The People
vs
Leonce Levy.

Court of General Sessions, Part, I.
Before Recorder Smyth.

February 27, 1885.

Indictment for burglary in the second degree and petty larceny.

Alfred Voutier, sworn.

I live at 26 Clinton Place and am in the wine business, I have one room No. 26 first floor in the rear of the house. I saw Levy leaving the house where I live at half-past twelve o'clock in the night time from the 6 to the 7 of February, I was awaked and got up and went outside of my room and went to the end of the stairs and called, I saw the defendant leaving the house; when I came out in the hall he was descending the stairs, he lived in the same room one time where I am living now. After he had gone I missed my shoes which were worth two dollars and my wife's dress which was worth \$10. The door was shut but not locked but when I got up it was a little ajar; there was gas lit in the hall so that I could see, I am sure this is the man; there was no one else in the hall when got out.

Cross Examined.

I had been in bed about an hour or an hour and a half and my wife came a very short time after. I think I saw the defendant about 8 or 10 days before this, I did not see his face on this night but saw his back, I met him on the 11 of February in Jefferson St. and remained for an hour with him.

0483

Silvani Voutier, sworn.

I am the wife of the last witness, I was living at Clinton Place on the 6 of February, I went to bed half- an- hour after my husband, the door was shut when I went to bed, I had a big shawl over my head and was not awaked, I know the defendant very well but did not see him that night;

Cross Examined.

I was suffering from tooth-ache that night, I had no occasion to go out of the room that evening after my husband went to bed; there are six rooms on the floor where we live, I cannot tell how many people live in the house, I hung up my dress on the door .

Cornelius Leary, sworn.

I am an officer of the 7 precinct and know the defendant since the night of the 11 of February, I arrested him that night when he was running in Jefferson St. and the complainant running after him, I joined in the chase, I caught him and brought him to the station house and through the interpreter we got Mr Voutier to explain what the charge was that he wished to make against him; he explained that this man got into his room and took a dress and a pair of shoes out of it, that he saw him going out of the room.

Cross Examined.

What time of day was this , officer? About a quarter to six in the evening. How was your attention called to this? When the crowd of people were running and hollering stop. This Frenchman , he was running after him was he? Yes sir. There was three of us running, another officer and me, the charge was made by this Voutier.

0484

Leonce Levy, sworn.

I live 346 East Houston St., I remember the time I was arrested in Jefferson St., I met the complainant on the corner of Grand and Allen Sts. . I said Good day, I had not seen him since 10 or 12 days. he said you are a nice fellow, I says why, he said because last evening from Friday to Saturday you took my wife's dress and a pair of shoes; he said I saw you but I did not want to make trouble in the house in the night. I said if you saw me go right away to the station house. He said, no, you walk with me, and he walked with me till five o'clock in the afternoon. I went in 4 Jefferson St. ; after we came out he was walking down to the Grand St. ferry; he said he wanted to go to a French detective. I said all right and after that I said we will go right away to the station house and make the arrest. He said all right and we walked down, he saw plenty of officers, I was going away, I heard when he was running after me Thief! thief!, and in the meantime there was a crowd about me, they took me to the station house. I did not go to his house on the 7 of February and steal his wife's dress and a pair of shoes, I was not in that street in 14 days, I saw home that day until 5 or 7 o'clock in the afternoon; after that I was going to 4 Jefferson St. where I can get proof I was to half-past ten. I live at 346 East Houston St. with Mr Schwartz he is married but I am not. Mr Schwartz is not here. I have been book-keeper and was living with my Uncle at 920 East 5 St. , I have not been working for him, I was book-keeper in a bank in Paris for 5 years, I am 19 Years old, I came here in June, I have been peddling for Mr Bernstein Cor! of

The People vs John Limpe { Court of General Sessions, Part 4
Before Recorder Smyth Feb. 11, 1885.
Indictment for assault in the first degree.

Willis H. French sworn. I am a doctor in Bellevue Hospital. Martin Ottinger came under my charge when he came to the Hospital in the latter part of January. I found an incised wound behind the angle of the left jaw extending through the lobe of the ear, about two or three inches long and two inches deep. It was made by some cutting instrument. He was under my charge about a week; he sloped from the hospital. No important blood vessels were cut, but he might have bled to death if he had not been attended to. The wound I have spoken of was in the neighborhood of an inch or an inch and a half from the veins which make up the jugular vein.

Martin Ottinger sworn. I live at 102 Ridge St. on the 25th of January and am 39 years old. I knew the defendant. I was assaulted by him on the 25th of January about ten o'clock in the evening in Lewis St. on the sidewalk in front of John Limpe's house. About 8 1/2 o'clock in the evening he stabbed me with a

0513

Knife here (pointing to the left side of the car)
I fell to the ground. I did not know
what happened afterwards. A policeman
found me at half past ten and took
me to the station house and from the
station house to the Hospital. I was there
nine or ten days. I did not do any-
thing to the defendant when he stab-
bed me. When he stabbed me he said,
it is none of my business, I shall go
home. As I was going out then his
mother called on the young man and
said he shall remain in the house,
he should not follow me; he followed
me, and then I recieved the stab and
fell down. I recieved a blow on the
neck from Willie Larnpe the same in-
stant I recieved the stab. I did not see
any one present; it was dark there.

Cross Examined. I have been a frequent
visiter to the house of the mother of the
defendant for the last year and a half.
I did not make improper proposals to the
mother of the defendant at different times.
I never had a fight and had no trouble.
On this Sunday I drank beer, but was
not intoxicated. I knew what I was
doing. I had no quarrel in the house at

0514

ten o'clock on that night. I did not break a lamp in the hall. I had a Knife on me in the morning but not at the time of the assault; it was my pocket Knife. I missed it and don't know where it is now (I have seen the Knife now shown me before; it is the Knife I had). The defendant did not come to the door and tell me to go home. I was outside already on my way to go. I was not kicking at the door from the outside. I did not break the blinds of the window. The defendant was drunk when he stabbed me. Willie Lampe hit me with a club. I had no quarrel with a strange young man in the street. I did not strike the prisoner with the Knife shown to me. The mother of the defendant has been to my house since this stabbing and I have been to her house. She said to me, not to make that trouble, you are suffering anyhow and that he shall get free. I did not say to her if she let me take improper liberties with her I would not make this charge against the boy. I did not threaten before this assault to put him out of the way because she would

05 15

not allow him to take improper liberties. I went to his mother's house that morning at 9 o'clock and fixed the windows and cleaned up the front room. I work in a coal yard. I left her house and came back with a man; the prisoner and his brother were there at the time. I am well acquainted with the mother of the defendant; she comes to see me sometimes and I go to see her. She promised to marry me and I promised to marry her. I do not think the boys wanted me to marry her. I think that was the cause of the trouble. John Linpe said to me, "Get out of here," and then he struck me on the sidewalk. His mother was in the kitchen before he hit me with a knife and tried to take him back into the house, but he would not go. She told me in the Hospital that she came out afterwards. James Mulligan sworn. I am an officer of the Eleventh Precinct. I know the prisoner and arrested him on the night of the 25th of January at 89 Lewis St. where he lives. I picked up the complainant. I found him lying in front of 89 in the street. Blood was

05 16

streaming from those wounds and Dr. Hurley came and tied his own handkerchief round the wound. The complainant was insensible when I picked him up and took him to the station house, and there he told me who assaulted him. I went back and arrested the defendant.

Cross Examined. I noticed that the prisoner's hand was cut; he informed me at the station house it was done with a knife. I do not know that I asked him who did it. I think the Captain or a Sergeant asked him. I could not say that the defendant stated in my presence that the complainant cut him with a knife. The defendant was under the influence of drink when I arrested him; the complainant had been drinking too. As I was going up the stoop the younger brother tried to slam the door in my face and seeing that I put my club in the door and got against it and pushed it in. Willie Larupe was the first one I met back in the hall; the younger brother slammed the door too and then they tackled me in the back part of the hall; they took hold of me to assault

05 17

me both Willie and Johnny. There is three brothers to my knowledge. The front door was not broken, the shutter has been broke since last April.

The Case for the Defence.

Auna Limp, sworn and examined.
The defendant is my son, he is about 17 years old; my husband is dead a year and a half. The complainant has come to the house eight months, and when I put him out he goes up stairs. On this Sunday morning I told him to go out; he first commenced to quarrel with the women in the house. I ordered him out of the house; he went up stairs drinking and one of the men up stairs came down and said, "if you dont put him out I will lick him"; he had a club in his hand; he said, "he licked my wife". The complainant came down and had a pint of beer with a man. He said to me, "I would drink beer with men who would do so and so." I said, "you are drunk and went inside and washed my dishes and burst out crying. They said, this man is crazy or blind drunk." I begged the complainant to go outside; and he

05 18

went outside between nine and ten o'clock. He commenced to hammer on the door and he broke the shutters and windows; he broke the oil lamp. I said to Johnny, "go outside and coax Martin away," and he went outside. Martin said, "You son of a b—h, I'll cut your guts out." I was in the hall. Johnny said, "Go in right away mother." I went into the kitchen and washed his hand off because he had a cut in his hand. After a while Mulligan knocked at the door and asked me what I knew about the case? I said, nothing more than I put him out and he broke the shutters and windows. Mulligan went out and came back with four policemen. My kitchen door was wide open, and he had no occasion to break the door in. As soon as I went in the bed room to get my hat and shawl and Mulligan knocked the cigar out of my boy's mouth and broke his teeth. Martin cut my boy with the knife. I did not see my boy strike him. A strange boy brought me the knife afterwards from the wagon. The complainant said if I did not do as he wished me to do he would shoot him.

POOR QUALITY
ORIGINALS

05 19

I heard yesterday he was a married man. He has been to my house twice since this happened and wanted to make up all the time. He thinks I will give him money. I am poor enough. He asked me if I would not do so and so. Cross Examined. I have known the complainant eight months; he told me he knew my husband. I did not know whether he did or not. I put him out more than a dozen of times. From the first time he came he wanted to marry me. I did not want to have anything to do with him. Sometimes he came three or four times a day. I put him out with a broomstick. I saw no knife with Johnny. In the evening the complainant wanted me to take some beer and I would not. I coaxed him to go home, and he commenced to fight and he broke the lamp. I let furnished rooms. I went to the hospital to see the complainant because he sent his daughter to come and see me. He has made improper proposals to me; he has been cutting up and disturbing the house for eight months. I rent rooms only to married people.

0520

Frank Berdicar sworn. I am working in a coal yard and am a married man. I live in the same house as the defendant; on this Sunday night I laid in bed, it was nine o'clock, I heard a big hallooing and looked out of the window. I saw Martin standing on the stoop knocking at the door; he could not get in and he knocked on the blinds or shutter and they broke. He said, "I will not wait for anybody." Then there was standing there a crowd of young fellows and they caught him and were fighting together and they fell down. Martin stood behind the wagon in the shade. I could not see whether he had anything in his hand - any how a piece of iron fell out of his hand. One of the fellows said, "Look out, he had a big knife in his hand." Martin said, "I have got no knife in my pocket." Then the fellow would go for him like to kick him in the belly. Martin was knocked in the middle of the street. The fellow who struck him was bigger than Johnny or Willie Limpe. He was behind the wagon, I could not see exactly his face; he was a stout fellow. As soon as Martin

0521

fell down the fellow ran across the street. I could not tell what the strange man struck him with. He crossed the street and ran up Stanton St.

Catherine White sworn. I live in the same house with Mrs. Lampe. I saw the last part of the difficulty on Sunday night. I was in bed, I got up and opened the window and looked out and saw a tall young man was giving Martin a thumping and threw him into the gutter and had his face down to the ground. Then he gave him a kick in the face and there he laid. It was not John Lampe; he ran down towards Stanton St, but where he ran to I do not know. It was not Johnny who did it because he was in the house the time it happened. Cross Examined. I live in the top floor; this was between 9 and 10 o'clock. My husband looked out of the window after I did; he did not see as much as I did. I was awakened by a noise. The complainant had not been in my room that day. I do not work for Mrs. Lampe. I go out to work by the day. My husband does not work for her; he works in the furniture business.

0522

Caroline Knapp sworn. I live 89 Lewis st. I looked out of the window and saw Martin break the shutter. I saw a tall fellow kick and knock down Martin. I know Johnny Limp; it was not he who struck him. He kicked him under the wagon. Johnny Limp was in the hall holding the door. Sophia Bittiker sworn. I live at 89 Lewis st. and on this Sunday evening I heard a quarrel that Martin had. I was coming up from the yard he smashed the lamp and I said, "O my God, save my life." He said, "I don't care for anybody. I will kill any one in the house. If Mrs. Lampe don't do what I tell her, she has got to die and I will put her son out of the way. I heard no quarrel in the street.

Antony White sworn. On this night I was woke up and looked out of the window. I saw a tall fellow hit and kick Martin and land him in the street. It was not John Linpe who did that.

Frank Knapp sworn. I saw Martin striking the door and breaking the shutter. He said, "Open that door or I'll kill some of you." A young fellow in the street came over and struck him; he was knocked senseless on the street.

POOR QUALITY
ORIGINALS

0523

At that time Martin had a Knife or dagger in his hand; it was not John Linpe that struck him; he was a tall young fellow.

John Linpe sworn. I am going on 18 years old and drive my mother's wagon. On this Sunday the complainant was insulting people in the house and fighting with people up stairs, licking another man's wife, Norman. My mother told him to go out; he went outside and he came back in five or ten minutes and commenced kicking and breaking the door and shutters. I told him to go away, and as I did he plunged at me with a Knife and cut my hand. My mother washed the blood off my hand. I heard a row outside and an officer came in about ten or fifteen minutes afterwards and took him out. I did not strike or cut Martin with a Knife; he threatened my life two or three times with the same Knife. The complainant has been making trouble for a long time in the house, but we never had him arrested.

The jury rendered a verdict of guilty of Assault in the second degree.

0524

Frank Berdicar sworn. I am working in a coal yard and am a married man. I live in the same house as the defendant; on this Sunday night I laid in bed.
