That he is suffering from extreme delusions; that he believes himself to be the victim of a conspiracy; that he imagines he is followed by persons with knives and other deadly weapons; that he refuses to sit down in the presence of other persons, fearing they will assassinate him; and the defendants present condition indicates strongly that his mind has been thus affected for many years.

Village of Middletown ss: Selden L. Tolcott being duly sworn says:

That he is the ^{Medical} ~~Medical~~ Superintendent of the Insane Asylum at Middletown, Orange County, New York, and has charge and direction of the treatment of Insane persons confined in said Asylum.

That on February 20th, 1887 one Josiah T. Probyn, the defendant above named was, on the certificates of Insanity of Drs. Meredith, Clymer and Clement Cleveland of New York City, and the approval thereof by a Justice of the New York Supreme Court, ~~and~~ admitted to the said Asylum, and has ever since been and now is confined therein, as an Insane person.

Deponent further says, that he has made a careful personal examination of said defendant's condition, and has observed the conversation and conduct of said defendant, and that said defendant is suffering from Alcoholic Delirium and that in his opinion asylum care and treatment is necessary and proper in his case.

Deponent further says that the symptoms manifested are: An unnatural irritability and restlessness; at times dull and slow of expression; again, nervous and rapid in

speech; complains of headache and nervousness; has a
scar on top of head said to have been obtained, while
drunk, by falling against an iron post; mental faculties
are weakened and impaired by long continued excesses.
The patient is suspicious, and sometimes thinks people are
trying to injure him; don't know but he has been lately re-
vised hypnotized, and otherwise wrought upon by people he
will, not deny.

The patient is weak in body and mind, and subject to sus-
picious amounting to delusions. This patient's mental
disorder is likely to continue for some time, and at the
best recovery will probably be very slow, and in fact his
recovery is doubtful.

In the matter of the

vs.
Josiah T. Probyn.

State of New York.
County of Orange ss. Burke Halladay being duly sworn
deposes and says:

That he resides in Middletown, Orange County, New York and is a physician practising his profession in said village.

That his qualifications as a medical examiner in Lunacy have been duly attested and certified by the Honorable John G. Wilkin, County Judge of Orange County New York.

That on March 25th 1917 deponent attended at the Insane Asylum in Middletown, Orange County, New York and personally examined therein one Josiah T. Probyn, the defendant above named, to ascertain the mental condition of said defendant.

That said defendant is insane, and a victim of chronic mania, and that confinement in an Asylum is demanded by the exigency of his case as the hallucinations to which he is subject render him a person unsafe to be at large.

That such derangement of said defendant's reason is in my belief chronic, and improvement in the future is doubtful, and in case said defendant should after long treatment begin to improve, such improvement will in my estimation be very slow, and final recovery far in the future.

That said defendant imagines himself to be the vic-

that of a conspiracy to deprive him of his life and prop-
erty, and regards his fellow beings with hatred and sus-
picion, and inspired by such belief and hatred is liable
at any time to seriously injure or kill any person he may
select as the object of his ungrounded suspicions.

That in defendant's confinement a long time, last
October, probably years, before said defendant was with-
drawn to himself and others he retained free confinement
in an Asylum, and the present indications are that said
defendant will never again reach possession and control of
his reason as to render him harmless to himself and other
persons.

Dear Sir:-

In answer to your letter of the 1st inst. I have to say that the defendant upon being bailed (by me) January 15th was placed in an Asylum in this City, and on February 25th upon the certificate of two physicians, and the order of the Supreme Court, was placed in the State Asylum for the Insane at Middletown, Orange County, New York, where he now is. I hope this explanation of the facts will be satisfactory to you.

As the expense of another examination would fall upon me, the defendant having only an annuity of less than one dollar a day, and no property whatever.

Hon. Randolph B. Martine,
District Attorney.

Dear Sir :

I am instructed by the District Attorney to acknowledge the receipt of yours of 17th ult. enclosing certificate of Dr. Meredith Glynn, as to the mental condition of the defendant herein, stating that he is "at this time suffering from such physical and mental disability as to make him unfit to confer with counsel, or to stand trial."

This certificate is too general to meet the usual requirements in such a case, and will consequently, have to be supplemented by the examination and report of our own physicians which will be had at the earliest convenient date.

and has charge and direction
of the treatment of Insane persons

That on February 26, 1887, one

Dependent further says that he has made a careful general examination of said dependant's condition and has observed the conversation and conduct of said dependant and that said dependant is suffering from Alcoholic Dementia.

and that in my opinion any law case and treatment is necessary and proper in his case.

Dependent further says that the symptoms manifesting are: an unnatural irritability and reticence; at times dull & slow of expression; again, nervous and rapid in speech. Complaints of headache and nervousness. Has a scar on top of head, said to have been obtained, while drunk, by falling against an iron post. Mental faculties are weakened and impaired by long continued excesses. The patient is suspicious, and sometimes thinks people are trying to injure him. Does not know but he has been mesmerized, hypnotized, & otherwise wrought upon by people he will not name. The patient is weak in body & mind, & subject to suspicious amounting to delusions. This patient's mental disorder is likely to continue for some time, and at the best recovery will probably be very slow and in fact his recovery is doubtful.

Josiah T. Probyn-

State of New York

County of Orange SS: Burke Pillsbury being sworn
deposes and says:

That he resides in Middletown Orange County New York
and is a physician practising his profession in said
village:

That his qualifications as a Medical Examiner in
Lunacy have been duly attested and certified by the
Honorable John C. Wilkin County Judge of Orange County

That on March 9-1887 deponent attended at the Insane
Asylum in Middletown Orange County New York and person-
ally examined therein one Josiah T. Probyn the defendant
above named to ascertain the mental condition of said
defendant:

That said defendant is insane and a victim of chron-
ic mania and that confinement in an Asylum is demanded
by the exigency of his case as the hallucinations to
which he is subject render him a person unsafe to be at
large:

That such derangement of said defendant's reason is
in ~~my~~ belief chronic and improvement in the future is
doubtful and in case said defendant should after long
treatment begin to improve such improvement will in my
estimation be very slow and final recovery far in the
future.

That said defendant imagines himself to be the vic-
tim of a conspiracy to deprive him of his life and prop

-erty and regards his fellow beings with hatred and sus-
-picion and induced by such belief and hatred is liable
at any time to seriously injure or kill any person he
may select as the object of his ungrounded suspicions:

That in deponent's estimation a long time must elapse,
probably years, before said defendant can with safety to
himself and others be released from confinement in an
Asylum, and the present indications are that said defen-
dant will never regain such possession and control of
his reason as to render him~~self~~ harmless to himself and
other people:
