So many years your

come to know him thoroughly, and in this
knowledge, can certainly never believe that
this model husband and father, could

if he would ever have meditated such a

New York, April 10/91.

To whom it may Concern

The parents of St. Perkhunt are so far as I know very respectable people and well connected - residing in Amsterdam, Holland.

His brother in law is Captain Hybert of the Royal Mail line to Java and was a Dutch Government delegate to the International Maritime Conference which met at Washington D.C. Oct & Nov. 1889.

Two sisters are teachers in Gov. Schools and a brother I have been told has charge of a large Sugar or Tobacco Estate in the East Indies.

J. R. Plankin

New York April 1891

Dear Sir.. Being about to be brought
before your Honor for pleading and
answering, I take the liberty to address
you a few lines, humbly asking you to
give this letter your kind consideration.
Though I am aware that the crime I
have committed calls for a sentence
according to law and that I should
have thought about this before committing
it, I can also see that I am not
criminal at heart and that I feel
the position I am placed in very kindly
not only for myself but also for
my wife's soul and three little children
respectively 8 years 5 years and 12 months
old. Though I of course would

suffer and have been so allready
during my 3 weeks confinement, they
would indeed be the greatest sufferer
of all in as much as I have not
got a single relative in this country
nor has my wife any more a mother
or home, but she and her little
ones could do. They are all very sick
and unable to do anything, my wife
has been under doctors care for a
long time and is suffering more. She
is in feeble health, having been con-
fined to her bed for close on to
7 weeks after the birth of the last
baby and is really in a condition to
undertake to earn a living for herself
and 3 children. I am 29 years
of age and up to my present time
have never been arrested before. I came
to this country when quite young, all
alone not knowing a single soul on
this side of the Atlantic. I had to
struggle pretty hard at times to

make an honest living but have managed
to keep my head above water and God
knows that I had kept on in the same
path and I would be happy still
with my little family. Whenever
came over me for possession, me to do
that I cannot say, most assuredly
I did not consider and think of my
wife & children for else I would not
have done so. I have been married
close on to 9 years, working hard, as
my wife can testify, to get a com-
fortable home. Obedience to her, this
her good management have succeeded and
off her hands it is now to see every-
thing go to pieces this an unwar-
ranted and unpardonable act of mine.
She can tell you that I have
always manifested some an unusual
character, have been a kind loving
and indulgent husband and father
loving everyone dearly and perhaps I
may say that my big heart and

associations with persons I thought my
friends (but were really not) were at
the bottom of my present trouble.

I have worried ever since and have
had no rest of mind. Knowing how I have
sinned and blessed the name of them
who are dearer to me than anything
in this world.

Justice, tempered with mercy, is often
a great blessing, especially when it is the
just officer against the law. I therefore
would beseech your Honor to
extend to me that Mercy which you
have in your power to give not only
for myself but more so for the benefit
of my wife, dear little 3 children
and you may feel assured that it
would make again a good man
out of me and that you would have

the everlasting blessing of us all.

It has far for already thought me
a great lesson and will keep me for
your lasting hereafter in the right
path. - Oh how happy I should be
to be restored to them and work hard
and ever to provide for their necessities
of life.

I am aware that in administering
the law it is not your object to crush
a man's life and future but allways
to extend a lifeline's hand to those
fallen but not beyond redemption.

Kindly let me ask you to give
this your kind consideration taking
everything in consideration. Could I
live the last 6 months over again
how different it would be.

I know I have grossly erred.

and wished I could undo what which
I have done -

Trusting that you will give
the your kind consideration and
begin to be excused for writing
with penitence as I write the in fact
and thanking you beforehand for
any mercy you may extend to me
I remain

Very Respectfully Yours

PEOPLE ON MY COMPLAINT,
VERSUS

George A. Blanch.
Defendant.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

I believe that the defendant did not intentionally destroy the property mentioned, he being very much intoxicated at the time. I have since ascertained that he bears a good character, and am informed that he has a wife and six children, and has never had any trouble before, I would also say that he promptly paid the damage done as soon as I ascertained the amount thereof, although no promise was made to him not to prosecute the matter; I would therefore respectfully ask that as much leniency be shown to the defendant as is consistent with duty and the proper administration of the law.
Dated my City April 27th 1891.

Respectfully,
