PEOPLE ON MY COMPLAINT,

VERSUS

Joseph Rosenberg

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself, and am urged to withdraw the charge by the fact that he is a poor boy and that we have always been friends previous to this occurrence and have never had a quarrel before that time. I had ~~the~~ previously fired a piece of rag at him and threw the shears which hit me in the arm; the wound is now healed and was not serious. We were employed in the same shop.

 vs. Frederick L. Traynor
 jointly indicted with Benjamin Jacobs for
 burglary in the third degree and attempt at grand

Court of General Sessions. Part 7
 Before Judge Cowing. Dec. 15-1894
 Wilhelmina Burger sworn and exam-
 ined testified. I live at 383 Second Avenue
 and occupied the second floor two flights
 up. I lived there on the 30th of October. I had
 clothes in the bureau drawer in the front
 room, I had about ten dollars worth of
 wearing apparel and I had more than
 three hundred dollars worth of furniture. I
 left my rooms about ten minutes before
 twelve. I locked them up. I went back to my
 rooms about 10 minutes or a quarter of an
 hour afterwards. I opened the back room
 with my key and when I got in I found
 the things on my floor - the clothes out
 of the bureau. I saw a man in the front
 room, but I did not see his face. Did
 you see that man (the prisoner) that day?
 I cannot remember this man, it is
 so long - after fourteen days my eyes
 are so weak. The same man the police-
 man arrested was in the house; the
 policeman brought him back. Then I
 recognized him, but now I cannot
 the policeman brought him back right

away. I saw him jump over the bannister. I did not see the police officer arrest him. Charles J. Schreff, sworn and examined. I arrested this defendant in Twenty Fourth St. and Third Ave on the 30th of October about three minutes after twelve. I brought him back to Twenty Fourth St. and Third Ave and brought him in front of Mrs. Burger and she said that was the man. He said, it was not or something similar to that; he had that "jimmy" up his sleeve. I also found in his possession three skeleton keys, a revolver not loaded, and a knife. Cross Examined. I heard the complainant testify in the Police Court; the first day she identified him, and on another occasion she said she could not be positive; she said it was dark on the floor where she lived. I do not recollect her saying that she could not see any distance without her spectacles. When I made the arrest I was at Twenty Third St. near Second Ave. My attention was attracted by a boy running up and saying, "Mister, stop thief." Where, I says? "That man running." I started after him and ran him up Twenty Third St. and Third Avenue to Twenty fourth St. and Third Ave., he was running from

POOR QUALITY

the direction of Second ave. I did not find any marks of a "jimmy" on these premises, but a skeleton key would not leave any mark. Wilhelmina Burger recalled. I remember the Policeman bringing a man back to my house. I did not see the face of the man in the room, only the back; in fourteen days after he had not such a pale face and he had on different clothes. Hugh Brutton sworn and examined. I went to these premises on Second Ave. that day. I found a young man under the bed, but it was not the prisoner. I saw this prisoner at the station house. I did not hear the prisoner make any statement ~~for~~ the station house, but I heard him admit before Judge Power in the Fifty seventh St. Court that he found the door of this room open and he went in. He was asked how he came in possession of the "jimmy." He said he found that "jimmy" on the bureau and he thought he would take it with him. Cross Examined. When he made this statement he had been arrested four or five days; the case was adjourned four or five days; this statement was made when he was fully committed by Judge Power. I was sitting alongside of him.

0027

Charles J. Schreff, sworn and examined recalled by the Court. I was present before Justice Power at the time alluded to by the last witness. I did not pay any attention to that statement. I do not recollect that I heard the prisoner make a statement to the Captain; the Captain called him in his room and had a little conversation. He asked him what he was doing there? He said he went up to see a party and he met a pedlar coming down stairs with apples. So he went up and found this room open and he went in and found a "jimmy." He asked him where he found it? He said he found it on the bureau and supposed a burglary had been committed. He asked him if the "jimmy" belonged to him? He said, no. He asked him if he did not know he was stealing? He kind of whimpered out something; he did say that he went into the room of the complainant and took the jimmy from there. Cross Examined. I think Officer Harris was with me in the Captain's room when the prisoner made this statement. I did not take him by the collar. There was no evidence offered for the defence. The jury rendered a verdict of guilty of burglary in the third degree.

The People
vs.

and

Court of General Sessions Part I
Before Judge Gildersleeve.
Monday, June 2, 1884.

Indictment for burglary in the third degree.

Cornelius Kie^{RN}man sworn and examined, testified:

I am a night watchman in the Ganzevoort Market, I saw these boys on the night of the 21st of May about eleven o'clock, there was four of them in a group, I was waiting to catch the four, these two boys were going along trying the doors with keys in their hands, I watched them and got behind a truck to see what they were doing; they used a chisel and some other kind of an iron bar, I don't know whether it was a jimmy or not to pry open Bob El^{AL}ck's office in the Ninth Avenue. I got from behind the truck and ran down Thirteenth Street and told my side partner to go up and see if that door was bursted in. I captured them; they had a lot of Morning Journals that they were pretending to sell for Daily News's at that hour. I chased them from Ninth Avenue and arrested them between Thirteenth and Fourteenth Streets on Tenth Avenue. I ran about a block and a half after them. I went back afterwards and examined the door and found it broken open and the lock smashed right off. There was only two potato sacks in the office; I tried this door at six o'clock and it was closed and secure then.

Cross Examined. There was an Electric light there and I could see the boys plainly, I was about eight or ten feet from them when they were trying the keys in the doors. I never had seen these boys before. I tried this door last about half past ten, and then an officer tries it after me.

0035

Adner Ellis, sworn and examined, testified: I am a police officer of the ninth precinct, I arrested these boys on the night in question in Thirteenth Street between 9th and 10th Avenues; this night watchman delivered them to me; I was taking them to the station house and they dropped a jimmy and a chisel; a jimmy is a piece of iron about half a foot long with a sharp point, I suppose it is used for breaking in doors principally, it is a burglar's tool. I searched the prisoners at the station house, I found on them, a jimmy, a chisel, half a dozen of keys, a lock, a padlock, and a portion of a lock that belongs to a private door, a piece of candle and a box of matches. Cross Examined. I have not the jimmy with me, I turned it over to the station house. I took the matches and the chisel off the largest boy, he dropped the chisel on the street going to the station house, I do not remember that the little fellow had anything.

Cornelius Kiernan, recalled. The value of the bags is about twenty five cents a piece.

The Case for the Defence.

Charles Ruppel sworn and Examined, in his own behalf. We were over in Tenth Avenue in Harry Miener's Theatre; we left there about eleven o'clock and came walking down; there was some soldiers who had a reception and a ball and they were going down that way and there were some young fellows drunk. I don't know this place that was broken into; we had our own house keys, I was sent to the cellar and I did not go, I went off to the Theatre. I did not try any house doors with the keys. I know where the Market is, they fetched us back to it, I did not attempt to open this door with a chisel or anything of the kind. We

0036

did not run away, we were walking as slow as we could before the officer arrested us; we were crying because we were getting arrested. I had a little stone chisel I chopped stones with in my own shop where I used to work; I live at home with my parents: I was employed by Erichs in Eleventh Street, a cigar box factory, I have got a recommendation from there. Cross Examined. I had no jimmy, the chisel was my own, the lock I had was a cellar lock, the candle and matches were my own, I was sent down to the cellar to get up tubs on this night, I did not take them up but went to the theatre. I did not drop anything when the officer arrested me.

Louis Stern, sworn and Examined, testified. I live at 84 SHerrif Street, and have a mother and father living, I do not go to school but I work for Mr Miller at the colorong business but I have been out of employment for three weeks. I went over to Harry Weiner's Theatre with Charles, I had no keys that night, I did not try any doors, I had no jimmy with me, He had a piece of iron that he had in the shop and matches that he had for the cellar, I did not try to get into any place, I saw men attempt to break open a door but we were not with them, we did not stop to look at them but walked right on and the officers arrested us. Cross Examined. I was arrested once before in Sheriff Street for playing Rock on Dock half a year ago, I have a mother but she is not here.

The jury rendered a verdict of guilty with recommendation to mercy.

That at the June Term of the Court of General Sessions Part II she testified among other things that she owned 200 shares of Reading R.R. stock, 100 shares of Pennsylvania Central R.R. stock and 100 shares of Western Union Telegraph Co. stock, when in fact she then only owned two shares of Western Union Telegraph stock. Deponent says that she did own said stock years ago, but that she had sold it at different times, the last that she sold was 3 shares of the Pennsylvania Central R.R. stock at Philadelphia in the year 1875 through the firm of Glendinning, Amroy & Davis Brokers at No. 17 Wall Street New York City. Deponent's name then being Madeline E. Rendall and said stock was held in that name.

Deponent says the reason she so testified as aforesaid, is, that she thought it was not

their business (meaning the business of the defendant and his counsel) and had nothing to do with the case against Frank Russell.

Deponent further says that she has no employment at present and has no income except ~~that~~ she received from her mother Elizabeth Ash who resides at the Corner of 15th and Heald Streets Wilmington Del. with her daughter Annie Carter, the sum of one hundred dollars about the beginning of January 1884; from the Western Union Stock three dividends one in October ^{16th} 1883 Jan'y ^{16th} 1884 and the last in April ^{16th} 1884 amounting to three \$7.00 dollars each. and on April 28, 1884 the sum of sixty one dollars from Bernard Haggerty the brother-in-law of Frank Russell in settlement of damages against said Russell.

That the foregoing amounts are the only sums and only income she has had since October 1883 when she arrived in this City from Wilmington Del. and had at that time about \$75.00.

That she has ~~an~~ expended since that time on an average about sixteen dollars per month for living expenses, and has now in her possession about eighty seven dollars, which amount deponent here shows and counts in the presence of Mr Wm N. Penney and Rudolph L. Lcharf.

0091

Deponent says that on the 17th day of April 1884, the night of the assault, she had ~~with~~ the sum of over Forty dollars in bills and the certificate for the April dividends on the stock ~~with~~ her in the lining of the waist of her dress, and the sum of about four dollars in silver in her purse, which was in her pocket. it?

B In the middle of May 1873, I took the
 house No 1255 Broadway; I furnished it
 very handsomely at a cost of \$4,500 and
 let out furnished rooms to gentlemen.
 The location being Central - next to the
 Winchester Hotel - I did very well. In
 the year 1876 - some time during the fall
 of 1876, ^{I established} Vapor and electric baths at No
 1255 Broadway. A young gentleman
 who was practising dentistry, a nephew of
 old Dr Skinner of Park Place waited on
 the gentlemen in the house and gave the
 baths; the lady patients I attended to
 myself. On the second day of May 1880
 in St. Anne's Protestant Episcopal Church
 I married Dominick Mc Dermott

X
 B Your second husband?

A Yes Sir. I lived with him for about three
 weeks; he was so and so during that
 time. He commenced to quarrel and
 ill treat me. He worked as a brass-
 finisher for Colonel Holmes 49 Chamber
 Street; the factory was in Twenty fourth
 Street between Tenth & Eleventh Avenues.
 - Holmes and Guggs. He worked until
 Saturday night when he would get
 his money. Probably he would bring it

home and give it to me: half an hour afterwards he would demand it back again, and go to a rum shop. Come home on Sunday morning and, not having a cent I had to support him all the week.

Q You separated from this man?

A Yes.

Q What other business did you go into?

A Life with him was very miserable; I could not put up with him; I had him arrested and Justice Patterson committed him to the Island. During that time I sold my house out for the cash sum of \$2,000; I then moved to Nineleenth Street and lived with my mother until he got off the Island and came back again. He promised to behave himself if I took him back. He behaved himself for a few weeks. The few things I had I stored in ~~Wapdag~~ and broke up house. I went home with my mother in 1880 or the Commencement of January 1881; I stayed there until April 1881; I returned and remained one week in New York. I went to Haverstraw and remained with a family named Hamilton; he was the Superintendent of one of the brick-yards there owned

A BEAUTIFUL SKIN

Permanently Secured.

For all disorders of the skin these baths are unequalled. The medicated vapors permeate the pores, cleansing, softening and restoring that clear healthy appearance to the skin, so much sought for and so seldom attained, pimples and other unsightly excrescences vanish because the medicines have reached and destroyed the disease which was their cause and which kept them in existence. Medicines taken internally may assist nature to mitigate the disease; but the skin must be thoroughly cleansed, and the pores opened and kept in a healthy condition, or a smooth, soft, clear and healthy skin can not be secured. We assert that our New REMEDIAL VAPOR BATHS will accomplish this; and that by adapting our vaporized medicinal agents and treatment to each case, we treat it intelligently and therefore successfully. The undersigned begs leave to notify his former patrons and the public generally that he has opened new and elegant apartments at the above number for the treatment of all diseases of the skin, nerves, and blood and other disorders of the system. By the new principle adopted in mediating the vapors, and the great variety of medicines we vaporize and employ, not only are the proper remedial agents applied, and readily and perfectly absorbed into the system, but this method of application is entirely free from the many disagreeable and uncomfortable incidents heretofore attendant on all the varieties of vapor baths. We will cheerfully acquaint a patient with the remedial agent we are using in his or her particular case, as we make no secret either of our medicaments or our method of applying them.

Q Then what?

A He took hold of my arm and said "Good night."

0931

12

Q Had you ever seen him before?

A No sir, not to my knowledge.

Q Well, what then?

A He asked me where I was going and I said to 39th. Street; He said "Where do you live?" and I said I live in 39th. Street. He said I am fitting up a place around here, I wish you could come and look at it, and I said "No, I want to go home." He said "It is only a half a minutes walk in Seventh Avenue." He said "I am fitting up a saloon business." I told him I thought my going around there would not benefit him any. I consented to walk around. He lit a light and set it on the ~~xxxxxx~~ counter. He asked me to drink something and I told him no, I never drank anything. He rattled amongst some bottles and he poured out two glasses one was full of something, I could not tell you what; the other was about three quarters full, and he drank it. He handed me the full glass, but I refused to drink it. I was sitting on a chair at the time and he took hold of me and threw me on the floor.

0932

13

Q Where were you then?

A I was sitting on a chair about five feet from the door in the saloon or store. Then I struggled and got away from him and stood up. I went to the door and I said "Please unlock the door and let me out," and he took a knife out of his pocket. I felt something sharp stabbing me and I stepped back about four feet I suppose. I looked up at him and I said "Would you be mean enough to bring me in here, ^{a Prisoner} lock me up and stab me?" He said "Yes, I would stab your damned heart out!" I said, "the best thing you can do is to shut that knife up and put it in your pocket, or you will see the day you will be sorry." I asked him to open the door and let me out, and he said for me not to make any noise, and he took up a chair to strike me; then he took up a plane and afterwards a hatchet to strike me. I saw if I could make a noise that he would strike me; I grabbed a club which was there and knocked the hatchet out of his hand. Then he came and took hold of me and choked me around the neck. Then after that he got me down on the

floor a second time, and I got up off the floor; then he grabbed me by the shoulder and gave me four or five successive blows, five or six successive blows. Then he struck me on the shoulder and then on the ear and base of the brain, and on the forehead, eyes, and nose; then the blood was running from my face; he got both hands over my mouth to keep me from crying. Then after that he was about half an hour wiping the blood off me. In order to get me down on the floor a third time he threw my feet from under me; while I was on the floor I could not get hold of anything to pull myself up-- I was down on the floor and could not get up, and he had his arm across my neck choking me. Then he stayed with me.

Q What do you mean by that?

A ~~He~~ had connection with him.

Q During this time did you make any outcry?

A Yes, sir; several times. ~~not during the time he had~~
~~connection, he had his arm over my mouth and~~

Q During this half hour that it took to take the blood off you, was it before or after he had connection with you?

A Before he had connection with me.

0934

15

Q It took him about half an hour to take the blood off you?

A Yes, sir.

Q Did he wipe it off?

A Yes, sir; he went and got a bottle of some kind of stuff and wet a handkerchief to wipe it off; then I had a handkerchief and there was a cloth full of blood besides.

Q Have you stated all that occurred at that time, up to the time and including the time that he had connection with you?

A Yes, sir.

Q Did you take a drink with him?

A ~~No~~, sir.

Q Did he offer you drink?

A He did.

Q And you did not drink with him?

A I did not.

Q You do not drink at all, do you?

A No, I do not.

Q Have you drank anything?

A I have in my life, but I would not drink under those circumstances, and if I did I would not drink more than one glass.

0935

10

Q Had you been drinking that night?

A No, sir.

Q Where did you come from?

A Eighteenth Street between Seventh and Eighth Avenues.

Q What is the number?

A I think it 230.

Q What were you doing there?

A I went on some business.

Q To see whom?

A To see a lady by the name of Mrs. Hill.

Q On that business?

A On a patent case I am getting through?

Q Does she live in 18th Street?

A Yes, sir.

Q What is her first name?

A I do not think I know it.

Q Was that the first time that you had seen Miss Hill?

A I had seen her several times before; I did not see her on that night; she had gone to bed; I wanted to ask her about some advice on the patent I was working through.

0936

17

Q What is that patent?

A Well, it is a glass treadle on a sewing machine.

Q Now, what was your object in going to see Mrs. Hill on that night in 13th Street?

A To see if I could get any suggestions in making an improvement.

Q Have you got the patent?

A No, sir; not yet; I have not taken it out.

Q Who has charge of that patent?

A Mr. Hadley.

Q This same gentleman that you speak of at 71 Broadway?

A Yes, sir.

Q Well, where were you going?

A I was going home.

Q Now, you mean to tell the Court that Frank Russell in this place placed his penis in your private person and had sexual intercourse with you?

A Yes, sir.

Q Did he consummate the sexual intercourse?

0937

10

A Yes, sir; he did himself.

Q Whereabouts was this, in what part of the premises?

A I do not think I know the number, but it is on Seventh Avenue between 20th. and 21st. Streets, I have not been there since to see what the number was.

Q What part of Seventh Avenue was it on?

A About the centre of the block, as near as I can tell.

Q Will you describe the place inside there as near as you can?

A It is a long room with a counter, and a lot of chairs and a big glass; such things as you would have in a saloon. Of course I did not look around at the things; I looked at the door to get out.

Q Did you get out of the door at all?

A Yes, sir; I got hold of the knob of the door several times and he laughed at me because he had the key in his pocket and I could not get out.

Q Did you see the procession?

A No, sir, it was just about passed.

Q When you went out of the store where did you go?

A I stood on the side-walk and I turned around and looked, to see if I would know the place.

0938

18

Q Then where did you go?

A To the upper corner to see if I could find an officer.

Q In Seventh Avenue?

A Yes, sir.

Q Then you must have been about 22nd. Street?

A It is between 20th. and 21st. Streets.

Q Did you meet an officer?

A I met one on the lower corner; I came back and saw two standing on the lower corner.

Q Then what occurred?

A I told him how the man assaulted me in there.

Q You met two officers on the corner of 20th. Street and Seventh Avenue?

A Yes, sir, and I told them I had been locked up in a store or room a few doors above, and how the man assaulted me and kept me there for hours, and would not let me out; and the officer said "Come up and show me the door," and I went up and showed him the door.

Q How long had you been kept in the place in Seventh Avenue and 20th. Street?

0939

20

A Well I went in there a little after nine and I did not get out of there until after one o'clock.

Q You were there between three and four hours?

A Yes, sir.

Q And it took him all that time to have sexual intercourse with you?

A Yes, sir.

Q Did he have it more than once?

A Only once; I was in there over two hours after I had sexual intercourse coaxing him to unlock the door to let me out.

Q After he had been in there did he strike you?

A No, sir; he did not strike me after that.

Q What did you do there, sitting down?

A No, sir; I would not sit down.

Q You stood up?

A Yes, sir.

Q Did you have a conversation with him?

A I told him to let me out.

0940

25

Q And you repeated that?

A I repeated it one hundred times.

Q How did you get out finally?

A When he heard a drum beating he unlocked the door, and when he unlocked it I jumped through the door.

Q And that was about one o'clock when the procession passed?

A Yes, sir.

Q Did you have a sash on when you went in there?

A Yes, sir.

Q And a hat?

A Yes, sir.

Q How did it get off your head?

A The hat fell off. I was bleeding from the face and I did not want to get the blood on my coat and I slipped it off on a chair; when I came out I did not have my coat or hat. I thought I could buy a new coat and hat, but not my life.

Q Did you make any outcry at all?

A Yes, sir; several times.

Q After this time?

A During and after.

0941

33

- Q What were those outcries?
- A I told him I would cry for the police.
- Q Did you cry for the police?
- A I did, several times.
- Q How did you cry for the police?
- A I cannot hardly tell you; I rattled the door.
- Q Anything else?
- A Yes, sir; I cried for the police.
- Q Did you cry "police?"
- A Yes, sir.
- Q How loud did you cry?
- A Louder than you are talking.
- Q How loud?
- A Well, if they were passing they certainly could hear me.
- Q Well, how loud is that?
- A As loud as an ordinary outcry.
- Q Did you cry at the height of your voice?
- A No, sir; not at the height of my voice.
- Q Why not?
- A I was saving my life; I did not want to make an outcry so

0942

23

33

City and County of New York ss.

G E O R G E S. T H A P M A N a witness called and sworn.

Q (MR. MORGAN.) I believe you made the arrest in this case?

A Yes, sir.

Q What time did you make it?

A About twenty minutes of one o'clock.

Q Is that the time you arrived at the station house?

A No, sir; I went down from 20th. Street.

Q What was the condition of this woman as to sobriety?

A She was perfectly sober, the same as at the present time.

Q What did she tell you?

A There was a military company passing at the time; as they passed I stood on the corner with the other officer. She came up to me with an old hat and a cloak, and she said she was beastly assaulted in the place in Seventh Avenue. I looked at her and I saw her eyes pretty nearly closed and *on the face, and cut* blood across the nose. I went to the place where she said

0953

34

she was assaulted, and it was locked up. I asked for an admission but I could not get in. I called the officer on 20th. Street, and the officer on 21st. Street there, and I took her to the station-house to have her make her statement to the sergeant. I then went back to the place.

Q. Then you made the arrest of this party?

A. Yes, sir; after I broke in. I rapped three or four times and I could not get in; I broke the glass and went through the door window.

Q. You found him there?

A. Yes, sir.

Q. What did he say at the time? Did you charge him with it at the time?

A. When I broke the glass out I tried to get him to answer and he would not answer.

Q. Did you charge him with it?

A. No, sir.

Q. Did you charge him at the time when you got him to the station-house?

0954

A. At the station-house he asked me what I wanted him for, and I told him for assaulting the woman.

Q. What was the charge made on the blotter at the station-house?

A. Rape.

Q. Was he charged with that at the time?

A. Yes, sir.

Q. Did you or anyone in your presence tell him what he was charged with?

A. No, sir.

Q. When was the first he knew about it?

A. When I made the arrest I sent him with two officers to the station-house. I remained and secured the place; he said that he had a great deal of valuable stuff in the place.

When I came to the station-house I think he was locked up.

I could not be positive, however.

Sworn to before me this 9th.
