532 Debevoise Avenue,
Long Island City, January 26, 1907.

To the Mayor, Comptroller and
Corporation Counsel of the City of New York:

Gentlemen:

We the undersigned, property owners on Debevoise Avenue in the First Ward of the Borough of Queens in the City of New York, desire to protest at the delay in the payment of the awards to us for damages sustained by the opening and widening of Debevoise Avenue.

This proceeding has been pending for more than six years; the report of the Commissioners was filed in the County Clerks office last November, and we are informed that a motion for its confirmation was to be made on December third last; we are also informed that such report has actually been confirmed, but nothing else seems to have been done in the matter.

Many of the property owners are in dire straits over this proceeding; we have been compelled to move or alter our houses and have incurred large expense in so doing, in many instances being compelled to borrow money or obtain credit for that purpose; our creditors are pressing us and we are helpless in the matter, waiting for the payment of the awards.

Is there nothing that can be done to hurry such payment? The long delay seems to us to be entirely unnecessary, and we earnestly request that you do all in your power to bring this matter to a close.

Respectfully yours,

Adolph G. Kirchner 532. 2nd Ave Astoria

Hon. Geo. B. McClellan,

Mayor N. Y. City.

+ To relieve Manhattan Ave. of its over-
taxed travelling accomodation by extending Lorimer Str.
through Noble and Milton Strs. to Greenpoint Ave., is the
request the undersigned petitioners most respectfully make
and beg your Honor to comply with as soon as possible for
the amelioration of the congested condition of travel in this
locality of our borough. +

admirable

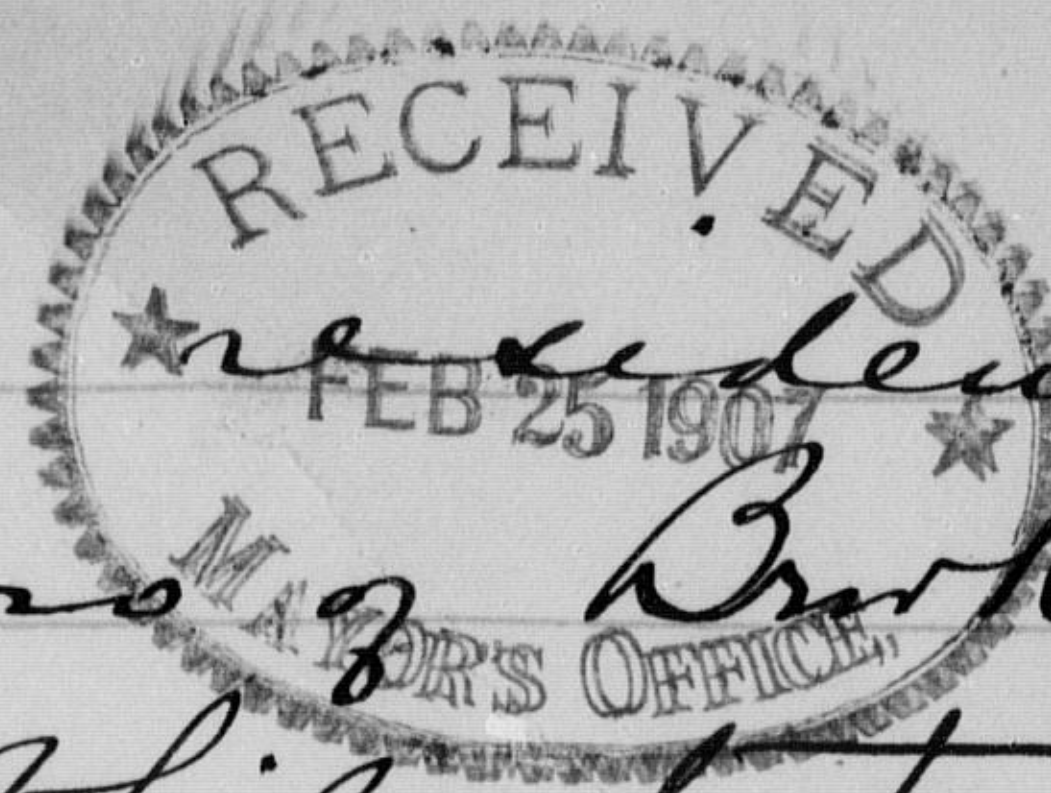

The undersigned residents
of the 17 ward. Borough of Brooklyn,
would be greatly obliged to
your Honor and beloved Mayor,
if you would favor and aid
the movement to extend Lorimer St
to Greenpoint Ave. which would
relieve travel on Manhattan Ave. at
present taxed to its utmost capacity
and congested beyond description.

Hon. George C. Wallace, Mayor.

Dear Sir:-

Regarding a recent communication addressed to me, by Mr. Geo. W. Tillson, Chief Engineer & Acting Supt. of the Bureau of Highways, transmitting a communication from the Executive Secretary to the Mayor, under date of April 11, 1907, also a petition from property owners on Engert Avenue bet. Humboldt Street and Graham Avenue, in regard to the restoration of the pavement on this street over sewer trench, I would say that the contractor is now at work replacing this pavement. It will be finished in a few days.

Respectfully,

Superintendent of Sewers.

Petition in re - to

Bryson

September 10, 1907

To The Honorable Mayor,
George B. McClellan,
City Hall,
New York City.

Sir:

Having been appointed as a committee of one by the undersigned petitioners permit me to trespass on your valuable time in submitting to you the enclosed copy of petition which has been presented to several officials of this state and Greater New York in behalf of the petitioners.

I respectfully ask your valuable co-operation in assisting the residents and property owners as well as the public in general to obtain the relief demanded by them and thereby greatly oblige,

Yours truly,

G. Gutz

For the public.

We, the undersigned citizens, residing in Flatbush, beg to petition your honorable body in asking your consideration in looking into the present condition of Coney Island Avenue, Brooklyn, which has been a detriment to the welfare of all the residents in this neighborhood and particularly so to the residents on this Avenue.

For some years it has been publicly announced that the tracks now to the right of the Avenue would be removed by the Coney Island Railroad Co. to the center of the same.

In 1906 the legislature took action in passing bill of Assemblyman W. E. Lee that the Railroad Co. be ordered to remove these tracks to the center of the Avenue.

Releases were obtained this Spring by the Railroad Co. from the property owners for the right of way in order that this work could be done at once, after which the city has agreed to pave the street.

Up to the present nothing has been done, on the contrary there have been nothing but vague promises as publicly announced in various papers.

The condition of the Avenue is deplorable, so much so that it is detrimental to the welfare and health of the residents in this neighborhood, as well as to the public in general.

The property owners are taxed to the highest limit without getting any return for their money. This

167 ROBERT S. BINKERD

HEADQUARTERS, 252 FOURTH AVE., NEW YORK. Mar. 12, 1909.

Hon. George B. McClellan, Mayor,
Chairman, Board of Estimate and Apportionment,
New York City.

Dear Sir:-

In view of the straightened financial condition of the City, which does not permit of expenditures for necessities, to say nothing of luxuries, we urge upon the Board of Estimate the recision of any authorization to contract, at this time, for the Extension of Riverside Drive from One Hundred and Fifty-seventh Street northward.

Yours truly,

CITIZENS UNION OF THE CITY OF NEW YORK,

Wm Jay Schiffelin

Chairman,

Robert S. Binkerd

Secretary.

To the Honorable George B. McClellan, Mayor of
the City of New York, and to the Honorable Board of
Alderman of the City of New York.-----

WE, ~~THE~~ CITIZENS OF NEW YORK, property owners and
merchants, between 33rd and 43rd Streets and Fifth Avenue, in
the Borough of Manhattan, City of New York, respectfully
petition as follows:-

The congestion of traffic at 34th Street and at 42nd
Street and Fifth Avenue is so great, that long lines of car-
riages are constantly held up going up and down the avenue at
these two points. To overcome this, and to afford relief to
the heart of the new shopping centre on Fifth Avenue, from 34th
to 42nd Street, we suggest that the avenue should be widened
from 33rd to 43rd Streets.

It has recently been held by the Courts of this State,
in the case of the City of New York vs. The Knickerbocker
Trust Company, (104 App. Div. page 223) that the court yards
along Fifth Avenue belong to the City. Moving the sidewalks
back from their present place to where the court yards are,
will allow the present avenue to be turned into a much wider
street, so that two more lines of carriages can easily be dri-
ven along the street, and still permit a sidewalk wide enough
for the use of all pedestrians. The expense of this improve-
ment will be limited to the cost of the contract work, as no
private property will have to be condemned and paid for.

There is not in our opinion, any immediate necessity
of widening the upper and lower part of Fifth Avenue, which
serve merely as an entrance and highway to the centre of this
great commercial district. We believe that this proposed ad-
dition to the present width of Fifth Avenue from 33rd to 43rd
Streets, will be a great improvement for the city of New York,
and will also immediately greatly increase the value of all
property in the section from 33rd to 43rd Street.

We would call your attention to the fact that the widening of Fifth Avenue has already been recommended by the Board appointed by you to plan improvements in the city.
