probably remember, that you stated in one of our former interviews, that the evidence presented to you through the Detectives was sufficiently to indict and unless they moved on or before the first of last May, you promised to lay the evidence before the Grand Jury and if possible have them indicted at once.

This is the course we desire to pursue now, and we trust it will meet your approval, and that you will give us all the aid and assistance in your power, towards accomplishing the object in view.

Hoping to receive an

0115

early and favorable reply, I remain  
an adherent of the Committee,

Very Truly Yours,

Wm. D. Allen,

P.S. We desire to return our thanks for  
your efforts in securing the occupancy of No 107  
& 109 to remain, and trust that you may be  
equally as successful against #110 & #123.

On the 21, day of December 1885, at about six o'clock P.M., in company with a woman I visited the house No. I33 West 45th Street, in the city of New York. This house is occupied by a woman named Homer, as a house of assignation. I was admitted into the house by a woman who invited me into the parlor, and I paid this woman three dollars for the use of a room on the parlor floor directly back from the hall. I went to bed with the woman who accompanied me in said room, and we there remained until 7:30 P.M.
