The People
vs.
Thomas Murphy and
Thomas Moran
jointly indicted with
William Barry.

Court of General Sessions, Part I.
Before Judge Cowing.

August 19, 1884.

Indictment for burglary in the third degree.

Henry Peetsch sworn and examined. Where do you live. I live 409 East 114th Street. What is your business? I kept a liquor store and cigar factory. Where is your liquor store situated? 35 John Street. What stock have you got in that liquor store? I have got wines, liquors, cigars and beer. Did you lock that place on Saturday, 4th of July? No sir, my bar-keeper did.

William J. Murnane sworn. Where do you live? No! 10 Hicks Street, Brooklyn. What is your business? Watch man for the jewelers of John Street and Maiden Lane between Broadway and Nassau and from Nassau to William in both streets. Do you know the premises 35 John Street owned by Mr. Peetsch? I do sir. Were you in that neighborhood on the 6th of July last? I was sir, I was standing about forty or forty-five feet from the corner of Nassau Street going towards Broadway. Did you see the defendants at the bar that day? yes sir. What time? I should judge it was a quarter of six, I did not notice the time exactly. The three were standing on the corner, I noticed their actions were very suspicious, I hid in the doorway and I sent a friend for my revolver, he came down the street and I took the revolver that I had sent him for. I watched those three men, I saw them talking together for some time, the smallest of the two defendants went across the street and looked up at the houses in front of this place, Murphy left the corner and crossed over to the opposite corner and looked up at the building and passed the remark, they are

0638

gone, meaning by that the janitors that was on the other side. This man walked back then and the other two and this Barry that has been convicted walked over to 35 John Street and got up on the storm doors and got in through the fan light. When I heard him drop inside of the door I walked down the street and arrested those two men and held them there till I sent for the officers and they took them to the Station House and made a charge. Did he push the fan-light in? I heard a noise and heard him drop into the place- that is the man that has been convicted by your Honor. And these two prisoners were with him? Yes, were with him from fifteen to twenty minutes.

Cross Examined. I should judge this was about twenty minutes of six in the evening, in broad day light. You could see everything that was going on? I could, yes. This man Barry you say went in side? yes. This was a liquor store? Yes. It is nothing uncommon to see two or three men standing on the street? It is in that neighborhood, very uncommon, we don't allow it if we can prevent it in that neighborhood, it is too risky a neighborhood. Do you own any property there? No sir, I do not. You are simply a watchman? Yes sir. If you saw two or three people standing on the street you would think it very suspicious and watch them in broad daylight? Yes sir, on a Sunday, an ordinary day like to-day I would not. This happened on Sunday? Yes. This Barry has pleaded guilty, I knew he dropped through the fan light and was in there. Nothing was stolen? I do not know anything more about that. You heard nothing was taken? I did not inquire, I do not think they had a chance to steal anything.

0639

James A. Murphy sworn. I am an officer of police connected with the first precinct. Were you on duty on the 16th of July? Yes. What neighborhood? John Street from Broadway to Gold Street. Were you called upon to arrest the defendants that night? Yes. Where did you arrest them? Opposite 35 John Street. What else did you find there that night? I found them at the time in the custody of a private watchman named William Murnane; he said these two men are thieves and their accomplices inside of the bar-room 35 John Street; he said this in the presence of the defendants. I placed them in the custody of two other policemen. I went to the door and demanded admittance; the young man inside, Barry opened the door for me inside by pulling the bolts. You found Barry inside and arrested him? Yes sir. That is all you know about it? Nothing more than this. Murphy I found two keys on, neither one of them fits the door though. Did you look at the fan-light to see what condition it was in? It had been forced open.

Cross Examined. I did not see these men talking together. Barry was the man who pleaded guilty before Judge Cowing a few days ago and was sent to the State Prison. Did these young men tell you they had nothing to do with Barry? Yes, at first. Didn't they tell you they were down at the Battery taking a bath and were going home? Yes. They did not at first recognize Barry but afterwards acknowledged knowing him; this was after Barry said he knew them. When the private watchman accused them of being thieves they said right away, we are not thieves, we have come from the Battery after taking a bath. They said Barry was not with them taking a bath. They told me they did not know who was in the saloon.

0640

The Case of the Defence.

George H. Sutton sworn. I am in the hoseary commission business at 132 Church Street, I know Thomas McCarty (known here by the name of Moran), I know him six years, he has been in our employ, I think his reputation is good, I found him strictly honest and upright, I would be willing to take him in my employment to-morrow. Cross Examined. How long has he been out of your employment? A little over a year, he was with me I think about four years as porter and shipping clerk, I know nothing about him since except as I have seen him in the dry goods district about half a dozen times. Counsel. I have an affidavit here and with the consent of the District Attorney I will read it. "Peter S. Fanning, who says he is employed in the post-office department of the government of the United States in this city. The reason he is not here is because it is impossible for him to get away from the Post-office. "The deponent is personally acquainted with the defendant and has been for the last fifteen years and that the said defendant is a very industrious and honest man and is a person of good moral character and that he has never been arrested before to the deponent's knowledge. "

Micheal Norton sworn. I am in business in this city at 82 Franklin Street, I know Thomas McCarty for twenty years or more, he has been in my employ on and off since January 1883. I have always found him trustworthy and honest, his reputation is good; I would be willing to take him back to-morrow notwithstanding this charge; during the time he was with me he was strictly honest. Cross Examined. I am a boss true man, he worked for me for about four months and I got him a position as shipping clerk in one of the stores that I work for; he worked there very nearly six months.

0641

After he left Mr Sutton he came to work for me and worked for nearly six months and then he went to work in one of the stores that I do trucking for; he was not working for me at the time of the arrest.

Thomas McCarty sworn and examined. My name is Thomas McCarty though I have given here the name of Moran; when I asked the policeman the charge and he told me I was afraid it would get into the paper and I did not want to disgrace my people by having my true name known. You never have been arrested charged with crime before? No sir, I have lived in this city and Brooklyn for the past fifteen years, I remember being arrested on this Sunday, I lived at 94 Elm Street, I left the house and walked down Broadway, I went into the bath at the Battery and came out; on leaving the bath I came through the Park and on the corner of Battery Place and Broadway met this young man Murphy; he spoke to me and asked me where I was going, I told him I was going home to my supper, I was after having a bath; he said he was in the bath, we were not in together. Had you anything to do with the breaking of this place by Barry? No sir. You were not acting in any way in collusion with him? I did not see him until I saw him brought out of the store. When I heard his name I knew who he was but I never was in his company and never saw the man only once or twice.

Cross Examined. I have known Murphy in the neighborhood of a year, I had not probably seen him before that Sunday in three or four months, I never saw him over five or six times. I never spoke to Barry but I saw him with a friend of mine at a ball in Irving Hall in November last, I had not seen him after that till his arrest, Barry was not standing at the corner on this day, I was about a hundred feet from the store where Barry went in.

0642

7

Thomas Murphy sworn and examined. I am twenty years old and have never been arrested before, I work at label cutting for Lehmire Brothers in Fulton Street near Gold, I worked there from before New Years up till this Saturday before I was arrested. A member of the firm has been here to testify but the trial has been put off from time to time. Did you and this prisoner and Barry agree to break open that place? No. Did you know anything about the breaking open of that place or have any connection with it? No. I left the house after my dinner and went down along South Street and went in and had a bath, it was about two o'clock, I came out and walked around the battery; it was after five o'clock I met Thomas Moran, we came through Stone Street and Broad Street and when we got us to the corner of Nassau and John Streets I says, I am going home, he said what way are you going? I said I am going through John Street along the river; we kept talking for two or three minutes and this watchman came right over and caught hold of the two of us and fetched us down on the other side of the street to the store; that is all the evidence I know of. Did you know there was a liquor store in the place? No. Cross Examined. I know Moran about a year by the name of McGarty, I have known Barry about seven months but never to go with him, I got acquainted through a young fellow I used to go with named Jimmy Hayes, I met Barry about three times before that, I had seen him in four months until I saw him that Sunday, I live at 27 Henry Street near Catherine Street.

William J. Murnane recalled. I saw these two prisoners and Barry talking together on the corner of John Street.

The jury rendered a verdict of guilty and the defendants were sent to the Elmira Reformatory.

 The People
 Joseph ^{vs} Bowe
 and
 Michael Brady } Court of General Sessions - Part I.
 Before Recorder Smythe. July 24. 1884.
 Indictment for attempt at robbery
 John L. Hulshart, sworn and examined, testified.
 I live at 176 Eleventh Avenue in this city. I
 drove for Barney Calen for seven months;
 on the 28th of June I was attacked in the night
 time in Eleventh Avenue between 23^d and 24th
 sts. about a quarter after nine; they came
 behind me, Mike Brady and Bowe. I was
 walking home; they tripped me up - it must
 have been Bowe, ~~he~~ is the one the officer
 picked up. I had some drinks. One was
 trying to work his way into my pocket with
 his fingers - my right side pants pocket
 I had seven dollars and a half; they did
 not get it out; the officer was too quick
 I did not get hurt, I did not halloo at all.
 Cross Examined. The officer caught Bowe.
 I did not see Brady that night.
 Robert Nixon sworn. I am an officer of the
 16th precinct. I arrested Bowe. I was stand-
 ing on Eleventh Avenue between 23 and 24th
 sts. I saw three of these fellows come along
 and knock Hulshart down. I jumped
 over and caught hold of Bowe and
 took him off the top of Hulshart; the
 other two lads escaped; the complainant

0698

was on the ground. I picked Bowe off the top of him and the other two got away. I did not know who they were. ^{I do not} recognize Brady as one of them. You do not know whether he is or not? No sir. You did not see their faces that night? No sir. Now on the way to the station house did Bowe say anything to you respecting Brady? [The Court: No, that went do.] By the Court. Was this man on his back? No sir, he was on his side. On the sidewalk or in the street? On the sidewalk. And Bowe on top of him? Yes. You seized Bowe on top of him? Yes sir.

Mr. Adams: That is the case. There is no case against Brady. [The Court: No.] Counsel. I ask your Honor to direct an acquittal. The Court. If that is all the evidence.

By Mr. Adams. When this man Mulshani was knocked down were Bowe and his two companions together? Yes sir. And they were there together when you went up to arrest this man all at the same place, were they? Yes sir.

The case for the Defence.

Joseph Bowe sworn and examined, testified. By Counsel. Joseph, how old are you? Going on 17. What did you work at? I work in the woodyard. For whom?

0699

1
Repo in Twenty Fourth st. and Eleventh Ave.
How long did you work for him? I worked
for him nine months. Were you at work
the time you were arrested? No sir. When
did you leave him? I left at five o'clock
that afternoon. You were in his employ?
Yes sir. Had you been discharged that
time? Yes sir. Did you knock down this
man? No sir. Where were you arrested?
Between Twenty Third and Twenty Fourth
st. on the Eleventh Avenue. And you
tell this jury you did not knock this
man down? No sir. By the Court. How
did you get on top of him, did you fall
on him? No sir, I was not there. Two
young fellows gave me a shove, and
the policeman came running over
to me; he got hold of me by the arm.
I was standing looking at the man.
The man told him it was not me when
he got hold of me. By Counsel. Have you
ever been arrested? No sir; I got ar-
rested once five days for playing ball;
that is all. Have you got a father
and mother? No sir. Who do you live
with? My sister. Where does she live?
No 506 Twenty Sixth St. Cross Examined.
You never were arrested before? No sir.

0700

You were arrested for stealing a watch? A watch — well, I got out of it, I was accused of stealing it. You got out of it? Yes sir I was only accused of it, I got out in the morning.
By Mr. Adams. Bulchart told the officer that you were not one of them? He said in the station house? when the man in the station house said, "Are you sure that boy knocked you down?" he said he did not know who knocked him down. After denying it in the station house he said in the police court I had my hand in his pocket. Did you have your hand in his pocket? No sir. I was standing there looking on, I did not touch the man. Did the officer ask you on the way to the station house who the other boys were? Yes sir. I told him I did not know who they were at all. I did not tell him that morning that Brady was one of them. I saw the complainant shoved down, he was not knocked down. I don't know who it was shoved him. I was just beside them walking down. As soon as they got him down I don't know what they did to him; the policeman came there and grabbed me. I was just beside the man who was knocked down. I was just coming from the bath at 27th street. The jury rendered a verdict of guilty of assault against Bowe.
