Court of General Sessions of the Peace
in and for the City and County of New York

The People }
against
Joseph Geiger }

City and County of New York ss:

Joseph Geiger being duly sworn, deposes and says, I am the defendant above named, that on January 27, 1881, I purchased from one Solomon Trichaft the lager beer saloon situated at No 372 East Houston Street in the City of New York, that on said day and after I purchased said saloon I in company with ~~Joseph~~ Jacob Newman and Henry Levy proceeded to the office of the Excise Commissioners for the purpose of making an application for a beer license for said business purchased by me as aforesaid, that said named persons accompanied me for the purpose of signing the required bond or undertaking, in such case made and provided, that ^{arriving} upon ~~at~~ the office of said Excise Commissioners I did make such said application to one of the Attaches or clerks in charge of said office, the application was made out, said sureties signed the bond, and said clerk or attachee then and there stated to me that he would present said application to the Board of Excise Commissioners, that I could go home and if a license was granted me, he, the

said clerk would at once inform me by Postal card, that relying upon said statement thus to me made by said clerk, I proceeded home to my said place of business, being under the impression that in as much I had in all respects complied with the requirements of the Statute, that I would not be troubled in my business, nor was I under the impression that I was violating the law, that from the time of making said application until my arrest herein upon a charge of violating the Excise law, I did not receive any such postal card as said clerk had agreed to send me, nor did I receive any other information either verbally or in writing that my license was ready and that I could receive the same upon calling for it.

Deponent further says, that he was arrested herein or or about March 11, 1881 and after being incarcerated several hours gave the required bail, that immediately after my release from imprisonment I proceeded to the office of the Excise Commissioners and there demanded my license from said Clerk and also informed him what had happened me, and inquired of him why I had not been notified as originally agreed upon, that he stated to me that my license was ready, that it was neglectful on the part of somebody attached to said office, in not sending me such said information, and I then and there obtained my license.

Deponent further says, that he never

was in the saloon business prior to his purchase of said saloon, that he has never been arrested upon any charge of any kind whatever, that he had no intention of violating the Excise Laws of this State nor was he under the impression that he was violating the same, and deponent alleges and charges the fact to be, that if said law has been violated, it has not been done wilfully, but owing to the fact of his not receiving such said information from the office of said Excise Commissioners as above set forth.

Wherefore, deponent prays, that in view of the facts above set forth, he asks this Honorable Court to discharge him from arrest herein by suspending Judgment in the premises, and for such relief as may seem just.
