PEOPLE ON MY COMPLAINT,

VERSUS

Charles Jacobs

Assault / st / 1 / 1886

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. - It is a mistake in the Complaint that causes me to assert that defendant had some sharp instrument - I do not mean to be understood as swearing defendant cut or stabbed me, I believe it was a Ring defendant had on his finger that cut me - We had a quarrel - I had been drinking blows followed the words - defendant struck me, and I struck him and that's all there was of it
