Convicted of Manslaughter, in the Second Degree. The prisoner Your Honor is a man of excellent character, a hard working, sober, industrious man and in our estimation a man of good temper. Therefore your Honor asking this request, is we think, a duty on our part and through our sympathy for the prisoner. He leaves three small children, the oldest being four years old, and all depending on his friends for support.

We hope your Honors good nature and good heart, we hope our request will be granted.

Your Honor Recorder
Hear Sir

I am convicted as your Honor
is aware of manslaughter in
the 2nd degree. And as I am
going before your Honor for
Sentence. I would ask your
Honor to please suspend Sentence
if it lays within your power.

For I can assure you, your
Honor. The evidence given against
me is all malice on the part of
my brother-in-law every word
your Honor. he says is a false-
hood when he says he frequently
saw marks of violence on my
wife. I defy him, your Honor to
bring proof to his assertions for
me and my wife all always lived

0796

happily together. which can be
proved Your Honor By everybody
that knows me. Your Honor
he has stopped with me over 5
years my wife could not get
him to do any work and I
have told him, again, and again
to get work or leave. When I
would go to ~~my~~ work he
would tell my wife he would
get satisfaction before I died
And Your Honor sorry am I to
say he got an opportunity.
He is an Ex-convict. And on
the 20th of last month as I
am informed he told his own
step-mother he would hang
me if he could or if I was
discharged. he would blow my
brains out. Your Honor if
you was standing beside
me the evening, my wife was

shot I am sure Your Honor
would agree with me that,
that pistol could not be hand-
led any more careful. So
therefore, your Honor appeal
to you if possible to please
suspend sentence. It is the
first time I have been arrested
and the fact of me having 3
small children the oldest
5 years and the youngest 1
year of age. Your Honor the
reason I write this note to
you is because I am led to
believe that before passing
sentence. the prisoner is asked
what he has to say. Now Your
Honor believe me by the word
of a Gentleman if I was asked
that question I could not answer
5 words without breaking down
So therefore Your Honor

0397

I hope my request will be
granted. And if arrested
again, Gov. Loring can provide
me for both crimes. for I am
sure that my government would
kill me. for Gov. Loring
believe me I feel bad enough
for the loss of my poor wife

He then pulled out a revolver and said to me "I'll put that into someone tonight." I thought then to take the revolver from him telling him to have peace and stay in the house and quit—at that time he drew the revolver and said "You go away from me" and seemed wildly and fixed at me. I could not tell whether it was intentional or not. I screamed and ran into the hall and said "I'm shot for God sake someone go for a doctor. Dr. Mr. J. D. Mussemer being sworn, says:
 On September 12th 1884 at the Morgue
 I made an autopsy on the body
 of Kate Kavanagh. I found a
 pistol shot wound two inches to
 the right of the median line and
 two and a half inches below the
 umbilicus. After passing through the
 abdominal walls the ball perforated
 the Colon (large intestine) and was
 found by me at the junction of the
 last lumbar vertebrae and Sacrum
 adjoining the spinal column and
 imbedded in the tissues immediately to
 those parts. The abdomen was filled
 with fourteen ounces of clots and
 blood. General Septic Peritonitis resulting
 from the pistol shot wound and the foci
 which ran from the intestine into the
 abdominal cavity. There was oedema
 and congestion of the lungs. Brain, Heart,
 Living Kidneys, Spleen, Pancreas & Stomach
 were all normal.

Death in my opinion was due

Dear sir

In compliance with your request I have made a personal inquiry into the case of James Kneagh, a prisoner in the Penitentiary who has made application for the remission of the fine of \$250 imposed by your honor in addition to a term of one year's imprisonment. I have had verified the statements contained in the communications of John Dr. Fort, Warden of the

Penitentiary, and G. S. Britton, Secretary of the Department of Public Charities and Correction, accompanying the affidavit of the applicant, James Kneagh. The officers of the Penitentiary state that he has been an exemplary prisoner in every respect, that he performed a brave act in rescuing a drowning woman, and that they consider him a proper subject for the exercise of the power of remission of fine vested in your honor. In view of these facts, I consider the case of the prisoner, James Kneagh, a deserving one, and recommend him to the favorable consideration of the court.

Very truly yours
