**Motion Pictures-Folks
Ordinance**

ud

To the Hon. William J. Gaynor, Mayor of the City of New York:

We, the undersigned, members of the Public School #166
132 West 94th St.

in the City of New York, do respectfully petition your honor to approve the Folks Motion-Picture Ordinance, including the section requiring that all films shall be approved by censors under the direction of the Board of Education, before they can be displayed in motion-picture shows of our city. We urge this in behalf of the children who constitute fully 75 per cent. of the patrons of motion pictures, in order that they may find their pleasure in seeing wholesome and uplifting pictures instead of scenes in which the details of crime are given in such a way as to tend to corrupt the morals of youth. We respectfully urge your honor to make a Xmas gift of cleansed motion pictures to the children of our beloved city.
