Hon Sir

The Pastors' Association of the
Ministers in the Reformed Church of New York City and
vicinity desire to express their appreciation of the
effective work your Honor has done of late in enforcing
the Sunday Laws against vaudeville and moving picture
violation.

While a number of isolated decisions have seemed to be
contrary to your Honor's interpretation of the Law and
your action in granting only six day licenses, we rejoice
at the more numerous and decisive decisions sustaining
your Honor's contention and that of your efficient
Counsel and the head of the License Bureau.

We assure you of our moral support in your fight

For the Pastors' Association
