Issy H. Allen 1st Dist. Police Court
The Complaining Witness on Dec 13/83 was
Cross-Examination (continued) by Mr. Allen

The doors leading from the sidewalk to the entrance of the house are double doors & it would be necessary to go through double doors & three other doors before you ^{could} get to my rooms - thro' the front doors & the front and back basement doors - there is a front & back basement door - there is no door from the hall in the rear of the house - only the back basement door leading to the yard. I got this cross from my husband to whom I was married on the 14th February 1878 at St. Louis. I never was in Theodore Allen's in Bleeker St. and I don't know Allen. I looked at the clock when I got out of the bedroom - after they left - they were in the room about 15 minutes. I was awakened by them opening a door. I never saw Porter or any of the other men before that night.

0732

I couldn't recognize anyone but Porter. I saw him the Thursday or Friday after the robbery - I think it was Friday afternoon on the Elevated Cars. The robbery was committed on Wednesday or some day of the week - it was the same week of the robbery when I met him on the Elevated Road - I was going uptown. I got in at the City Hall & don't know whether he got in at Houston Street or Chatham Street - he was in the same car as me. I pointed him out to my husband as the man who robbed me. I can't be more precise about the day but I remember being with my husband - it was between one & four o'clock in the afternoon. I was going home at the time to No. 407 East 98th Street - there were two others with Porter - I would not be able to recognize them if I saw them again. I lost sight of Porter at 106 Street where he got off.

(2)

0733

he ran through the arch-way away from us. I know it was not the next day & I can't say whether it was the day after that. I can't say whether it was two days after the robbery - or three or four days or five days - it was the Friday after the robbery was committed. My husband came home at 1/4 to 5 o'clock the morning after the robbery. It was a quarter to 5 or a 1/4 past 5 o'clock. I saw him after the robbery which was committed at 15 minutes after 4 o'clock. The housekeeper was in the room when my husband came home. She was living in the rooms under me - I can't say whether she lives now. I haven't seen her since. I told my husband I told her about the robbery. I saw Porter on the Friday after the robbery. & saw him again after he was arrested. He wasn't pointed out to me. The reason I

(3)

0734

am able to recognize Porter and not the others. is because he was the one that held my eyes and mouth and told me if I didn't keep quiet he would kill me. I only saw the backs of the others. One of the three men demanded my Cross. but I am not sure w^hich of them it was. There was no light in my room but there was one in the parlor - the ~~door~~ door leading from the bed room to the parlor was opened. & a jet was lit. It is a chandelier which hangs in the center of the room - it was turned down but not low.

The above is a correct copy of evidence taken in the above matter on Dec 13/83.

I got a pint of beer - had no company in the house at the time, nor that night at all. I drank one glass of that beer - I drank nothing else. My husband's name is Daniel Waldron - he is a theatrical man. He came home that morning - the 30th of May at 15 minutes of 5 o'clock. I was at the window when he came home, waiting to tell him of the robbery. My husband usually came home between 12 and 1 o'clock. I expected him that night at 12 o'clock - had no information he was not to come home until 5 o'clock in the morning. Shortly after I retired I went to sleep & was awakened on hearing my bedroom door closed. I locked all the doors, before retiring, to my bedroom & all the hall doors & the front door. It was the back

bedroom door I heard opened - they came through the kitchen - the two store-rooms & into my bedroom - they would have to open two doors to get to my bed room. I was awakened ~~about~~ between 3 & 4 o'clock in the morning of the 30th of May - there was a creak in the parlor. I saw the door open & close twice. The door opened from the bed & I asked who was there & a voice answered "it's me!" I didn't recognize the voice. I jumped out of bed - threw my hands up & screamed - then that man, the defendant here, came into the room with a pair of pistols in his hands & he caught me by the eyes & mouth and smothered my screams - threw me on the bed & told me if I didn't keep quiet he would kill me. Then I heard some one else coming in the room. There was then a man put to guard me & held me in the bed with my face yet covered. ~~while~~ they went in the parlor two did & looked through every thing in there, then came back to my bedroom. They took a purse from the wash stand drawer & demanded my diamonds

0738

Cross. During this time I pulled the clothes from off my head & saw the three men. I denied having the cross. I said "my husband had it. Some one of them said "No, you have it in your underwear. They then searched for it, found it & tore it off my person. After that one said to go under the pillow & get the money - which they got. Then one said "bys, put on your shoes. They waited a moment & one said to guard me & if I moved to finish & race I waited until I was satisfied they were gone & I got up & went into the parlor. Looked at the clock and it was 4.15 A.M. I then gave an alarm to the house-keeper who remained with me until I went home. I am sure this defendant was one of the men who came into the room on that morning. I positively identify him as one of them. He had on dark clothes and a derby hat. I had this diamond cross about 5 years. Sometimes I wore it & sometimes my husband did & some times I put it away. It was in my possession two months before this time & I saw it day after day during those

0739

two months. I wore the cross on my neck
 & sometimes I had it pinned in my undergarment.
 Before the 30th of May I used to wear it occasi-
 onally in my underclothing. I was out on
 the 29th of May & on the 28th of May and
 wore the pin on both occasions. I was
 killed between 3rd & 4th o'clock on the
 30th of May. I was at West Farms on
 Sunday the 28th of May & had it on my neck
 & wore it there also on Monday the 29th.
 On Tuesday the 30th of May I don't think I wore
 it all. I don't think I had it. I am positive
 the robbery occurred on the 30th of May
 1883. I know I didn't have it on Tuesday
 the 30th of May. I put it in my breast.
