PEOPLE ON MY COMPLAINT,
VERSUS

Daniel Maguire

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The defendant is my brother-in-law and he has a wife and two children; is destitute and without means and he has been in prison since June 14, 1887. We had a fight in our own house about a family matter and I think he has been sufficient punished. If he is not discharged his wife and children may become a charge on the ~~Security~~ State August 10, 1887

PEOPLE ON MY COMPLAINT,
VERSUS

James Maroni.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The reason why I withheld this charge is: That I do not believe the defendant had any intent to do me any harm in fact I believe the way was assaulted by a crowd of boys and men then and there present. The pistol which he used was a very small one and loaded with blank cartridges and if discharged, would do me no harm. He did not meaningfully point the pistol at me, he was defending himself and was I believe a little drunk. It was the 7th of July and shooting was

0626

going in, in all directions.
I recommend ~~that~~ poor boy
for I do not believe he intended
to do me any harm. Again I say
he was assaulted by the boy and
I happened to pass by when
he was defending himself. He did
not fire the pistol.
