The People *vs.* Charles Reilly Court of General Sessions. Before Judge

Indictment for grand larceny.

Angela Franchi, sworn and examined, testified
Where do you live? No 185 Spring st. Are you in
business there? Yes sir. Were you there on the 5th of
November? Yes sir on Friday evening. Did you
see this man there - the prisoner? Yes sir. About
what time was it in the day? A little after ten
in the evening of Nov. 5. The money drawer
stands near the entrance; there is about 30 or 40
boxes piled up; the writing desk has drawers in
it and this drawer was taken out; there is no
counter. About how much money was there in
the drawer? About a hundred dollars; there was
not less than that; the prisoner is the man I
followed. I was ready to close, and while I was
taking two dirty glasses off the table I saw
the prisoner take my drawer and run
away with it. I ran after him crying "Stop thief,
stop thief;" just as fast as I could, but he
run faster than I could and people said,
"There is no use running; you won't get
him." I walked back, I had nobody but
young ones watching the place. I thought
somebody else might get in there. Nobody
was there but your children and yourself?
No sir. He was alone when he came in; but

somebody else might get in there. Nobody
was there but your children and yourself?
No sir. He was alone when he came in; but

there was a party outside with him; that is what I hear everybody say. I followed him as far as the corner of Sullivan ~~and~~ Spring St. It was a good distance. I "seen" him all the time. I never could reach up to him; he was running very fast. How far were you from the drawer when he took it? I was about 20 feet away I guess. The store was lighted; I have ten or twelve burners. Cross Examined. I keep a wine store and Italian groceries. I am an Italian. I keep groceries, wines, liquors, oil everything. I did not know the prisoner before that evening, but he is the person who stole the money. He was a stranger to me then, but I looked at him fast enough. Was this done very quickly? He had to turn the boxes around. How long did it take him to pull that drawer out and run away? Just a second and I ran after him. His back was towards me. I "seen" the side of his face. Did somebody come to your place some day afterwards and tell you that a young man had been arrested. Yes sir; that was about seven days after the policeman said, "we have got a person; come and see if that is the person." I went up to the station house. I don't remember the Captain's name; he told me to look around and I did look around. The prisoner was in

the room at the time. But he had a different coat on the time he stole my money; he had the same face on. Bernard Delebar sworn and examined. I live 98 Sullivan St. and remember the evening of the 5th of Nov.; about ten o'clock at night I was in front of my door. I saw the prisoner that evening. About five minutes after ten there was some alarm, "Stop thief." I "seen" that man sitting there (the prisoner) with his hand something like this (in his breast); he was running up Sullivan St. and two small fellows after him. So I walked over to the corner and saw Mrs. Franki and asked her what was the matter. Did the person who was running run past you? Yes sir, run right past me. I got a good look at his face. I had seen him before. Heard his name was Charlie. I saw him walking by where they hang out. Cross Examined. Did you ever speak to that young man in your life or he to you? No sir, not as I know of. How far was this woman from where you saw the man at the time you had the conversation with her? Whatever it may have been? She was about sixty feet away from me. Was she running or standing still? She was standing still on the corner at the time sixty feet away. How far was she from her store? She was somewhere about 150 feet from the store.

He had not gone back to the store; she was standing still. My business is a jeweler, I have no shop at 98 Sullivan St. I work out in stores. Then I heard the alarm of, "Stop thief" it was about five minutes after ten; it was on a Friday evening. How far was the man that you saw running from you when you first looked at him? Right by my face about five feet from me. I did not know right away what to do and that is the reason why I did not try to hold him. The officer told me to go to the Captain; he asked me whether that was the man? I did not sign my name to any paper before the Magistrate. How many seconds did you have a chance to look at this running man? By his running very fast I could not tell you I suppose a couple of seconds. My attention was directed to this matter the next day; an officer came to see me and told me to go to the station house and tell the Sergeant what I "saw" about it. I believe it was two days after I saw the prisoner standing corner of Thompson and Grand St. in front of a butcher store; there was no detective with me at the time, but afterwards I told the detective if he had been with me then he would have caught the prisoner. Charles Keilly sworn. I did not steal the hundred dollars and know nothing about it. I had the same coat on in the station house that I am wearing now. The jury rendered a verdict of guilty. He was sent to the State prison for two years.

STATE OF NEW YORK,
CITY AND COUNTY OF NEW YORK. } ss.

Gouverneur W. Lansing
of the Astor House Hotel
being duly sworn, deposes and says, that on the 15th
day of October 1850, at the City and County of
New York, James J. Rodgers, otherwise
George W. Gampher, New born,
did feloniously and unlawfully
attempt to break open and enter
four sleeping rooms on the third
floor of said Hotel with the felonious
intent to commit a larceny or
some other crime therein.
That at said time said rooms contained
personal property consisting of bed linen
and other property of value the property
of Francis J. Allen and Andrew J.
Wear Co-partners.
That said defendant was stopping
at said Hotel and occupied room
No. 152 on the third floor. That on
the morning of said day defendant found
that the doors of four sleeping
rooms opposite the room occupied
by said defendant had been forced
with a gimlet and an attempt
made to forcibly break open said
rooms. That said attempt was
made on the night of the 14th day
of October instant or early on the
morning of the 15th inst.
That defendant examined the rooms
occupied by the said defendant and
then and there found concealed
upon the parador wall of said
rooms the gimlet and wire and

string attached and the keyless instrument now here shown called "nippers". That all of said instruments are now here shown. That the defendant was in said room at the time defendant found said instruments and that said defendant had been the sole occupant of said room during the night previous and since the instant. That defendant compared and fitted the gimlet found in the room with said defendant with the holes in said doors and found that said gimlet exactly fitted said holes.

That defendant therefore charges and alleges that said defendant did feloniously attempt to enter and break into said rooms by means of forcing said doors open by inserting a piece and cord through the hole in said doors and drawing back the cord securing said doors and with the intent to commit a larceny therein. Defendant further charges that said defendant was armed by night armed with said keyless instrument with the intent to break and enter the rooms of said to commit a larceny therein.  and further examined for the People
 I know the defendant. I knew him
 four years ago. He then gave the
 name of Sampson.

Cross Examined

An attempt was made to forcibly open
 the doors of the rooms mentioned.

I have knowledge that the holes were
 bored on the night of the 15th of
 October last from the fact that I
 saw the saw dust on the floor.

My belief that it was done on the
 15th is not based solely on that, but
 from other circumstances.

The tools were wrapped up in paper
 with a rubber band. I consider
 they were concealed in the window
 sill. I do not know when they
 were put there or by whom.
