ANNUAL DINNER, 1895.

CIRCULAR No. 2.

ARRANGEMENTS HAVE BEEN MADE for holding our Annual Meeting and Anniversary Dinner at the HOTEL MAJESTIC, Central Park West, between Seventy-first and Seventy-second Streets.

THE COMMITTEE KNOW THAT ALL WHO ATTEND the Annual, but have not previously visited this very large, new, and attractive hotel, will be surprised and delighted at the magnificence of its conception and furnishings. The menu provided, we are assured, will correspond with the surroundings.

THE RESPONSES TO OUR FIRST CIRCULAR indicate that there will be a very large attendance. Those who have not yet replied are requested to do so by return mail.

IF CONVENIENT, IT WILL AID THE COMMITTEE VERY MATERIALLY to have subscribers remit at this time their subscriptions for the Dinner and for yearly Dues (\$1), 1895-6. There are now about 400 names upon our roll. It is expected that a large proportion of this membership will be present. The inclosed slip is sent at the request of the Treasurer, and will save you the trouble of writing him a letter when you send payments and contributions.

THE NAMES OF MEMBERS SUBSCRIBING will be printed on the menu.

MEMBERS OF THE ASSOCIATION ARE REQUESTED TO PROCLAIM our anniversary celebration to all who are entitled to membership with us and invite their presence.

THOSE HAVING NAMES TO PROPOSE for membership should send them to the Secretary. Membership blanks will be furnished on application.

As each year in its flight takes from us some of our beloved comrades, let us all strive, by special effort, to meet at least once each year and renew the ties of loyalty, fellowship, and love to our country and our companions who have served honorably under the flag of our honored "Old Twelfth."

THE THIRTEEN CLUB

New York, April 13th 1895

Dear Sir:

The Board of Managers of this Club at their last official meeting elected you an

Honorary
Member

thereof, bestowing upon you all the rights, franchises and privileges pertaining thereto, without any expense of any nature whatever.

Our Honorary Membership is headed by the President of the United States, and includes many Governors of States, Judges of Supreme Courts, U. S. Senators and other prominent men throughout the world.

Our object is the destruction of injurious superstitions. The history of the Club during the past thirteen years shows that we have exposed the fallacy of the myth concerning thirteen people sitting together at table, while the ridiculous prejudice attached to Friday has, to a great extent, been removed by the efforts of the Thirteen Club.

Without ostentation this has been accomplished. We ask your assistance in this good work so that by your valued help the future may show still greater results for the benefit of humanity and the elevation of human nature from the mire of superstition.

Your acceptance of the honor which we intend by our act to confer upon you is particularly desired and your earnest support anticipated.

With great regard,
