Upon my report being

the dismissal
of the indictment

Dated N. Y., April 19, 1899
Edward Gorman
Dep. District Attorney

I concur in the above
recommendation. From
the examination I have
made of the case I am
satisfied that it was a
family row in which no
considerable harm was
done the complainant
whom is right in withdrawing
all his complaint. I do
not think the people would
be warranted in occupying
the time of the Court in a
trial.

COURT OF GENERAL SESSIONS.

THE PEOPLE
vs.
JOHN LAYDEN.

REPORT.

This case was referred to me by Chief Clerk Costigan without any special instruction.

From a cursory examination of the complainant and the defendant, I have come to the opinion that the assault for which the defendant has been indicted, was an incident in a family fight, for which the one side is just as blameable as the other. The two families had lived for years peaceably together in the same tenement house, where the assault was committed, and prior thereto had not even had a wordy quarrel with each other.

A number of witnesses appeared before me to testify as to the defendant's good character. Among them was Ex-Supreme Court Judge Tappan, whose statement is annexed hereto.

The complainant himself has testified, that the defendant is a hard working, and peaceable man; that he has known him for years, and that he never had the least unpleasantness with him before. He is desirous to withdraw the charge against the defendant and has executed a "Waiver" for that purpose, which is annexed hereto.

**POOR QUALITY

In view of this fact I have not examined any ~~other~~ witnesses to the assault, except the complainant and the defendant; but from their statements it seems to me doubtful that the prosecution can be successful on the trial of the within indictment

Upon the above stated facts and considerations I hereby recommend the dismissal of the indictment herein.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. That the reasons for this petition are that the defendant and his family were living in the same house with me and my family; that we had lived peaceably together until the day mentioned in the indictment herein, when our families got into a quarrel, in the course of which the assault charged against the defendant herein was committed. That I have known the defendant as a hard working and peaceable man for the last three years, and that I never had a quarrel with him before the said day.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The reasons for this my petition is that I have known the defendant for a long time as an honest and working young man of whom I believe that the experience he has gone through in consequence of his said crime will be an ever lasting, wholesome lesson ~~to him~~ and that imprisonment in a penal institution will be rather hurtful than reformatory consequence to him. I have also known his parents and his wife for years as people of an exceptional character. I am willing to take the defendant back into my employ.
