Court of General Sessions of the Peace  
County of New York  
Clerks Office

Jan 20 1900

My dear Judge Gaynor:

You referred, the other day, to my friend, in connection with one of the departments.

I believe that if there is serious work to be done therein (and we both know there is) he would be glad to undertake it.

His training has made him a good investigator, as I know by personal experience, and let me bluntly say it, he knows how to wield a battle-axe and is not afraid to do it.

Should you decide to go further into the matter, an interview with him will, I am confident, convince you that if you enlist him you can station him on the firing line with the certainty of getting results.

Yours very truly

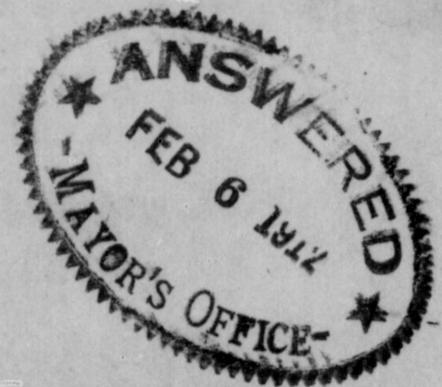

George J. Spivey

NEW YORK CITY

February 8th, 1912.

Honorable William J. Gaynor,  
Mayor of The City of New York.

Dear Sir:-

Through a mistake of the clerk of Part One of this Court, a copy of the presentment of the Grand Jury for the January, 1912, Term, filed on the 2nd day of February, 1912, was sent to you.

When the Grand Jury handed in this presentment, his Honor, Judge Malone, presiding in that part of the Court, directed that the presentment be filed in the Clerk's Office, but gave no order that a certified copy thereof should be sent to the Mayor of The City of New York. I therefore respectfully ask you to return to me the certified copy of the presentment which was sent to you on the 3rd inst.

I have the honor to be,

Very respectfully yours,

*Edward R. Carroll*

Clerk of Court.
