189.....

Col. Asa Bird Gardner,

District Attorney,

New-York, N. Y.

Dear Sir:-

Ernst Frederick died on July 9th, 1898.

At a Court of General Sessions of the Peace, held in the City Hall on Thursday, the 8th day of August, 1889, Ernst Frederick was directed to be conveyed to the Hudson River State Hospital to remain until restored to a sound state of mind.

The order was signed by the presiding Judge, Hon. Henry A. Gildersleeve, the patient on indictment for crime against nature, having been found to be insane by an inquisition appointed by the Court.

On June 3rd, 1892, the said patient was transferred to the custody of the Matteawan State Hospital on the order of the Hon. Joseph F. Barnard, Justice Supreme Court, under the provisions of Chapter 515, Laws of 1884.

I notify you of the death of this patient in order that the fact may be filed in your office with papers relating to his indictment, his case having been dismissed by death.

Respectfully yours,

H. E. Allison

DR. MATTHEW D. FIELD called as a witness on behalf of the people, being duly sworn, testified as follows:-

Mr Jerome opened the case for the people.

DIRECT EXAMINATION by Mr Jerome.

- Q. Doctor, what is your business? A. I am a Physician and Surgeon.
- Q. And have been for how many years? A. Ten years.
- Q. You have devoted yourself especially to the study of insanity, haven't you? A. Yes.
- Q. Have you made an examination of the defendant at the bar?
- A. Yes, sir.

Q. When did you examine him? A. My attention was first called to the prisoner, I think, either the last day of June or first day of July, while I was at the Tombs, and it was my opinion at that time that he was suffering from delerium tremens or alcoholism. The next day he was transferred to the Pavilion at Bellevue, on the second of July. We had him there several days under our observation, and then he was transferred to the Cage where they keep patient prisoners in the hospital. Since his return I have seen him two or three times at the Tombs. He recovered from the acute alcoholic symptoms, and since then has been in a state of dementia, in which he still is now. What his previous condition to the time of my seeing him was I do not know. I do not know whether he had mental aberration previous to the time I saw him. His present condition is dementia such as might follow an attack of delirium tremens.

Q. He is not in possession of his faculties? A. No, sir.

Q. You do not consider he is sufficiently intelligent to instruct his Counsel as to the criminal charge against him?

A. No, sir.

Q. Or that it would be safe to allow him to go at large, to himself or to the community? A. It certainly would not be safe to himself or to the community.

DR. STUART DOUGLAS called as a witness on behalf of the People, being duly sworn, testified as follows:-

DIRECT-EXAMINATION by Mr Jerome.

- Q. You are a Physician and Surgeon? A. At Bellevue Hospital.
- Q. How long have you been such? A. I have been connected with the insane for seven years.
- Q. Made a specialty of the study of the insane? A. I have; for seven years.
- Q. Have you examined the defendant at the bar? A. I have.
- Q. Will you state to the Jury the result of the examination you made? A. I consider him now suffering from a form of insanity which we term "Acute Dementia", and in my opinion he is unfit to instruct his Counsel in the case.
- Q. He would not understand the nature of a criminal proceeding had against him? A. He would not.
- Q. And do you consider him safe to go at large among the community? A. I do not.
- Q. You think his condition is such that he should be under restraint? A. I do.

People rest.

JUDGE'S CHARGE.

Gentlemen of the Jury: The Code provides that an act done by an idiot, an imbecile or a person of unsound mind is not a crime; and it further provides that a person can not be tried, sentenced to any punishment, or punished for a crime while he is in a state of idiocy, imbecility, lunacy or insanity so as to be incapable of understanding the proceedings, or making his defense.

These Physicians who have examined this defendant say that in their judgment the condition of his mind is such that he is not capable of understanding the nature of the proceedings, ~~or~~ ^{necessary to the} trial, or to advise his Counsel in making his defense. If you agree with them you will say by your verdict that you find this defendant insane. The case is now with you.

After consultation the Jury rendered a verdict declaring the defendant now insane.

The Court then committed the prisoner to the State Hospital for the Insane at Poughkeepsie.
