PEOPLE ON MY COMPLAINT,
VERSUS

William T. Moore.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

My reasons are that the assault of which I have charged the defendant was the result of a quarrel between us, that it was not premeditated, that the circumstances preceding it was such as to furnish him some provocation he having drunk some on that day. That his previous character has been excellent and I am convinced that the act of the commission of which I have charged defendant was done in the heat of passion without criminal intent and is by him greatly and fully repented.

I therefore respectfully submit that the interest of justice may be best promoted by discharging the defendant at this time.

I have heard read the above and am fully in accord therewith.
