New York General Sessions.

PEOPLE ON MY COMPLAINT,  
VERSUS

Chu Young.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. That the defendant in the above case is my brother and <sup>his action towards me</sup> grew out of mis-  
understanding in our business affairs: that since the intended assault by my brother (the defendant) I am satisfied that no wrongful or criminal intent prompted the defendant at the time of said assault: that it was done by the defendant on the impulse of the moment and I am satisfied he intended to do me no bodily harm.
