

T O T H E

HONORABLE G E O R G E B. M C C L E L L A N,
MAYOR OF THE CITY OF NEW YORK.

The Petition of the undersigned residents of those sections of the City of New York, known as SOUTH BROOKLYN, BAY RIDGE, FORT HAMILTON, DYKER HEIGHTS and adjoining territory respectfully shows:

THAT WHEREAS the City of New York recently acquired control of the Ferry Line known as the 39th Street Ferry, running from the foot of 39th Street, Brooklyn, to the Battery, Manhattan, a distance of about three (3) miles, and whereas the City purchased three (3) new screw propelled ferry boats known as the "GOWANUS", "NASSAU" and "BAY RIDGE", to be used upon said Line, but the same are being used continually on other Lines while the undersigned, patrons of the 39th Street Line, are compelled to ride in antiquated boats, particularly one known as the "NEW YORK", which is a single deck, side wheeler with insufficient seats to accommodate the passengers, who are compelled not only to stand up through the whole trip lasting over twenty minutes, but also to stand in dangerous proximity to the horses and vehicles.

W H E R E F O R E the undersigned respectfully request that your Honor take steps to remove the uncomfortable conditions now existing and replace upon the 39th Street Ferry Line, the said boats that were purchased expressly for this Line, to wit, "GOWANUS", "NASSAU" and "BAY RIDGE".

Dated New York, August 9th, 1909.
