City and County of New York, } ss.

of No. 662 East 13th Street, aged 24 years,  
occupation Laceman being duly sworn, deposes and says,  
that on the 10th day of December, 1893 at the City of New  
York, in the County of New York,

the following described property was  
stolen from the possession of deponent,  
to wit, one diamond stud of the value  
of sixty dollars. Deponent charges that  
the said property was stolen from de-  
ponent by one Katie Wetzel, for the  
reasons following.

Prior to said date the said property was  
contained in a box in a room in said premises.  
The said Katie Wetzel who was in the employ  
of deponent's family, and the members of  
deponent's family were the only persons who had  
access to said room. On the fifth day of January  
1893, deponent discovered that the said  
property had been taken from the said  
box. Deponent has since been informed  
by one Henry Goetz, a jeweler, that on  
or about the said date he purchased  
a diamond stud from the mother of the  
said Katie Wetzel. Deponent has since  
seen the said stud and identifies it  
as the property stolen from him.

Wherefore deponent charges the said Katie  
Wetzel with the larceny of said property.

I, the undersigned, complainant against Peter Wolski, do hereby respectfully ask that this Court deal leniently with the defendant herein, and that I be permitted to withdraw my complaint against him; and that I am actuated in my request by an honest desire in seeing him released and that I am receiving no advantage pecuniary or otherwise by reason of this request, and that I base the same on the following grounds: That I have been acquainted with the defendant for about five years, during that time I have always known him to be an honest and hard working man; he has lived in my house and boarded with my husband and me and has frequently held money in his possession as high as \$100.00 at a time which said money he has always returned when asked for and has never appropriated any of it to his own use; he has always worked and been a steady man and I do not believe that he stole the money which he is charged with stealing herein. On the day in question when this money was lost I asked him to go with me and have it changed into American money, I handed him the money and he put it in his pocket, we left my apartments together and went on the street together, he was never out of my sight, nor was there any person with him to whom he could pass the same, when we had got about two blocks from my home, he felt in his pocket and the money was gone, he became greatly excited and ran back to the house and I followed him as fast as he ran and he looked all over the

the room and on the stairway and on the street but could not find it. I do not believe him guilty of having stolen it and I believe that he must have lost it on the street or that some person picked his pocket.

During all the time that I have known him he has been honest in every particular and although I am very poor and the money which has been lost are the earnings of a life time, still I cannot conscientiously see that he should suffer imprisonment when I firmly believe that he is innocent. Every inquiry that I have made since his arrest has convinced me that he did not steal this money.

I therefore ask that I may be allowed to withdraw the charge against him.
