Robert Adamson, Esq.,

Secretary,

Office of the Mayor.

Sir:

Regarding the enclosed letter sent to his Honor the Mayor and referred to this office for investigation, I beg to state that after a very careful inquiry, I have learned that a Mr. Katz, who has been furnishing the list of names daily to the "German Herold" and who claimed to have represented that paper, was also in the employ of Messrs. Lambert Brothers, the firm against whom complaint has been made by your correspondent.

No person since the organization of the bureau, has been allowed to make lists of the names of the applicants for marriage licenses excepting the newspaper men and this privilege was only extended to them on the advice of the Corporation Counsel, who claims that they are public records and who also insists that the object of the bill was to give as much publicity as possible to the matter.

P.J. SCULLY, CLERK

JOSEPH F. PRENDERGAST, 1ST DEPUTY

-2-

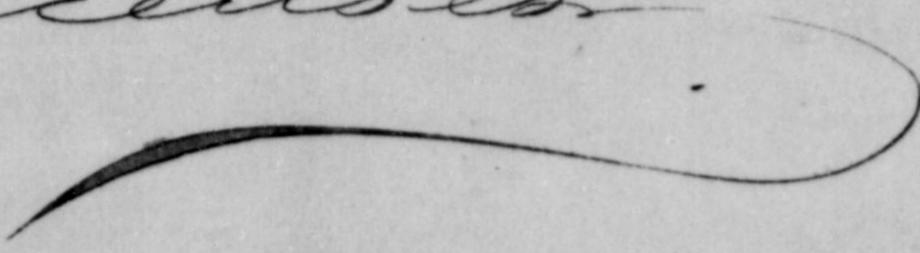

When this privilege was accorded Mr. Katz, it was given only on the ground that he represented the "German Herold" and on the assurance that no list would be furnished to any one else outside of his paper. Such being the case and in view of the knowledge obtained as to his connection with the firm complained of, I have given instructions to Mr. Hart, chief of that Bureau, not to permit him to make up any further lists and that the courtesies of the office must hereafter be denied him.

Respectfully,

*P. J. Scully*  
City Clerk.

On behalf of my client, Mr. Adolf Ritter, I desire to make complaint against James J. Pinto, a Commissioner of Deeds of the City of New York.

My client purchased a store on October 10th 1911, from one, James E. Dauscher. The bill of sale, purports to be signed by James E. Dauscher, but as a matter of fact, my client, informs me, the same was forged by one Gordon.

I trust you will examine into this matter, and oblige,
