PEOPLE ON MY COMPLAINT,  
VERSUS

Michael Donohue

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

I would add that the defendant above named has been a member of the 69th Regiment N.G.S.N.Y. for nine years and is now a member and I have further ascertained what I believe to be a fact, that he has had no uniform to perform military duty for upwards of two years, which I <sup>now</sup> know to be the case with a large number of the members of the regiment. As he has never been arrested before or been in trouble of any kind, and is a man of excellent character, I think he has been punished enough and would respectfully request the withdrawal of the complaint.
