PEOPLE ON MY COMPLAINT,  
VERSUS

Charles H. Seney

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. So far as I can ascertain the defendant has hitherto borne an excellent reputation, and has never been implicated in any other criminal transaction. Although he obtained from me a large sum of money he has promised to make good to the full extent of his ability the loss I sustained by reason of his acts, and I am willing and recommend that upon his plea of guilty to the offense to which he is charged judgment be suspended so long as he shall continue to lead an honest life.
