Dear Sir:-

I am informed that yesterday a person representing himself as coming from the Mayor's office, verbally stated in the Aqueduct Commissioners' office that it was the Mayor's desire that a vacation be granted by the heads of Departments to such employees as are members of the Grand Army of the Republic for the purpose of attending the Encampment in Philadelphia next week, providing their work can be so arranged that the City's interests will not suffer.

Will you please let me know to what extent my information is correct?
