I got to Auditorium at about

1 P.M. Sunday Feb 21, 1965

I sat along the left aisle after
walking along center aisle to about
8 rows from the front. I moved left

into an empty row + sat 3rd

seat from the left aisle. After

a while 2 men came in the row + sat
on the seats on my left. A while later

another man sat down on my right

A speaker started to speak. Another
man came in ^{the man on my right called to him} + sat to the right of
the man on my right. They said

something to each other.

2-24-65
Melcolm started to speak when
the both men on my right jumped
up & the man next to me said
"Men get your hands out of my pocket."
They then were both upon their feet
pushing the seats back. Just then
I heard ^{dangging noise like} more than one shot
ring out in front of me.

~~From~~
I ducked down, & then raised up
& couldn't see that way so I
got up higher so that I could
see. A man in front of me was
shooting at the front. ^{I saw when shooting.} The two men
on my right moved out & I
didn't see them again.

On Sunday morning 2-21-65

about 2 or a little after 2 AM -

1st saw a man hanging around

hotel, port/lobby + social lounge,

he was moving around too much as

though he didn't belong there.

Then a 2nd negro man came in

+ sat in social lounge (located in

rear by elevator) he sat down in

lounge reading a paper + looking

around. This 2nd man went to pay

phone about 5 or 6 times. As 2nd man

(2)
went to phone the 1st man would
go near phone booth + into adjacent booth
& have brief conversation with 2 man in
other booth. The 1st man I have
identified as Thomas Hayden from
numerous photo's shown me. They
would sit like they were making phone
calls then they would separate &
sit in the lounge, but at opposite
ends. They both faced the elevators
which are the only passenger elevators of
the hotel. They could observe anyone
getting on or off. About a little more
than an hour after I had 1st observed
them they both went out rear entrance
toward 7th Avenue & I could see them

(3) checking the plate numbers of
autos parked on ~~54th~~ 5^{4th} St, they were
around 6th Ave. up 53 St & around
7th Ave. covering the block. I
attended to other business & at about
7 AM I noticed Hogan on the
house phone. He was alone & then
hung up phone & walked out
near entrance on 53 St to parking
lot. I went out to the street
but he was gone.

I continued on occasion to attend the rallies, I have attended about four rallies since Malcolm returned from Europe. I arrived at the meeting at about 2:10 PM on 2-21-65 I sat in a booth (either #8 or 10) with Beatrice and Elizabeth (I think she is a secretary) because they waved to me and so I sat with them. Re: the shooting she stated she heard a commotion at about the middle of the room, a man stated, "Get your hand out of my pocket", then Malcolm said, " Hold it hold it " it seemed as though people were settling down when I heard a lot of firing I thought was firecrackers, I ducked and then after the shooting looked up and saw women running to the stage. I went to the stage, where I saw Malcolm lying wounded.

Before the shooting I saw Betty Little and her children seated in a front booth facing into the audience with Shiek Hasaan.

Report of Investigating Officer: (LIST ALL LOST OR STOLEN PROPERTY ON REVERSE SIDE)		Date of This Report March 19, 1965	

Subject: INTERVIEW OF ONE HERMAN PORTER 516 East 11 St.

1. I was seated 8 or 9 rows from the front stage on the extreme left side I usually sit in the front row with the press. I arrived at about 2.15 PM on 2-21-65 at the Audubon Ballroom. A speaker spoke and his name is Benjamin, he finished and then introduced Malcolm X. They shook hands and then Malcolm X stepped forward and greeted the crowd with "Salaam Aleichem", someone then shouted from the audience "Get your hand out of my pocket" twice. I glanced over in that direction and saw a man get to his feet crouched over. I did not get a good look at him. He was wearing dark clothes and was well built. His mouth was moving when I heard the words Get your hand out of my pocket. Shots rang out. I couldn't tell where the shots came from. It sounded like a string of firecrackers. I went down to the floor. Shots continued it seemed to be coming from all kinds of places. I looked up later and saw Malcolm X lying on the stage. After the shots and everything was over I saw a man run down the left aisle and kick a chair over. I don't think he had anything to do with it. The center was clear almost everyone had run out the rear by then. The man I saw was darkskinned I cannot say from the photos shown me that it was or was not the people in the photos.

OFFICIAL STENOGRAPHER

F E R D I N A N D C A V A L L E R O, a police officer
of the City of New York, Shield No. 409,
assigned to the 34th Squad Detectives, called as
a witness, being duly sworn, testified as follows:

BY MR. STERN:

Q Detective Cavallero, on February 26, 1965,
at about 3 o'clock in the morning, did you have an
occasion to interview a man who identified himself to
you as Norman 3X Butler, at the 34th Squad station house?

A Yes, sir, I did.

Q I direct your attention to the four
photographs on the table before you, labeled Grand Jury
Exhibits 1 through 4, and I ask you if you see a photograph
of the man who identified himself to you that day as Norman
3X Butler?

A I do.

Q Will you indicate which one it is?

A This one right here.

Q And you are indicating Grand Jury Exhibit
No. 3, is that right?

A Yes, that is correct.

Q Now, among other questions, did you ask

Norman 3X Butler whether he was a member of the Elijah Muhammad Muslim movement?

A Yes, I did.

Q What did he say?

A He replied in the affirmative. He said he was a member of the Black Muslims and that he was attached to Mosque No. 7, from the Bronx.

Q And at that time did you ask him his opinion of Malcolm X?

A Yes, sir, I did.

Q What did he say?

A He replied to me that Malcolm X was thrown out of the Black Muslims, specifically Mosque 7, and that he was a traitor to ~~ELIJAH~~ Elijah Muhammad, who was the messenger of Allah. He further embellished that Malcolm had brought disgrace upon the Black Muslims.

Q Did you ask him questions concerning the duty of obedience that he owed to the Messenger, or Elijah Muhammad?

A Yes, sir, I did. To this he replied that Elijah Muhammad is the Messenger, who receives messages from Allah, and that anyone coming under Elijah Muhammad,

specifically he, himself, would obey anything that was transported to him, which Elijah Muhammad had --

Q Commanded?

A That's a good word, yes, commanded, right.

Q In other words, in essence, detective --

A Well, in essence he stated that he would do anything at all, anything that Elijah Muhammad told him to do in the name of Allah.

Q He also told you that Elijah Muhammad had not ordered him to kill Malcolm X, is that correct?

A That is correct.

Q Now, did you ask him where he had been on February 21, 1965, that Sunday?

A Yes, sir, I did.

Q What did he tell you?

A He said that on February 21st he went to the Jacobi Hospital for an ailment to his right leg, and that he got out of the hospital sometime in the morning, whereupon he drove to buy the newspapers, and went home. He said he arrived home at approximately 1 p.m., where he stayed alone with his wife and children, and he stayed there, as a matter of fact, he said until he went to the doctor again on Thursday.

Cavallero-14

Q And did he tell you among other things that that Sunday, February 21st, he could only hobble with great pain, and could barely walk?

A Yes, sir, he did.

Q And in addition, did you ask him other questions?

A Yes, sir, I did.

Q Now, did there come a time several hours later when you had an occasion to see Norman 3X Butler -- withdrawn. Did there come a time several hours later when you saw the left leg of Norman 3X Butler?

A Yes, sir.

Q Now, will you describe what, if anything, you saw on his leftleg?

A Well, I noticed on the left leg, in the area of the shin, a very large knot, and a bad bruise.

Q Now, when Norman 3X Butler told you that he had gone to the hospital, did he tell you which leg he had gone to have treated at that time, that Sunday, February 21st?

A Yes, sir, he did.

Q Which leg did he say it was?

A The right leg.

Q Now, did you have occasion to see his right leg at the same time you saw his left leg?

A Yes, sir.

Q Will you describe what you saw on his right leg?

A On the right leg I noticed two bruises in the shin area, I would say approximately three or four inches apart.

Q And there was a swelling, is that correct, officer?

A I didn't notice too much. There was a little swelling, but the most swelling that I noticed was on the left leg.

Q And at the time you interviewed him in the station house he was wearing a bandage on his right leg, is that correct?

A That is correct.

MR. STERN: Thank you very much.

THE FOREMAN: Thank you.
