Dear Sir:

In the absence of President Gerry, I desire to say in reference to the case of Thomas Kelly, who has applied for executive clemency, that he was arrested for a crime against nature upon a boy, named Frank McDowell, aged 8 years. The evidence against him was perfectly clear, - two citizens having caught him in the act, which was consummated in a covered wagon standing in West 48th Street. The boy belonged to a very respectable family and had been induced away from his home by the defendant for the purpose above named.

There would seem to be no good reason why clemency should be extended in this case, and we hope that the application will fail.

Thanking you for your courtesy,

I have the honor to remain,

WATCHES AND DIAMONDS

NEW AND ORIGINAL METHOD.

Do not Pay \$38 for a Watch when you can get one for \$1.

HOW TO DO IT:

You join a combination with 38 persons and pay one dollar per week. One Watch is drawn the first week and the person drawing same takes his watch and receives a receipt paid in full.

Another person is then put in the combination as fast as the drawing one drops out, in that way keeping the combination full all the time.

If a member does not draw his watch in 38 weeks he receives his watch upon receipt of last payment.

We supply either an Elgin, Springfield, Waltham, Columbus or Aurora Movement. You can make selection of either an open face or Hunting Case, which will be guaranteed by the manufacturers to wear twenty-one years. You are invited to form combinations in factories, stores, etc., and conduct your own drawings, or call at our office and be convinced that everything is done

FAIR AND SQUARE

Please answer: WHY pay \$38 for a WATCH or DIAMOND when we will give you 37 chances to get one for less? We solicit the most thorough investigation.

PLEASE CALL AT OFFICE AND EXAMINE OUR STOCK.

We invite you to thoroughly INVESTIGATE our methods. We are not selling goods on the installment plan, nor on the old watch club system. We give each person an opportunity to have delivered to them a First-Class Gold Watch or Diamond from \$1.00 up to \$38.00. Briefly stated, our plan is this: We have a Gold Hunting Case Watch, Stem-Wind and Set, GUARANTEED by the manufacturers for twenty-one years, with either a Springfield, Elgin, Waltham, Columbus or Aurora movement, and instead of forming a club we have a contract whereby 38 persons agree to co-operate together for the purpose of purchasing Watches or Diamonds, agreeing to pay \$1 per week for 38 weeks, unless they are released from the payment of any part of it by reason of having a Watch or Diamond delivered to them. When 38 persons have signed said contract and each paid \$1, then we place the 38 contracts together and a disinterested party draws one contract from the lot, and whosoever name appears on the contract, the Watch or Diamond is delivered to, together with his original contract and a receipt in full, making the watch cost him only \$1. The remaining 37 persons are notified, informing them of the party's name and address who received the Watch. We give each person 37 chances (a Watch being delivered to one of the 38 persons each week for 38 weeks), to get a Watch for less than \$38, but if a person should pay \$38 we deliver him a Watch, as described in his contract. Every person is sure to get their Watch upon payment of their last installment if they have not previously drawn their Watch.

We treat every person fair and square. We could not be benefitted by doing otherwise, as we receive a profit on every Watch delivered, regardless of what it costs the party who receives it. When a person receives a Watch and drops out of the combination, we place a new contract in the combination, always making it 38, and still give to each person 37 chances to get the Watch for less than \$38. If a person upon receipt of their Watch should desire to exchange same for any other class of Jewelry, Diamonds, Ladies' Watches, etc., we will be pleased to make the exchange and give them credit for \$38, upon presentation of the Watch, regardless of what it may have cost them. We solicit the most thorough investigation, and will gladly explain any point not thoroughly understood. Send us your address and our representative will call with samples, etc.

PLEASE CALL AT OFFICE AND EXAMINE OUR STOCK.

THE CHICAGO WATCH AND JEWELRY CO. being the originators of this plan of selling goods, and having established their business on a sound foundation, by fair and honorable business methods, the result is, they have made an unprecedented success, and are selling more Watches direct to the people than any other firm in the civilized world. As might be expected, our success has attracted the attention of others, who are laboring under the delusion that they understand how to conduct such an enterprise; they have even stolen our descriptive circular, as they did not possess sufficient originality to change the wording. Will you trust your money with such concerns? We believe every person will admit the following principle to be a fact, namely: all men are not created with the same qualifications. A first-class machinist could not be a carpenter, nor the carpenter a farmer, nor the farmer a banker; each might make an attempt, but if they did not possess the natural qualifications, together with special education, the result would be a failure, the same principle applies to this business, as it is as complicated and creates within itself as great a trust as any Bank. The thousands of persons in every part of the United States, who pay us \$1.00 each week, have a right to demand sufficient executive and financial ability to properly protect the trust.

Mr. O. C. St. Clair, President of this Company, received a number of years practical banking experience under the direct supervision of Senator S. M. Cullom, of Illinois; this, together with the great success of this Company, should be a sufficient guarantee that every dollar would be properly accounted for.

We solicit the most THOROUGH INVESTIGATION, when we will be able to convince the most skeptical. As sure as we have imitators so sure there will be failures, and money given them will be lost.

We are the first to offer the people an opportunity to co-operate together to their mutual benefit. Are we worthy your patronage?

Very respectfully,

The Chicago Watch and Jewelry Co.,

ANTHONY COMSTOCK of 41 Park Row, New York City, being duly sworn, deposes and says, that he is informed, has just cause to believe, and verily does believe and charge that H. H. D. KLINKER, C. A. BAILEY, and JOHN ^{Sieman} ~~DOE~~, whose full names are unknown, but all of whom can be identified by Deponent and GEORGE E. ORAM, did at the City, County and State of New York on, or about, the ^{7th} ~~7th~~ day of February 1891, unlawfully contrive and propose ^(and draw) a Lottery, and assist in contriving, proposing, and drawing a Lottery, which said Lottery was then and there set on foot for the purpose of disposing of property by lot or chance in violation of Chapter IX of the Penal Code of the State of New York, and particularly Section 325 of said Code.

Deponent further says that he is informed by GEORGE E. ORAM and certain Letters and Circulars received by Deponent, that the said H. H. D. KLINKER, C. A. BAILEY and JOHN ^{Sieman} ~~DOE~~, otherwise known as "The Chicago Watch and Jewelry Company", now have in their possession at, in and upon certain premises occupied by them, situate and known as Room No. 62, The ^{Lower} ~~Lower~~ World Building on Park Row in the City of New York, divers and sundry Circulars, Books, Papers, Tickets, and Watches, ^{and Diamonds and Rings} with intent to use the same as a means to commit a public offence, and for the purpose of conducting, carrying on and promoting a Lottery, which said Lottery is more particularly described in the Circular hereto annexed, against the peace and dignity of The People of the State of New York, against

GEORGE E. ORAM of 41 Park Row, New York City, being duly sworn, deposes and says, that on the 3rd. day of February 1891, he visited Room 62 of the World Building in the City of New York, and there saw C. A. BAILEY and JOHN TIEMAN. Deponent saw displayed upon the walls, cards or advertising sheets, containing some information in reference to the drawings in a Lottery same as is contained in part upon "Exhibit A", attached to the foregoing Complaint of ANTHONY COMSTOCK. Deponent said to JOHN TIEMAN: "I was reading the placards you have hung up, and they state the same as I read in my circular." (displaying a circular which Deponent had in his hand, duplicate to the one "Exhibit A" aforesaid.) The said TIEMAN replied: "Yes." Deponent then pointing to some Watches and Diamond Rings which were then displayed in a show-case asked: "Are these the Watches and Diamond Rings which are drawn for every week?" The said TIEMAN said "Yes." Deponent asked: "How often does the drawing take place?" The said TIEMAN replied: "Once a week, on Saturday mornings at 11 o'clock in this office." Deponent said: "How is the drawing conducted?" The said TIEMAN replied: "Thirty-eight numbers are put into an envelope, shaken up, and one number is drawn from the envelope. Whatever number it is, wins, and the party having that number has his option of either taking a Gentleman's or a Lady's Watch, or a Gold Ring." Deponent asked the said TIEMAN who drew the numbers out of the envelope. The said TIEMAN replied: "Anyone." Deponent said: "If I pay One Dollar now and join

2.

the Combination, I receive a number. If that number is drawn next Saturday morning, as I understand it, I am entitled to the Watch, and will also get back my contract which I signed when I joined the Combination?" The said TIEMAN replied: "Yes, Sir." Deponent then said: "Then everyone paying a Dollar has a chance of winning one of these Watches at these drawings if his number should come out?" The said TIEMAN replied: "Yes, that Gentleman (referring to a person who had just gone out), paid a Dollar each week for fifteen weeks, and his number came out in last week's drawing." The said TIEMAN said: "You might win it for a Dollar, or you might win it for Ten Dollars; but if you did not win it in thirty-eight weeks, your Watch would be paid for." Deponent said: "I will join." The said TIEMAN then went to the drawer in a desk, and brought out a paper which he called a contract, handed it to Deponent and said: "That's your contract." He said: "When you sign the contract, we give you a number which is also on our books, and put the number on the Coupon. Every time you pay us a Dollar, we give you a Coupon torn off from the contract. If your number wins next Saturday, of course, we wont have to tear off any more Coupons than the one which we tear off when you paid us the Dollar." The said TIEMAN then entered the name and address which Deponent gave him, upon a book, and placed the number "2767" upon one of the Coupons, and handed it to Deponent and said: "That is your number." The said TIEMAN then handed Deponent a number of Circulars, same as attached to foregoing Complaint, and also some blank Contracts.

3.

Deponent looked at the Circular "Exhibit A" and said: "I can rely perfectly upon what is stated in your circular?" The said TIEMAN replied: "Yes, you will see on one of these Circulars references of persons who have already won Watches. Some have paid a Dollar, others Three, Four, Five, Six, and Eight Dollars. Everyone has a chance of winning a Watch at the drawing which takes place every Saturday morning.

Deponent further says, that on the 7th. day of February he again visited said premises, and there saw C. A. BAILEY and JOHN TIEMAN aforesaid, and had conversations and dealings with them in substance as follows:

Deponent asked the said BAILEY, "Was the drawing taken place yet?" The said BAILEY replied: "No, it will take place at 11 o'clock." Deponent said: "Can I sit and wait?" The said BAILEY replied: "Certainly." Shortly afterwards Mr. TIEMAN came in. Mr. BAILEY then took a book and went into an inner room, saying to Mr. TIEMAN: "The drawing will be ready in five minutes." Mr. TIEMAN then sat down to a desk, took a sheet of paper, copied of something from the book, which contained the name and numbers which Deponent had used and received from the said BAILEY on the 3rd. inst. At 11 o'clock a person entered and asked Mr. TIEMAN if the drawing had taken place. The said TIEMAN said: "It will be ready in two minutes." At five minutes past 11, Mr. BAILEY came out from the inner office, stepped up to the show-case and asked this man his number. The man replied: "2457", then took a paper from his paper, handed it to Mr. BAILEY saying: "There's five more who are in this drawing."

4.

The said BAILEY then took some envelopes from a package, opened some of them, took out some pieces of paper which he threw aside, then took a piece of paper and wrote other numbers upon it and tore this paper into slips containing these different numbers, and placed these slips with these numbers in said envelopes, among which was the number which Deponent had been given, to wit: "2767", the said BAILEY showing Deponent his number and said: "You see that's your number."

The said BAILEY then put the five other numbers which had been handed to him by this other man, and placed them in in the same manner, so that this Gentleman could see them. He then took thirty-eight envelopes in number, shuffled them together, divided them four or five time, same as a person would in shuffling cards, then placed them together and

said to the Gentleman who had given him the number:: "Pick out one." This man did so, handed it to Mr. BAILEY, and Mr. BAILEY took out a slip of paper, upon which was written in pencil "2428" and said to the man: "This is one of the ~~names~~ names on the list you gave me." The said BAILEY then took all the envelopes, went over to the desk, looked at a book, then said: "It is W. J. Doyle of 53 Chambers Street."

Deponent then said to the said BAILEY: "Give me another Coupon for the next week's drawing." The said BAILEY pointing to Mr. TIEMAN said: "He'll give it to you." Mr. TIEMAN said: "What?" Deponent said: "He said you would take the money." Deponent said: "How long has the party been in the Combination that won the Watch?" The said TIEMAN went over to the desk, opened a book and said: "Eight

6.

weeks." Deponent said: "The next drawing will take place next Saturday at the same hour?" The said TIEMAN replied: "Yes."

Deponent further says, that from personal observation, conversations, and dealings had with the said C. A. BAILEY and JOHN TIEMAN, he is informed that H. H. D. KLINKER is the Manager of said Lottery, as is more particularly set out in the Circular attached to foregoing Complaint and marked "Exhibit B"; also he is informed and verily believes from personal observation and dealings had with the said parties named aforesaid, that the said H. H. D. KLINKER, C. A. BAILEY and JOHN TIEMAN aforesaid, now have in their possession with intent to use the same as a means to commit a public offence and to maintain a public nuisance, to wit: A Lottery, divers and sundry papers, books, watches, diamond rings, placards, apparatus and paraphernalia for promoting and carrying on and drawing a Lottery, and for selling shares, chances and interests in said Lottery, which said Lottery is set on foot for the purpose of disposing of Watches and Diamond Rings by lot or chance, against the form of the Statute in such case made and provided, in violation of the Constitution of this State, particularly Section 325 of the Penal Code, ~~of the State of New York.~~

Hon Judge Cowing
This is to certify that I have this
day examined Kate Kober, age 32,
and found her suffering from
pulmonary consumption, and possessed
with the belief that her husband
wished her some bodily harm, and
that he desired to kill her.
If the above belief on the part of Kate Kober
is a delusion, and I am not in a
position to state that it is or is not, then
it is the only symptom of unsoundness
of mind that I am able to detect
in her.
