## New York General Sessions.

PEOPLE ON MY COMPLAINT,  
VERSUS

Henry G. Hand

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. Defendant was employed in my firm for about two years, and up to the time of the commission of the offence charged herein, he departed himself in a very proper manner, attended to his duties and acted in an honorable way in every respect. His habits are good. He has a wife and four small children who are entirely dependant upon him and the family are now in absolute want. He has made such restitution as he could, and it is entirely satisfactory to me and my firm. We think he has been sufficiently punished, and if he is discharged do not think he will be guilty of another offence. We earnestly hope that the District Attorney, and the Court may see fit to dismiss the charge against him.

would be. When it came, there was nothing I could do, but accept, what I could not refuse. Knowing, that though I had been convicted by the law, and in the eyes of some men pronounced guilty, in my own heart, and in the sight of God, I was innocent of any wrong doing.

I know that my arrest, trial and conviction was the result of malicious persecution, the true inwardness of which, I was not prepared to show at the time of trial.

The same cunning hand that instigated the first arrest that was ever recorded against me, was the instigator and prompter of the arrest which resulted in sending me here.

That man 'Cen' was perfectly satisfied with the arrangement with the Dorcas C, until on going to his home one evening he found awaiting him there a type written letter, to which no name was signed telling him that he had been deceived by Hearne.

and if he wished to protect himself  
to go at once to Police Headquarters and  
have Heavine arrested. Such a letter  
must naturally give cause for alarm  
to any man who would receive it  
especially if in a new Country. But my  
Conviction was brought about, only by false  
swearing on the part of both Coan and  
Hidelsberg = who swore positively to conversa-  
tions had with me, and statements made by  
me, which never took place, and which I  
never heard, or even thought of. until I heard  
the words come from their lips on the witness  
stand = and by the inexperience of John  
Graybill in Criminal practice - which render-  
ed him incompetent to conduct the case  
properly. Be that as it may - I was convicted  
and am an inmate of States Prison. Today  
broken down in health and with but little hope  
for the future. For the past year my health  
has been very feeble. Spending as many as  
five weeks at a time in the Prison Hos-  
pital, undergoing not infrequently the  
most excruciating and agonizing pains

0080

which up to the present time has failed  
to yield to treatment of the Physician in  
Charge. The trouble being some internal  
disorganization, or Impaction of the Stomach  
and Liver which the medicines used do not  
seem to effect. I have even been willing <sup>and</sup>  
have urged the Doctor to perform a surgical  
operation by opening the abdomen in order  
to discover where and what the trouble is.  
But he has been unwilling to perform the  
operation notwithstanding an expressed  
solicitude on my part to relieve him from  
responsibility in case death should result.  
I am confident that had not my lines  
here fallen in comparatively easy places  
Nature would long ago have expended  
its force. and the rest of my sentence  
have been completed in the grave. As it is  
"My days are like a shadow that declineth

and I am withered like grass. To my physical suffering has recently been added great mental anxiety and worry through the recent death of the Grand father of my children - in whose charge they were placed - when misfortune fell upon me - which places them in an unprotected position in a far away land. Therefore upon the grounds of humanity my long continued ill health and for the sake of my two unprotected young daughters who need a father's care I appeal to you and to the Dist. Attorney to consent to the granting of the <sup>Clemency</sup> ~~application~~ asked by me from the Governor. In as much as I have already served what would have finished a two years sentence and taking into consideration the amount of physical suffering I have undergone with a prospect that I may never fully be restored to health again - I feel that the requirements of justice have been amply met.

0082

and satisfied. unless I am considered  
to great a sinner that nothing but  
my death can atone.

Should I be fortunate enough to get a  
Commutation of Sentence granted me. it  
is my purpose to go directly to some  
hospital for treatment and remain  
there. until my health is either re-  
stored or the end shall come if so it is  
to be. Permit me to say, believe me  
or not as you may, that though I am  
an inmate of a Prison Cell and wear  
the garb of a convicted felon. I am not  
a thief, never was a thief. and never can  
be a thief - My whole nature revolts  
against even the thought of it. I have always  
lived an upright, honorable and strictly  
moral life - having faith in the divine power  
which rules the destiny of our lives and  
doing good to my fellow men. even it was  
possible so to do - Where even apparent  
wrong may <sup>seem</sup> ~~have~~ ~~done~~ have been done

0083

by me. It has been brought about  
solely through the misconception of facts  
as they were and the ~~present~~ <sup>unfortunate</sup> ~~haste~~ <sup>haste</sup>  
of those who were affected, to run <sup>into</sup> ~~to~~  
law. Not a man who has suffered  
loss, would have done so, but for his own  
fury. I had a business that was  
making its way and must ultimately  
have proved immensely profitable had  
I been let alone so as to carry it to  
completion. The paper had been established  
eight years and was well & favorably  
known. I have letters this week  
from the printers. Bundes & mailing  
agents & others (who had the making  
of my paper in hand) testifying to  
the truthfulness of  
all the representations I have made.  
These I shall lay before the Governor as  
much as they have known me for years.

0084

and were familiar with my affairs to some considerable extent, what they say ought to have weight. I have drawn up from time to time as I have been able to do, a brief statement of all the occurrences of my life and of all business engagements I have faced from the time of coming to New York in 1880 up to the time of my conviction and sentence here in March 91. In corroboration of my statements I have secured letters from all the different persons whose names I have mentioned <sup>in order</sup> ~~and only goes to show~~, that, it was possible for a mistake to have been made in my prosecution by attributing wrongs when none were intended - that the crime charged against me, was one <sup>inconsistent</sup> ~~consistent~~ with my whole mode of life. Every man who has ever known me will testify

0085

testify as to my honesty and upright  
mode of life. That I have always been  
a hard working and industrious man  
filling remunerative and responsible  
positions of trust. And was never a day  
without employment until this last  
arrest, which the continued holding  
on the part of the ~~authorities~~ - made it im-  
possible for me to secure - because it  
was impossible for me to be out of New York  
for a single day for fear some motion  
should be made in my absence and  
a forfeiture of my bond entered and  
another wrong construction placed on  
my motives. As my bond has been <sup>entered</sup> ~~as~~  
forfeited once before without any notice  
having ever been given to either my bondsmen  
or myself for an appearance in Court  
when I went to the Dist Atty's office to  
find out the wherefore of such proceedings  
in Company with Mr Matthew J Harvey  
of Snodgrass Church & Co 265 Broadway

0086

and my bondsman - the papers in the  
 Case could not be found - and after waiting  
 all day until after sunset and found -  
 I was told to go and return the next  
 day at eleven o'clock, when I came  
 under a new bond. A positive assurance  
 being given by the Clerk in charge that  
 no warrant could be issued for my  
 arrest in the meantime - Yet within  
 an hour after this assurance had been  
 given, just as I was closing my door  
 to go home for the night - who should  
 appear but Heidelberg with a bench  
 warrant for my arrest - saying "I know  
 you have an appointment at the District  
 office to-morrow - but I concluded I  
 would run you in and give you a night  
 on board in Police Headquarters for luck -"  
 which he did - This in the name of justice  
 there was an inwardness to Heidelberg's per-  
 secution, which was the result of a refusal  
 on my part to fix things with him -

0087

of course I can not prove this. therefore  
 you may not believe it. I am a prisoner  
 Friedberg is an officer - but I have  
 wandered from my purpose - In case my  
 liberty should be granted me. and my health  
 be restored again - I can give you the most  
 ample assurances and add if needs be  
 that no act of mine throughout the course of my  
 whole future life, will ever be such as to  
 cause you one simple thought of regret for having  
 done for me a kindly act. Will you help me?  
 An endorsement of consent from yourself  
 and the Dis. attorney - made on this letter  
 will be all that is necessary. if you will  
 kindly forward to the Governor next week  
 when such papers as I have will be laid be  
 fore him - without your help I fear I shall be  
 helpless and my appeal be in vain. Will you do  
 this in the name of humanity  
 Your faithfully  
 Charles A. Kearney

Dear Sir: On account of long continued  
ill health and of having served what  
is equivalent to a two years sentence<sup>or</sup>  
for the further reason that I have two  
young daughters who are alone & dependent  
all of which facts should in humanity's  
name appeal to your sympathy - I am  
now making an effort to secure from  
Gov. Flower the exercise of Clemency in my  
behalf - and write this beseeching yr  
consent. ~~for~~ the granting of the relief  
asked for. My health has been most  
wretched for a year past and I am thoroughly  
satisfied if I remain here very much  
longer. I shall have no need to give  
further consideration to the sentence, which  
I think was most unjust and undeserved,

0089

for Nature must ~~exhaust~~ exhaust  
its power. ~~of~~ Keeping the mind & body  
in motion and sustain life  
My life has always been a correct one  
and will be so when I go from here again  
if I live to do so. Whatever appear-  
ances may have been against me - I am  
not a Criminal, never was, and never  
can be a Criminal. The fact of being  
in Prison wearing the garb of a felon  
of itself signifies nothing so long as  
I know and feel in my own heart and  
the sight of God that I am innocent  
that I was misjudged and my motives  
misconstrued. was no fault of mine  
My paper was one of years standing  
and well thought of both by subscribers  
and advertisers. The business was a pro-  
gressive one, and but for the malice  
of those who first instigated the  
beginnings of proceedings against me  
which put me on the Record of the  
Criminal Court it would have in

time for a profitable one  
 I gave up a position and a salary  
 of \$120<sup>00</sup> a year. when I bought  
 the paper - which of itself must  
 prove to you that I had confidence  
 in the successful future for it. - If  
 the persons - who have brought trouble  
 and disgrace upon me - with loss to themselves  
 had given their attention to the business  
 and helped me in its building up - not  
 one dollar loss would have been sustained  
 by any one. - I have written to Judge  
 Tolson who ~~has~~ <sup>hears</sup> the case, asking  
 him to consent 'to temper justice with  
 mercy' and aid me in getting relief.  
 I wish you would take the trouble to talk  
 with him & see my letter. - Considering the  
 suffering from long continued ill health and  
 an imprisonment of two years - I feel  
 that justice has been amply satis-  
 fied unless it wishes my life.

Should you feel disposed to help me  
 you will do a deserving and a kindly act.

of deponent, in the day time, the following property, viz:

Four hundred and five dollars of the

the property of deponent

has a probable cause to suspect, and does suspect, that the said property was feloniously taken, stolen,

from the fact that on said date  
deponent was employed by the said  
Hearne as Clerk in the office of

To

Dear Sir:

Please take notice that the defendant in the above entitled action will move this Court in part three, on Wednesday December 24th, 1890, before Mr. Justice Cowing, at the opening of Court on that day, or as soon thereafter as counsel can be heard for a dismissal of the indictment, filed herein on the 4th day of September, 1890, upon the annexed affidavits and upon the ground set forth in paragraph 368 of the Code of Criminal Procedure, and for such other and further relief, as to the Court then and there, may seem just and proper in the premises.

Dated, New York, December 22nd, 1890.

THE PEOPLE OF THE STATE OF NEW YORK

-against-

CHARLES C. HEARNE.  
-----X

City and County of New York, ss:

Charles C. Hearne being  
duly sworn, says, that he is the defendant in the above en-  
titled action; that on or about the 4th day of September,  
1890, an indictment was found in this Court against depo-  
nent, charging him with the crime of grand larceny in the  
first degree; that on or about the 8th day of October,  
1890, issue was joined by the entry of the plea of not  
guilty on behalf of defendant; that on the following day,  
the cause was placed on the calendar of part two, before  
his honor, Recorder Smyth, for trial. That defendant had  
then had no opportunity for summoning his witnesses, se-  
curing counsel or preparing for trial, and the case was  
adjourned without fixing a day for trial. That within the  
last two months, deponent has made strenuous effort to  
have the case brought to trial, and earnestly requested  
the District Attorney to fix a day certain for trial, when  
the case could be disposed of. That deponent's counsel,  
Mr. James E. Graybill, has had repeated interviews with As-  
sistant District Attorneys, Davis, Parker, Jerome and Daw-  
son, and repeatedly requested and urged a fixed day for  
the trial of this case. That on last Monday, 15th inst.,

0120

2.

a motion was made before his honor, Mr. Justice Cowing, to dismiss the indictment herein for non-prosecution, and upon the ground set forth in Section 133 in the Code of Criminal Procedure, and that such motion was held in abeyance to enable deponent, through his counsel, to confer with Assistant District Attorney, Davis, in regard to the trial of this case. That as deponent is informed and believes that Mr. Davis was seen in regard to the matter, which state that he would be unable to try the case, as he was engaged in part one of this Court.

Deponent further states, that it is greatly to his disadvantage to have an indictment hanging over him undisposed of, and that he is anxious for a trial of the charges made against him, or if such trial cannot be had, then that the indictment be dismissed.

Sworn to before me this

20th day of December, 1890.

PEOPLE ON MY COMPLAINT,  
VERSUS

Adam Hoffman

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. I recommend the defendant to the extreme mercy of the Court and District Attorney for the reasons following: I have known the defendant for over a year and never knew him to be in any trouble heretofore, the defendant was under the influence of liquor at the time he took said dog, and the defendant's wife is about to become a mother and he is the only support of his family.
