Forney

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. I have examined check attached to the indictments and find that the check or signature thereon bears no resemblance to the checks used by or signature made by the firm of Marvin Bros. & Co. of which I was then a member and which has since dissolved.
