PEOPLE ON ~~the~~ COMPLAINT,
VERSUS

John R Graham

William Davidson

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The defendant has a wife and five children and I have been requested in this behalf to request the Court to exercise clemency towards the defendant and I believe the ends of Justice would be subserved thereby—

Larceny

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself, but for the reasons that I am informed that it is the defendants first offence and has an aged and respectable mother, and for the further reasons that I have grave doubts as to the defendants guilt and do not desire to have her punished, and I further believe that the girl Delia Glenn who has not been arrested is the guilty party, and for the further reason that I think she has suffered imprisonment enough.
