As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

I had no desire to make a complaint in this matter - I was told I must do so - I was under the influence of liquor at the time I had my foot taken from me - I am informed the defendant has heretofore borne a good character and is respectably connected and respectfully request permission to withdraw my complaint -
