at the City of New York, in the County of New York,

being duly sworn, deposes and says,

he was violently and

feloniously assaulted ~~and beaten~~ by John Mack and Edward Goff (both nowhere) from the fact that on said day at about the hour of 5.30, o'clock A.M. while deponent was in front of his residence he saw said defendants assault a man named Harris Petit of No. 196 Division Street in said city. Deponent went to where said defendants were assaulting said Petit to save him, when said Edward Goff said to John Mack, "shoot the son of a Bitch" said John Mack then ran into the middle of the street (Keester) where he immediately discharged a shot at the person of deponent from a Pistol which he said John Mack held in his hand, the Bullet from said Pistol striking Louis Wolf of No. 36 Keester Street in said city in the abdomen injuring him said Wolf so severely that he is at the present time unable to appear in Court and make a complaint against said defendants. Deponent further says that said assault was committed without any justification and with the felonious intent to take the life of deponent and he therefore asks that said defendants be held to answer and dealt with according to law.

Mr Davidson

Dear Sir -

Yours of  
the 23<sup>d</sup> at hand and in reply  
would state that the order you  
sent for my inspection is a forgery.  
and I think I have a clue to  
the party who did it. if it was  
possible for me to come to see you  
I would gladly do so - but being alone  
in my store I cannot. But will be  
glad to aid you in any way I  
should be able to. My clue is as follows.  
On Thursday last May 19<sup>th</sup> a German  
stranger came in my store looking  
for a position as relief clerk. I told  
him I did not need one at present  
but in case I was taken ill or anything

else occurring I certainly should need  
some one. And he might leave his  
address which he did. After closing  
up that part of his business he  
asked me if I was not in need  
of some drugs - as he was selling drugs  
for Little & Co. - when he was not  
acting as Relief Clerk. I told him  
I did not care to let my orders go  
anywhere but to Schiffel & Co. - he  
acknowledged yours - to be a good  
business. And was about to leave when  
he asked if there was not some  
article he could sell me. I told  
him I was in need of nothing - but  
one half grain of Esarine - but I  
would get that from some Retail  
Store. He said he was coming back  
by my store when he returned from  
N. Y. and he could get it for me  
as well as not. So I gave him  
30¢ and told him to go to Williams

on B. Way could get it for me. That  
is the last I have seen of the  
fellow - or my 30¢. I have sent my  
Boy to the address he gave me and  
by making inquiries from outside  
parties. So as not to scare him away  
in case you need him - I find he  
gave it correct, which is enclosed.  
Now if I can be of service to your  
firm in any way do not hesitate  
to inform me. Should you decide  
to hunt him up send your man  
to me and I will send my Boy  
with him. as he has the horses  
marked. I did not give him a  
written order for the Esquine - Consequently  
he has falsified the whole order -  
I return the order to you to hold as  
evidence in case you need it.

Respectfully yours

My Dear Sir.

With reference to the  
sailor McBride I would  
respectfully suggest that the  
interests of the community will  
be best served by suspending  
sentence & <sup>his</sup> case on, in some  
way releasing him from the  
penalty of the office to which  
he pleads guilty. As an ex-  
posed man in the Navy he  
will be under strict dis-  
cipline and it would seem  
to unnecessary to transfer  
him from a useful sailor  
into a useless criminal. ~~the~~  
The investigation before the

Grand jury leads me to  
believe that the offense with  
which he is charged is  
wanting in the elementary  
criminal intent which  
would make punishment  
necessary.

There was also found a wound on left hip midway between the anterior superior iliac process of ilium and the tuberosity of the ischium - wound passing downwards backwards and outwards in the cutaneous tissues. There was considerable extravasation of blood in the vicinity of the wound. The wound was followed for about 3 inches and was then lost. No bullet found.

Other organs were normal.

From said Autopsy I am of the opinion that death is due to Exhaustion from Traumatic Peritonitis from bullet wound of the abdomen and Paraplegia from bullet wound of the spinal cord.

Philip E. Doulin M.D. being sworn says.  
On May 9<sup>th</sup> 1881 I made an Autopsy on  
body of Louisa E. Harvey at St Vincent's  
Hospital and found a bullet wound in the  
back  $1\frac{1}{2}$  inches to the right of the spinous pro-  
cess of the 10<sup>th</sup> dorsal vertebra. direction was  
downwards, inwards and forwards.

The bullet struck the transverse process  
of the right side of the 10<sup>th</sup> dorsal vertebra  
which was fractured at the base and then  
passed inwards into the spinal cord where  
it was found. The cord was entirely de-  
stroyed at that point and there was ex-  
travasation of blood into the spinal canal.

There was also found a penetrating bullet  
wound of the abdomen. This wound was  
on a level with the umbilicus and mid-  
way between the anterior superior and posterior  
superior spinous processes of the ilium, right  
side. This ~~wound~~ <sup>bullet</sup> took a direction down-  
wards and inwards and passing through  
the parietal layer of peritoneum was found  
loose in the pelvic cavity.

There was extravasation of blood external  
and internal to the peritoneum in the immediate  
vicinity of the wound.

Very little serum in peritoneal cavity.
