FOURTH DISTRICT POLICE COURT.

THE PEOPLE
vs
MARY SCANLON.

Before
HON. G. N. HERRMAN,
POLICE JUSTICE.

Sept. 15th. 1883

Mr. Jos. Stiner for the prosecution.

Mr. Jas. D. McClelland, for the defendant.

D A V I D D. S T E V E N S the complaining witness in this
case being duly sworn, testified as follows:

Q (Mr. Stiner). Where do you reside?

A I reside No. 250 W. 43rd. Street. On the 1st. of August
I resided at 270 W. 43rd. Street--very nearly opposite the
house occupied by the defendant in this case; I am acquainted
with her only by sight. On the 1st. of August and before
the 1st. I saw fifteen or twenty persons a night going into
that house, males and females; they usually went in by
couples; I have heard conversations carried on by them; I
heard such language as dam^s sons of bitches, drunken loafer,
and all that kind of talk. I have seen girls in front of

0466

2

the house: fighting, ^{el}blaguarding, and soliciting; have seen prostitutes enter that house; I know them to be such because I have been solicited by them. I have seen those parties go into that house time after time; I have taken the trouble to watch them and some have stayed all night and some two or three hours, then come out and go in later with other men. I have seen them soliciting other men in the street and then take them to that house. I have been very much annoyed by noises emanating from that house for a month or two every night. I have made complaints to the police about it on three different occasions, and I have seen drunken people going into it and remain some for half an hour or so and some longer.

CROSS - EXAMINATION.

- Q You speak now I suppose Doctor of what transpired before the 3rd. of August?
- A Not altogether; people go in there at the rate of eight or ten per night; sometimes more, sometimes less. At times

0467

3

there has been loud noises and soliciting on the street to go to that house. That occurred before and since the 3rd. of August. I live very nearly opposite this house but cannot tell the width of the street there; I do not think it is quite as wide as this street.

Q Where have you been in your house when your attention was attracted to what you have testified to here?

A In my parlor on summer afternoons, and sitting on the stoop.

Q You say you have seen prostitutes go into that house?

A Yes sir.

Q Can you swear of your own knowledge for what purpose they went in there?

A Of course I did not see what they did in there; I do not know their names; I know that a prostitute went in there for she came to the dispensary and I have treated her for several kinds of venereal diseases, and she has told me that she contracted them from other people than her husband.

Q Are you as certain of the others as you are of her?

A No sir.

Q Can you say that the others are prostitutes of your own knowledge?

0468

4

A From their soliciting, that is all.

Defendant's counsel now objected to the portion of the evidence given by this witness in which he refers to a woman who came to be treated by him as a physician.

Q When did you see a prostitute solicit anybody in the neighborhood of these premises?

A I cannot give you the date.

Q How long was it before the 3rd. of August?

A On two or three occasions; I cannot give you the date exactly; it was possibly a walk in the evening about 10 O'clock while I was going down 43rd. Street on the North side ; on the same side which this house is located--two or three doors from this house, and I was accosted by this woman whom I did not know, but I had seen her before. I did not speak with her before that, and I did not accompany her.

Q Did you ever hear her in conversation with any other person?

A Yes, two or three weeks before, corner of 7th. Avenue and 43rd. Street about a block away from Mrs. Scanlon's.

Q How long before that was it, the last occurrence you describe, that you saw a woman soliciting anybody?

0469

5

A It might have been a week, or a month; I was on the block; I cannot exactly tell you where. I was solicited at the time.

Q At any other time?

A Yes, she solicited me; I might have been solicited on several occasions; It may be three and it might have been several; I cannot give you the girl's name; I do not know who she is; I never saw her in Mrs. Scanlon's house; I am certain I was solicited three times, and I might have been more.

Q You have described a solicitation now; -- when did that occur

A It occurred as described before the 3rd. of August; it might have been a week or longer, and I have been solicited since then.

Q Don't you know that along that block in the immediate neighborhood of these premises there are houses occupied and maintained for the purpose of assignation; where men and women resort for the purpose of prostitution?

Counsel for the people objects to this question as immaterial, irrelevant, and that it has nothing to do with the defendant.

0470

6

Q Is this your signature to the complaint?

A Yes sir.

Q Was that read over to you before you signed it?

A Yes sir.

Q You never sign your name to anything unless you know what your signing?

A I do not intend to.

Q There is nothing in that complaint that you did not mean to sign your name to, is there? If there is point it out?

A I will let it go as it is; I am satisfied with it; I scratched a part out and then I signed it.

Q You were very careful that you would not sign your name to anything that was not just so?

A I have reason to be so.

Defendant's counsel now read the complaint over carefully to the witness, pointing out from time to time the erasures both in lead pencil and in ink.

Q You struck out the word "dancing?"

A Yes that is marked out in ink; I never saw them dancing; "whore" is struck out in ink too, but that and prostitute go under the same head. After an explanation from the

0471

7

Clerk I signed my name to the complaint as it is, except the ink marks.

Q Point out to me in any portion of your complaint where there is a single charge made by you that there was a prostitute on these premises. Point out to me a single allegation of the persons or a prostitute on these premises before the 3rd. of August. (Showing witness the complaint).

A I signed my name to a house of prostitution.

Q Is that your only answer, Doctor?

A Yes, that covers the ground.

Q (Redirect). What do you mean by saying you heard noises and saw soliciting before the third? Do you mean before the 3rd. of August, or upon the third occasion that you refer to?

A Before the 3rd. of August; I was solicited after the 3rd. of August.

Q When you made this complaint did you tell the Clerk of the Court that there were prostitutes visiting that house?

A Yes.

Question objected to on the ground that the complaint speaks for itself.

0472

8

Q Do you know that before the 3rd. of August there were prostitutes frequenting that house?

A Yes sir.

Q And did the people who solicited you go into that house?

A Yes, and they asked me to go there.

Q Have you been disturbed frequently by noises and shouts from that house?

A Frequently, during the warm weather.

Q Have you been awakened from your slumbers by noises from this house?

A Yes sir; several times.

Q (Re-cross). When was the last time?

A I could not tell you.

Q When was the first time?

A I could not tell you that; it was during the warm weather-- on several occasions in the night time.

Q Did you ever see anybody drunk on those premises?
drinking

A I saw them ~~drunk~~ on the stoop, but I do not know what they were drinking; I saw people ejected from the house; I saw quarreling in the hallway. I will swear I was disturbed twice, but I cannot give you the day or date. I know that

0473

9

during the warm weather I was awakened several times before the 3rd. of August; It might have been a month, and it might have been four months.

Q Then this disturbance that you complain of occurred about that time?

A Yes sir; during the month some time.

CORNELIUS GREENLEAF, Jr., a witness called by the people and sworn, testified as follows:

I resided at 270 West 43rd. Street the time the complaint was made--right across the street from this house. I know the alleged proprietress of this house. (prisoner) I have been disturbed by noises coming from there so that we could not sit upon our own stoop. I have seen two and three people going in at a time, staying fifteen or twenty minutes and then coming out. I have heard all kinds of bad language coming from there. I have heard talking about the price of going in there. I have seen people going in there night after night. I have been solicited

0474

10

by almost every woman that went into that house. This lady herself solicited me twice; I was standing there and she stepped up to me and said "Hello ! I am going down to get some oysters; come along!" and I said "No, I don't care about any" and she said "Will you be here when I come back" and I said "I might be", and when she came back I was standing there, and she said "Come to the house" and I said "Where is the house?" and she said "205, the first frame house up the street." I thought to myself we have things very handy here. Then again I was solicited by the same person at 43rd. Street and 7th. Avenue when she handed me one of her cards. I asked her how much she wanted, and she said "two dollars." I have been solicited by others that I have seen going in and out of there. I am a married man and have a wife and mother-in-law. I have been disturbed by noises emanating from that house. I have been up till twelve O'clock at night.

0475

II

CROSS-EXAMINATION.

Q You have been up to twelve o'clock at night?

A Yes, sitting at my window and enjoying a smoke; I sat there on purpose. I know we would make a complaint about this place and I wanted something to prove it. My wife was in the room asleep at the time. I live in the same house with Dr. Stevens. We occupy the whole of it together. I have been disturbed on two or three occasions. My wife and I occupy the front room on the third floor, and the Doctor occupies the second floor. There was one occasion when I was disturbed---I think it was the last part of July or August, and also a little while before that. I have been disturbed several times, but I cannot give you the day or night.

Q Do you know any of these women that you call prostitutes.

A I do not know them personally; I have seen them going in and out of the house.

Q Do you know that any of them ever went into that house for the purpose of prostitution?

0476

12

- A Yes, Mrs. Robinson; she asked me to go in there for that purpose. I was never in the house myself.
- Q Did she occupy any part of the premises kept by Mrs. Scanlon?
- A I guess she boarded there; she told me so.
- Q These conversations you had with her were outside of Mrs. Scanlon's premises?
- A Yes sir; about a block and a half away; I had another conversation with another woman at 43rd. St., and 7th. Ave.
- Q Now on the occasion that you speak about when Mrs. Scanlon solicited you, as you testified to, you waited there, did you not?
- A I was standing on the corner.
- Q You were waiting there to be solicited?
- A Oh! no; it was a very warm evening and I went out of the house to get a glass of beer, which I thought I would enjoy very well; I got it, and met a friend of mine and he treated to a segar, and we stayed on the corner smoking our segars.
- Q Now I will ask you this question, Mr. Greenleaf;-- Isn't it a fact, sir, that there are houses located on the North side of 43rd. Street in the immediate locality of Mrs. Scanlon's that are known as houses of assignation and prostitution, to which women that you have spoken of here as soliciting you, take men?

0477

13

Question objected to as irrelevant and
nothing to do with the case in question.

Q Have you ever heard any such talk coming from the locality
of the houses adjacent to the house occupied by Mrs.
Scanlon?

Question objected to as irrelevant.

Q You are not living in that locality now, are you?

A I have moved a few doors away from there so as not to have
it under my nose.

Q You testified that you were disturbed on two occasions?

A I can swear to two.

Q When was it and how long before Mrs. Scanlon solicited you
that you claim you were disturbed by these noises?

A It must have been a month or six weeks.

Q How can you now fix the time, and you could not do it when
I asked you before?

A I have been disturbed, but I did not know what kind of a place
house it was, but when she solicited me then I found out.

Q You testified a short time ago that you could not tell

0478

I4

how long before the 3rd . of August it was that you were disturbed by noises coming from Mrs. Scanlon's house?

A I could not get at the date exactly.

Q Now you testified in answer to a question that it was a month or six weeks before this woman solicited you that you were disturbed; now how do you reconcile the statement that you made a little while ago and the statement you now make in fixing the time?

A I will explain to you: I was disturbed from four to six weeks before the time I named, but I did not know what kind of a house it was until this lady solicited me.

Q You know the time you were disturbed?

A Yes, it was about six weeks or somewhere around that time.

Q What did you mean in your prior statement that you said you did not know what time it was when you were disturbed?

A I misunderstood you; I heard noises there.

Q Do I understand you to say that you claim now that you misunderstood me in the earlier part of your examination?

A It must have been; I could not have understood you, I think.

0479

15

T H O M A S J. R U D E L L a witness called by the people and sworn, testified as follows:

I reside at No. 267 West 43rd. Street next door to the premises complained of; I resided there two years ago last May; I think Mrs Scanlon came about the first week in May to the best of my knowledge and belief. I have seen people visiting the house occupied by Mrs. Scanlon,--men and women-- but I did not know who they were. I have heard noises there frequently. It seemed to me like quarreling, and I have heard swearing.

Q Have you seen people enter that house, and if so, what conversation did you hear take place between the males and females?

A I have seen males and females enter there frequently, and I have overheard the rimbling of voices.

Q Have you and your family been disturbed?

A Frequently; almost every night before the third of August; we were disturbed the whole month of June and July; I have complained to my neighbors about it; I have seen soliciting upon the street, and I have seen those people enter that house upon several occasions during the two months.

0480

16

CROSS-EXAMINATION.

Q You say that a rumbling of voices was heard by you, but you did not hear what was said distinctly?

A I could not swear as to what was said.

Q And those are the occasions you speak of?

A I spoke of the occasions in the months of June and July because I live next door and I have been more annoyed than anyone else; there is a slight partition between the two houses.

Q Did you ever see any solicitation on the premises of Mrs. Scanlon?

A I have heard the blinds rattle when men passed; I will tell you what I heard-- I suppose it was to attract the attention of persons passing by.

Q You are not reckless enough to swear that those people were doing it for the purpose of solicitation?

A It is a matter of belief, a matter of faith almost.

Q It is not a matter that you would swear to except as to your knowledge and belief?

A That is all.

0481

17

Q Are there any in that immediate locality, and adjoining, and on the very block where your house is located and where the house is occupied by Mrs. Scanlon, houses of prostitution and assignation, to which women who solicit on that street take men for the purpose of prostitution?

Question objected to by the people for the reason that we have nothing to do with any other premises on that block.

J O H N W. D E I D R I C H S I E N a witness called by the people and sworn.

I reside No. 268 West 43rd. Street, obliquely from the house occupied by Mrs. Scanlon. I am a married man and have a family of children. I only know the defendant by sight; I have seen her in the house, No. 265, since the 1st. of May.

Q During the time that this lady has occupied that house and up to the 3rd. of August have you been disturbed by any noises emanating from that house?

A I have sir.

0482

18

Q Has your family complained of it to you?

A Yes sir.

Q What were the noises from that house?

A Bad language and quarreling on a number of occasions; in the months of June and July.

Q Do you know of your own knowledge what class of people visit this house?

A Well I should call them prostitutes to the best of my knowledge; I have been solicited by them.

Q Have they entered this house?

A Yes sir; I have seen them naked in the window and that is the reason the neighbors made a complaint; I was solicited on one occasion.

Q Have you seen the party who solicited you go into the house upon more than one occasion?

A Almost every day with different men. I have seen her going in eight or nine times a night, and each time with a different man. I have seen women at the window in a nude state in the latter part of July before this complaint was made.

Q And the noises that you say emanated from there, did they disturb your family to such a degree as to wake them from their slumbers?

0483

18

A Yes sir.

C R O S S - E X A M I N A T I O N .

Q When was your family disturbed last?

A In the latter part of July.

Q How long before that was the other disturbance?

A Well in the latter part of June and July and that is the reason I got the neighbors together to make a complaint. We were disturbed on more than that occasion.

Q Do you know of houses of illfame resorted to by men and women for the purposes of fornication adjoining the premises occupied by Mrs. Scanlon?

Question objected to by the prosecution.

Q Then, as I understand you, the substance of your testimony about these noises is that on three occasions you were disturbed?

A I was disturbed on a number of occasions.

Q Did you ever hear any foul or filthy language from any of the other houses in that neighborhood?

0484

20

A No sir.

J O H N H. R O H R S a witness called by the people and sworn.

I reside at No. 274 West 43rd. Street exactly opposite the premises occupied by Mrs. Scanlon. I have lived there about eleven years. I have known Mrs. Scanlon to reside there until the 1st. of May; I have heard noises on more than seven occasions from that place since she occupied it; I heard a great deal of lewd talk. I go to bed early in the evening and I was awakened by the noises. From the nature of the house I am under the belief that it came from there. I have seen both males and females visiting her house. I know their reputation and I was solicited by them to go into the house and have a good time for the price of \$1.00 ---

Q On how many occasions?

A On three occasions that I distinctly remember.

Q Have you seen those people before you were solicited enter that house?

A Yes sir; before and after; alone, and in company with different men.

0485

21

Q Has your family complained to you about the character of this place?

A Yes sir; they have.

CROSS - EXAMINATION.

Q When did you learn for the first time that these premises were regarded as a bawdy house, or lewd house of fornication?

A About a month after they moved there; I do not know the exact time.

Q Wasn't it after Mr. Greenleaf and the other people commenced to speak about their attention being called to it?

A My attention was called to it because I have known her to keep a house on 7th. Avenue and she was put out of there. I recognized her as a woman that I knew by reputation---she kept a bad house.

Q Now if Mrs. Scanlon had not been there would you suppose it was a house of that character?

Question objected to.

0486

22

Q You complained, as I said, of the disturbance to your family and of the noises which were there?

A Yes sir; I have seen men and women going in there and undress themselves, and afterwards come down stairs.

The case was now adjourned until the 22nd. inst. at half past two o'clock.

The defendant was paroled in charge of her counsel.

Defendant's counsel said he would

waive the matter of the wit-

nesses coming to sign

their testimony as the

case is a

misdemeanor.
