District Attorney, New York C.

Sir:

I am instructed by the Department to bring to your attention facts showing a criminal offence under Section 14, Chap. 636. Laws of 1874 on the part of August Lorenz, living at No. 125. East 88th Street ~~under the supervision of the Sanitary~~ Corps of the Department. Charles McKay of No. 1601. East 13th Street, foreman of the gang of laborers in which Lorenz worked, is also involved, but against him the Department has not been able to obtain decisive evidence. Thus much has been

0428

discharged, but it seems proper that Cor-
ruption and extortion on the part of public
workmen, although the amounts are small,
should have the attention of the Grand Jury, and if
you are of this opinion and wish name a day
for the witnesses to appear, this Department
will endeavor to have them produced,
Loring admits the offence and in
respect to the occasion ^{on the 10th of preceding} ~~the~~ ^{Hampden St.}
Henry W. M. Gen of 429. was 39. Met for
Eordman before the Board that he had
paid Loring on his demand \$1.²⁵, other
inquiries of persons said to have given
money have been fruitless, possibly perhaps
because citizens are unwilling to appear
in such matters.

Patrick Sawyer of 154 Second Street being duly sworn deposes and says that on the evening of Monday the 2nd day of October 1882 he went into the liquor saloon of Bernard O'Rourke at 199 Chatham Street with one Clifford a friend of deponents.

Deponent and said Clifford stepped up to the Bar to get a drink, and the Barkeeper Tom Lynch showing no inclination to serve them deponent said to his friend "Let's go somewhere else. There's more places in town than this" and then started toward the street door of said saloon.

Said Lynch then said to another bar tender in said place to go around and kick and club deponent out.

Deponent then told them that there was no need of their doing so: that he could go out like a gentleman

as he had come in.

Said Lynch then seized an ice-chopper and ran towards deponent and his friend striking said Clifford a blow on his hand and then cutting deponent's nose: he then struck deponent a powerful blow on the head with said ice-chopper cutting deponents scalp to the bone; and he then struck deponent several more blows upon the head rendering deponent senseless.

After deponent had been made insensible ~~he said~~ he was robbed of the sum of forty one dollars in five, two and one dollar bills and silver, and a silver watch worth twenty five dollars a chain worth fifteen dollars, and an umbrella worth four dollars; and attempted to take from deponents fingers two rings in which attempts they cut and bit deponents fingers in a painful manner.

Afterwards the said Thomas Lynch was arrested and taken to the Oak Street Station where the said Lynch was committed upon a charge of assault as deponent believes but in deponent's weak and exhausted condition at said time he was unable to know exactly the proceedings which were then taken.

That on the morning of the 3rd day of said October said Lynch was placed under bonds in the sum of \$1,000 by Justice Murray at the Towns Police Court, and on the 10th the said Lynch was tried at the Court of Special Sessions where he was fined \$50. and discharged.
