PEOPLE, ON MY COMPLAINT,

versus

Jacob Stein

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. I desire to withdraw the charge for the reason that the prisoner is my brother in law, being 16 years of age has never been arrested ^{before} and the only evidence against him is the possession of a small trinket of the value of one dollar. I think it will do the boy more harm by sending him to any penal institution,

Respectfully Submitted

The People } Court of General Sessions, Part I
 vs } Before Judge Gildersleeve.
 Albert Templeman }
 Dec. 19. 1887. Indictment for grand larceny.

Frederick G. Play, sworn and examined, testified. I live 12 State St. and lived there on the 10th of Dec. I have known the prisoner since he has been in the country, about two months; he also lived at 10 State St. and was living there on the day I lost the money. When I left the place on the 10th of December to go to work I left this little box (shown) in my trunk; it was locked and I have a key to fit. In the box was a small purse and in that was a twenty dollar bill and two two dollar bills - \$24. There was a lot of photographs in the box. The trunk was in my room. I returned on Saturday about half past five or six o'clock in the afternoon. I went to my trunk for the purpose of changing my dress. It had no appearance of being opened with the exception of some indentations where it appeared to be forced with that screw driver. I went to find a gold scarf pin to wear. I found that lost. I looked in my box at once, thinking if that was gone the other things had been taken. I found the box had been already forced open and the lock broken off or partially broken off. The

0332

purse was in there, but the money was gone. The last time I saw the money was Thursday. I lost a chain and a gold pin, the chain was in my vest and the vest was in the trunk; the chain was valued at about \$35 or \$40, there was a locket attached to the chain; the pin was valued at about six dollars, it cost twenty one shillings. I authorized no one to open my trunk and take the money. I have not seen the pin or chain since the prisoner was arrested Saturday evening at half past six. The same evening I missed the money. His room in the house was next to mine. I knew that the prisoner had no money before this. He made a statement to the effect that he had written to borrow money as he had no money. I do not know of my own knowledge that he had money after the robbery, but on being searched \$13.72 were found on him by the officer. That was found in his possession that night. I did not see him pay his board bill. Cross examined the last time I saw this money and property was Thursday evening there were five or six people boarding in the house at the time. There are no servants. I saw the screw

0333

driver now shown me down stairs on the shelf in the house, but when found it was found in ~~the~~ a drawer ⁱⁿ of the kitchen. The screw driver fits the aperture in the box exactly. Thomas A. Haynes sworn. I live at No 12 State St and have lived there twelve months. I know the prisoner two months, since he has been in the country. On the Wednesday of the week of the robbery the prisoner said that he had not sufficient money to pay his washing; he wanted a few cents to make it up. On the Tuesday or Wednesday he asked me if I knew where the screw driver was? I told him it was on a shelf in the back room. I have a notion and fancy store in Brooklyn. The prisoner loaned me ten cents the day before that. Charles J. Coyle sworn. I am a police officer of the First Precinct. I arrested the prisoner at 12 State St on Saturday evening. The complainant stated that \$24 was taken from him. The prisoner admitted to me on the way to the station house that he had taken the chain. He asked what he was arrested for. I told him on a charge of larceny. This man charges you with taking \$24, a gold chain with locket attached and a scarf pin, all valued at seventy dollars from him.

0334

I brought the prisoner before the desk, searched him but could not find the chain. He admitted taking the chain and asked me to say nothing about it. He might have dropped the chain on the way to the station house, but I did not see him do it.

Albert H. Templeman, sworn in his own behalf. I came to this country on the 15th of October and went to the Star hotel where Mr. Flay boards. I brought thirty pounds with me. I went to Painesville, Ohio after I had been here eight days, stayed there from Wednesday till Monday and returned to New York. I am a stone mason by trade, but I thought of getting a situation in New York. I answered some advertisements but did not succeed. After a fortnight I heard that it would pay me to go down South to shoot birds. I made up my mind to go there and I wrote to a young lady in Painesville for ten pounds. I had not enough money to take me South, but I had money enough for my needs. There were eight people boarding in the house. The door of my room was open, but my trunk was locked. I don't remember asking Mr. Hayes about a screw driver. I deny the statement of the policeman that I said I had the chain.

0335

I did not take any money or chain
or pin from the complainant. My board
was five dollars a week. I paid ten dollars
on this Friday.
The jury rendered a verdict of guilty.
