Herman F. Nickel

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

The defendant is a young man 19 years of age and from investigations made by me, I am satisfied that he has always borne an excellent reputation and that his character heretofore has been and still is excellent.

Immediately upon his arrest his attorney visited me and tendered me full and complete restitution which I refused to accept fearing I might violate the law. I execute this withdrawal for no other reason than to aid him in continuing his present unquestioned mode of living.
