Dear Sir-

Permit me to acknowledge the very courteous invitation to be present at the ceremonies attending the dedication of the Grant Monument on the twenty-seventh of April, and to say that I shall have great pleasure in accepting the same. There has been considerable talk among the Members of the Legislature, and particularly the Finance Committee of the Senate, and the Ways and Means Committee of the Assembly as to what accommodation has been arranged for them. Mr. Nixon, the Chairman of the Ways and Means Committee has asked me, in this letter, to beg you for information on this point. The subject came up yesterday afternoon at a joint session of the two Committees named, when the appropriation asked for by Gen. Tillinghast for the State Troops was granted, and it was agreed that Senator Mullin and Mr. Nixon as Chairmen of the respective Committees should write to you for information on the subject. Knowing that I was about to reply to your invitation Mr. Nixon delegated that duty to me. It is for that reason that I take the liberty of making the request.

May I also ask whether or not the invitation includes the wives
