COURT OF GENERAL SESSIONS, PART III.

The People of the State of New York, " BEFORE

against

" Hon. Rufus B. Cowing

" James Gaghan, Timothy Sullivan, and "

" and a Jury.

" John Woodruff. "

Indictment filed May 9, 1890.

Indicted for Robbery in the first degree.

New York, June 17, 1890.

Appearances, for the People, Assistant District
Attorney John W. Hoff.

For the defendants, Mr. E. H. Friend.

ROBERT RIVERIN, a witness for the People, sworn, testified:

I belong in Scotland. I came ashore from my ship
on the 30th of April last. I am a sailor on board the
ship Brackadale, and she was lying at Pier 9, East River.
I slept on the 30th of April, in No. 41 Oak St. I am an
entire stranger in this city and I do not know the names of
any of the streets. At about five o'clock on the afternoon
of the 30th I was walking in the street and noticed these
three men following me, suddenly one of them pounced on me
and getting his arm under my throat, knocking me against the
wall, rifled my pockets; the other two stood one on each
side of me. I had \$1.66 in money in my pocket at the time
I was robbed and every cent of that was taken. I am certain
I had this amount of money in my pocket as I had occasion to
use a small sum of money in a liquor store about ten minutes

before this happened. At the time I was caught and struck by these men in the way I have stated I was unable to do anything. They knocked me up against the fence and held me there while one of them went through my pockets. After they had treated me in this manner they all walked away. This happened in broad daylight at five o'clock in the afternoon. At the station house I identified the three men who are now on trial. I was asked in the station house if I could recognize the men and immediately stated that these were the three men. These men stated that they did not do it and I had no further conversation with them.

CROSS EXAMINATION:

I was five months working on board of this ship; we had just returned from Calcutta. Just previous to leaving the ship I was paid off. I had spent most of my money around the city before I met the defendants. I had never seen these men before, but had a good opportunity to observe them while they were going through my pockets.

Q Is it not a fact that you did not know you had been robbed until the officer told you?

A No, sir.

Q Do you remember the officer telling you that you had been robbed?

A I know that the officer did not tell me.

Q You knew that you had been robbed?

A Yes, sir.

Q Weere you not in a liquor store directly opposite the place where this occurred?

A No, sir; I was not.

**POOR QUALITY

0015

Q Didn't the officer tell you he would send you on the island if you did not make a complaint?

A No, sir; the officer said nothing to me.

Q Didn't the officer arrest you at the same time he arrested the three defendants?

A Yes, sir; he brought us all to the station house together.

JOHN J. GALLAGHER, a witness for the People, sworn, testified:

I am a police officer attached to the Fourth Precinct. I reside at No. 40 Oak St. in this city. On the afternoon of the 30th of April I was in my own house waiting for my supper. I was looking out of the window and I saw the transaction related by the last witness take place in front of No. 41 Oak St. I saw the three prisoners walking down the street after the complainant; I saw them turn around and push Beverly up against the fence right off from the corner; I saw the defendant Sullivan catch hold of the complainant by the throat, and one of the other men went through his pockets. After they had done this they walked away. I waited till they had got through, and then I ran out of the house and walked up two blocks after them, and with the assistance of another officer, arrested the three men. I also took the complainant to the station house.

I was in citizen's clothes and was not on duty when this occurred. The complainant, Mr. Beverly, told me that he had been robbed. When we arrived at the station house, the complainant positively identified the three defendants as the men who had robbed him. The defendants said that they did not know the man and had never seen him before.

**POOR QUALITY
ORIGINAL**

00 15

The complainant made two different statements in the station house. First off he said it was ninety cents he had, and afterwards he said it was \$1.40. I searched the three defendants, and on the person of Gaghan I found a penknife, and \$1.30; the money was made up of a silver dollar, three quarters and a five cent piece. I found one quarter in the pocket of the complainant, and it was similar to the three quarters found on the defendant Gaghan.

CROSS EXAMINATION.

Q How long have you been a police officer?

A Four years.

Q Do you know that this dollar found on Gaghan is a counterfeit?

A No, sir.

Q What did you do when you came out of your house to arrest the defendants?

A I went over to Mr. Beverly and asked him what these men had done to him, he told me they had robbed him. I then went and got a citizen to hold the complainant until I went and arrested the defendants. I am positive I saw the whole of this occurrence from my own window.

Q Weren't you sure that you saw the man robbed?

A Certainly.

Q Then why did you ask the complainant what the men had done to him?

A I wanted to have more evidence.

Q Is it not true that you went up to this man Beverly and said, "You have been robbed"?

A No, sir.

**POOR QUALITY
ORIGINAL**

0017

Q Is it not true that the man at the man at the same time said, "No, I was not robbed"?

A No, sir.

Q Is it not true that you said to this complainant, "If you do not make this complaint I will send you on the island?"

A No, sir.

Q No such conversation took place?

A No, sir.

Q What took place in the station house?

A I told the captain what I had seen while looking out of my window, and then the captain made me search the defendants and also search Mr. Beverly. The captain remarked that the silver dollar which I found was a counterfeit, and the complainant said he had got it as change in a saloon.

D E F E N D E N T .

TIMOTHY SULLIVAN, one of the defendants, sworn, testified:

I served a term of two years in State Prison for assault in the second degree. I went to prison on the 14th day of August, 1888. I remember the afternoon of the 30th of April. On that afternoon myself and Gaghan were in a barber shop in Roosevelt St.; Gaghan had two trade dollars in his pocket, both being counterfeit money, and the barber gave Gaghan eighty cents change. We went out and as we were walking down Oak St. we met Woodruff, and three doors from the corner of James St. we met the complainant. He accosted us and asked us if we would be kind enough to loan him two cents as he wanted to get a drink. He showed us three cents which he had in his pocket, and Gaghan handed him two pennies. The man walked into the saloon, and we waited outside. Then the four of us walked leisurely along

Oak St. and just as we got to the corner of Cherry three officers came up and arrested us. We were taken to the station house and locked up. In the station house the officer told the complainant that if he did not make a complaint he would have his sent to the island. The complainant denied in the station house that he had been knocked down and robbed but said he had lost forty cents which he had in his pocket. We were all searched and nothing was found upon me, but one of the counterfeit dollars was found in Gaghan's pocket. I did not rob this man, nor did I have anything to do with taking any money from him. The statement that I have made is the truth.

CROSS EXAMINATION:

I left State Prison on April 14, 1890. Since then I have been endeavoring to get work along shore and in other places. On this afternoon I was on my way to the Long Island Railroad depot at the foot of James Street to try and get work there. I met Gaghan as I was walking down Oak St. and we went into this barber shop together. I had been walking all around the city that day in search of employment. I was told that if I went to the freight agent of the Long Island Railroad at the foot of James St. I would get work. I have never been arrested for robbing anyone before.

JOHN WOODRUFF, one of the defendants, sworn, testified:

On the 30th of April, I was living at No. 472 Pearl St. I left my house that afternoon to go to look for work at the corner of Rutgers and Cherry St. As I was walking through Oak St. I met the two defendants. We walked together down Oak St. and were stopped by the ^{compell.} defendant who

**POOR QUALITY

said, "Boys, will you give me two cents, I was drunk last night and I feel sick now and I would like to get a drink?" Gaghan gave him the two cents and he went into the saloon. He came out again, and we walked down to Cherry St. On the way down Mr. Sullivan told me that he was going to the Long Island Railroad Depot to secure employment. I said I would go with him, and it was while we were on our way there that we were arrested by the officer. We were taken to the station house, and while we were there I heard the officer say to the complainant, "If you don't make a charge against these men, I will send you to the island." I heard the officer ask him if we had knocked him down and robbed him, and he said, "No, but I lost forty cents." Then the captain of the station house asked the complainant the same question and he replied that he had not been robbed. I did not have anything to do with robbing this man. I have never been arrested for stealing anything in my life.

CROSS EXAMINATION:

I went to District School No. 3 on Staten Island when a boy. My relatives all live in Massachusetts. I have not been living with my parents in some years. I have recited the story which I have told here to-day to myself at different times since I have been arrested. What I have said here on the stand is the truth.

EDWARD CARPENTER, a witness for the People, in rebuttal, sworn, testified:

Were you in the station house on the 30th of April,

**POOR QUALITY
ORIGINAL**

0020

when these prisoners were brought before you?

A Yes, sir.

Q Were you there when Officer Gallagher brought in the prisoners and the complainant, John Beverly.

A Yes, sir.

Q Did you hear the complainant, John Beverly, say in answer to a question put by Gallagher, that he was not robbed because he had nothing to lose, and did not want to make a complaint against these men?

A No, sir; he made no such remark.

Q Did you hear Officer Gallagher say, "You will have to make a complaint against these men or I will send you to the island?"

A No, sir.

Q Did you see the Officer Gallagher take hold of the complainant and hold him up, in the way I indicate, and say, "This is the way these men held him up."

A I don't remember that.

CROSS EXAMINATION:

Q You won't swear that he did not?

A No, sir; I will not be positive on that point?

Q You do not remember that?

A No, sir. I am positive that Officer Gallagher did not say he would have this man sent to the island.

The jury returned a verdict of guilty of robbery in the first degree.

Dear Sir — This is a true statement of my
case. I met my friend James George (a
John George) we were walking down Oak St
we met him on Oak St. 3 days from corner
of James St. he stopped and said he was very
poor as he had no money and all the money
he had left was 3 cents he wished to know if we
would not be kind enough to let him have two
cents as he was badly in need of a drink. he
put his hands in his pockets to take out the
3 cents and in doing so let them fall out
suddenly my friend James George took the 2
cents and he himself in the side street he added
two cents more and put it in his pocket and
the man thanked him for the 2 cents and went in
to a liquor store to get a drink. we walked to
the corner of Oak St. and walked down Oak
St. to the corner of Cherry St. and reached a
that corner is a few minutes when a officer was
across the street and arrested us they walked us
back to the liquor store where he found this man
telling him that this man had stolen his money. Str
you have been robbed. and I want you to make
a charge against this man of robbery. the man
told the officer that he had not been robbed for
he had nothing to be robbed of. the officer told him
he was (a liar) and if he did not make a charge
of robbery against us he would send him to
prison for 3 months. he told us to go to the
corner of the coat. forced him to go to the station
house. but this man was walking on all the
way to the station house. to make a charge
or he would send him to prison. when we
entered the station house the officer told the
captain that we three men knock this man down
in Oak St. and robbed him. I ask the man in
presence of the captain if he had been knocked
down and robbed he said no he had not
been knock down and robbed but that he lost
20 cents. the captain asked the officer to show
him in what position we held the man
while robbing him. the officer caught hold of

POOR QUALITY
ORIGINAL

0024

the man by both wrists and held his arms
over his head then the captain gave orders to
have us searched. I had nothing. one of my
friends had \$1.80 cents in his pocket, he had
a 1 dollar piece 3-25 cent pieces and a 5 cent
piece. remember all the man said he lost was
40 cents and they could not make 40 cents
out of 3-25 cent pieces and a 5 cent piece
a dollar piece. I thought that was his
change was serious and so in Police Court
next morning he said he robbed the man of 40 cents
and instead of saying that we held the man's arms
over his head while robbing him he says that I put
behind him put my arm around his neck and
choke him while the other two men robbed his
pockets. remember this man said he only lost 40 cents
in the station house, but when he saw my friend had
\$1.80 cents he thought it was only \$1.40 cents. I am
dead today. These two men say that they are both
swearing falsely still they positively say that all
this is true and what chance have I got to prove
my innocence with two men who knowingly
are falsely swearing my life away. This was
supposed to happen in broad day light between
the hours of 4:30 and 5 o'clock in the open
street in a thickly populated street and the officer
cannot find another eye witness that saw
this but himself. Just imagine a man
being held up and robbed by 3 men in the open
street in broad day light and not another
living soul to this. But this officer who was not
on duty at the time but on his own. This robbery
from his own private window where he lives.
this is a true statement so help me
God. but if it is god's will that I must go to
Sing Sing. I hope that you will call and
see me before I go. Yours Respectfully
Timothy Sullivan Cell 5712

Hon^d & Dear Sir

I had the pleasure
yesterday, of writing to you,
at the request of Mrs Eckhoffner
in behalf of Timothy Sullivan.

To day I have had,
incidentally (and may I
not hope, providentially) an
unexpected and minute
corroboration of his story.

Rev. Mr Morgan, a visiting
chaplain here and at Wallow,
specially requested me to
see certain men in whom he
was interested. One of them
was John Woodruff. I asked
him to give me a brief state-
ment of his case. To my
surprise he gave me a

statement exactly corresponding with that of Sullivan. I did not know when I saw him that he was one of the two men associated with Sullivan. I feel confident that if you could give these two men a full and separate hearing, you would feel impressed with the truthfulness of their story. I have not seen the other man yet. I understand that he was of bad character. I promised to ask in behalf of Woodruff if you cannot do anything better, to send him to Elmira. But may I not venture to ask in your clemency to give them a new trial or a suspended sentence?

Their story this morning, without opportunity of collusion, minutely agreed as to what was testified by their accuser at the Police Station. In several important points his testimony was not only contradictory but absurd. With great respect

vs.

William Lawlor.

City and County of New York, ss:

John Kilminster being duly sworn says that he resides in 28 Magajine Street in the City of Newark, New Jersey and is an engineer, machinist and tool maker.

That he has worked for and been in the employ of the Metropolitan Wire Nail Manufacturing Company of Nos 312 and 314, East 22nd Street of H. B. Schureman, Manufacturer of Axes, Hatchets and Edge Tools at Nos 8, 10, & 12, Commercial Street in the City of Newark and of E. Heebner & Sons of 94 White Street in the said City of New York who have a factory in Newark.

That he has known William Lawlor for the past seven years and said Lawlor worked with deponent learning the trade of a machinist at Otto Richter's manufact

at 315 E. 72nd Street in the City of New York, at the above named Metropolitan Wire Nail Mfg Co's factory and with said H. B. Schureman

That he worked in all about eighteen ^{with deponent} months, the last period being about a year and half ago; and deponent is informed and believes he was during half the time since away in England on account of his health.

That said Lawlor was industrious, persevering, well behaved and of good conduct while he was working for and with deponent and he was honest and of good associations

That deponent believes that he has been led away recently from the path of righteous conduct by bad associations, and that the clemency of the Court may be justly exercised in his behalf and that any leniency ^{which} may be shown him will serve to make a better and a more careful man in the future.

That from deponent's

Personal knowledge of William Lawlor he can safely say that he is not irreclaimable but that mercy may be wisely shown him.

That deponent would willingly employ him again upon the reformation of any sentence that may be imposed on him and give him steady work and keep him from evil associations.

That deponent refers to certain letters of which copies are attached to this affidavit but the originals of which are to be offered for the inspection of the Court for reference as to his own industry and reliability. ~~Sworn to~~ That deponent knows before the aunts of said Lawlor who have brought him up since he was child, he having been an orphan at four years old; and knows them to be very worthy industrious persons who are deeply pained at his present situation and offense; and

suffering from the disgrace which it brings
momentarily upon them.

That defendant is informed
and believes that they are willing
to send Lawlor to relatives in Iowa

of imprisonment which may
be imposed on him expires

His skill as a mechanic has been demonstrated in cases where fine tools and repairs have been called for from parties outside of our own factory and we cheerfully recommend him to your favorable consideration.

The only cause for his leaving our employ is the absolute closing up of the business of this Company on the above date.
