Court of General Sessions

The People vs

City & County of New York
John Schubett
being duly sworn says. I am
the defendant above named.
I am 60 years of age,
married and reside with
my wife and three small
children at number 433
West 50th Street, in the City
of New York, the oldest of
which a girl is 13 years of
age. Both my hands are
and for several years past
have been crippled in conse-
quence of which I was
unable to secure employment
to support my family, but
managed to eke out an ex-
istence for ~~my~~ ^{the} family in
working at white washing
and house cleaning. My wife
has for years past been
suffering from rheumatism

And on the day of my arrest
in consequence of my
extreme poverty, the threats
of my landlord to dispossess
me for non payment of two
months rent which I owed
him, my childrens cry
for something to eat and
my inability to provide
it, drove me out into a
desperate frame of mind.
I sought several acquaint-
-ances whom I hoped
would help me but I
was unable to meet
them, and I then committed
the act charged against me
~~to~~ in order that I could
provide food for my family
and secure shelter for them.
I am 26 years in this
country and have always
during that time lived in
the City of New York and
I have never committed
any crime or have I ever
been charged with the
commission of any. And

would not have com-
mitted this offense had
not the desperate straits
of my family forced me
to it.

which was opened and exposed for sale upon the premises of such store with other groceries; that deponent then and there took therefrom a sample of such manufactured substance for analysis in the manner required by law; and thereafter, on September 29th, 1887, deponent delivered such sample so taken by him as stated, to one Edward G. Lora who was and is known to deponent to have then been, and who since has been and is now, a chemist, practicing as such at number 122 Bowery Street, in the City of New York, County of New York, within this State, and deponent caused the said substance to be analyzed by such chemist; that the certificate of such analysis thereof, made by said chemist, is hereto annexed; that such substance, so kept for sale and offered for sale and had by said Irving Schreier in his possession, was not butter, the product of the dairy, and was not made from unadulterated milk or cream; that it was a manufactured oleaginous substance not produced from milk or cream, and had been made out of some animal fat or animal or vegetable oils not produced from unadulterated milk or cream of the same, and by mixing, compounding with and adding to a small quantity of natural milk, cream or butter, a large quantity of such animal fats or animal or vegetable oils not produced from unadulterated milk or cream, so as to produce an article, substance and human food in imitation and semblance of natural butter produced from pure unadulterated milk or cream; that the said substance had been manufactured and was colored with some coloring matter whereby it was made to and did resemble butter, the product of the dairy, and was so colored thereby to be and was in imitation and semblance of natural butter, produced from pure unadulterated milk or cream; that on said 29th day of September, 1887, when deponent was in the said Irving Schreier's store, the said Irving Schreier had his store open for business in the ordinary way and such substance was being offered for sale as stated in the ordinary course of said Irving Schreier's grocery business; that the names and residences of the persons to whom the same was offered for sale and a more particular description of such manufactured substance, the ingredients thereof and the amount of the same are unknown to deponent and cannot be stated herein for that reason.

Deponent charges that the said Irving Schreier against the peace and dignity of the People of the State of New York, and the statutes in such case made and provided, wrongfully and unlawfully so had such manufactured substance in his possession, with intent to sell the same as and for butter made from unadulterated milk or cream, and so kept and offered the same for sale with such intent, and caused, procured and suffered the same to be so kept and offered for sale, and was thereby guilty of a misdemeanor; and deponent, therefore, asks for a warrant against the said Irving Schreier for the violation by him of Sections 7 and 8 of Chapter 183 of the Laws of 1885, as amended by Chapter 577 of the Laws of 1886, and that he may be dealt with as the law directs.

I

To the honorable Assistant district Attorney.
Mr Davies.

Dear Sir.

In accordance to your request, the undersigned forwards you a detailed account, of what transpired, from the evening on which my watch was stolen, to that of my arrest.

On wednesday evening July 20th at 10:30 PM I sat on one of the benches of Tompkins Square smoking a cigar. I was seated probably fifteen minutes when I dozed for a short time. on my awaking I continued smoking for about two minutes, without being compelled to relite my cigar, and on putting my hand to the silk band ribbon, to which my watch was fastened, I found it hanging loose before me, without my watch and on looking about me I saw a man sitting opposite me. I asked him if he saw anyone seat himself to my side, or anywhere near me, he said that I had probably dozed 5 minutes when three

II

young men approached me, one sat to my right the other to my left the third was on the lookout. they made a few turns of the hand and then ran to seventh street and Ave. Q. while speaking to my informer I saw officer Jer. Egan of the square approach, after telling him what had happened, the officer asked if he could give a description of the parties he described them, the officer then said that it was Gus-Meisters gang. I then asked my informant if he would be at the square the following evening (Thursday) and show me the parties if he saw them, which he agreed to do, I then asked his name and address, which he gave as Jacob Müller of 764 Ludlow street, we parted, and Thursday night I was at the square at about Eight P.M. but could not find Jacob Müller. I called at the address he gave, but no one was known there by that name. I then returned to officer Egan at 9³⁰ P.M. after a short conference he told me to be at the square the following evening (Friday) and if I could change my appearance in clothing I should do so, and on Friday evening

III

I appeared in a Norfolk jacket Lawn tennis shirt and a Velveteen hat, and had another ^{black hat} in one of my outside jacket pockets. I had taken it with me without any wrong intentions, and showed the officer what change I could make. The above mentioned is a costume which I use when out sketching. I was about 45 minutes with officer Egan when he informed me that the suspects were seated not far from us. The officer called a man whom I do not know, and said to him, he should go to Gus Meister and tell him if he does not return me my watch it would be made hot for him. Meister returned with this man, and informed the officer and myself that he had heard of a gold watch being stolen on Wednesday evening, and that it was sold on the Bowery, but did not know where, but promised to find out, and return it within one hour and half, if I would pay him the amount for which it was sold. I agreed to that, Meister then left us, and returned in the above

IV

mentioned time. without the watch and said the watch was not worth all the trouble because his colleague had received but \$4⁵⁰/₁₀₀ for it. I then said to him that the watch has a value of \$40.00 and persuaded him to meet ^{me} Saturday afternoon at 3 O'clock ~~on~~ corner of 2nd Street and the Bowery which he did, officer Ogan was with me. I gave him five dollars to repurchase it with, he returned again without the watch returned my money, and said it was the night Barkeeper who had bought it, and that he would have it for me sometime at 8 P.M. I returned home and informed my family, my Father advised me to go to fifth street police and inform them of the affair. I found Seryt John Gallagher at the desk after informing him for what I had called. He called Detective Louis Ratt and instructed ~~at~~ him what to do. the Detective and myself left the Station, and we arrived at corner of second street and Bowery at about 8¹⁵ P.M. Meister and myself then went to the Rapid transit hotel on the

V

Bowery near Bleeker ~~st.~~, the detective followed us. Meister entered the saloon of the hotel but returned immediately and ran across the street into another saloon. The detective and I after him, we entered the same premises but could not find him (Meister) the detective then said that he had given us the slip but that he shall be arrested at first sight. while speaking in that manner Meister approached me and said that it was no use of me taking the detective that he knew him better than I did. and that I could not have him arrested because I could not prove that he had stolen the watch. the detective then said that he must have the watch by 11 or 11¹⁵ P^m (Saturday) at corner of Seventh st and Bowery. he again agreed to do it. we then separated. I told the detective that I was going downtown to make a purchase at the Hardware store of Hamacher & Co. I arrived at the hardware store at about 9³⁰ P^m and found it closed on my return home I passed the hotel and walked unconcerned. but when I got to the North west corner

VI

of Bleeker and Bowery, a woman accosted me asking if I would not go with her, I answered no. she walked a few paces with me, when another woman asked me the same question, which I also answered in the negative. then the two above mentioned began to yell and laugh, a moment later I found myself surrounded by about 7 or 8 Women, who were making a terrible noise. I tried to walk ahead but could not the only way that was left open for me was Bleeker str when I saw that they were still following me I said, if they did not go their way I would have them arrested. a few moments later I saw officer Bonvil of the Mercer Station, he found me surrounded by these women, he asked what all the noise was about, the two women who appeared against me who also were the first who accosted me, said that I wanted to arrest them, the officer then asked if it was so. I said that I had told them if they did not go their way I would have them arrested, they insisted on their charge. He then said that I must go to the Station with him. I further said that when we

VII

get to the station the matter would explain itself in my favor. when we arrived at the station the sergt asked what I was charged with impersonating an officer. the sergt asked me if it were so as charged. and how I came in the neighborhood. I then started to relate about me having a detective with me. to recover my watch. as soon as these women heard that they said that I wanted them to go to the fifth street station with ~~them~~ me - that I said. I was a detective from there. I was not questioned any further, but was searched and sent to a cell. Sunday morning I brought to Court, and put in \$100.00 Bail for trial. —

I have mentioned every thing as well as I can remember. and sincerely trust you shall do Justice in my case.
