PEOPLE ON MY COMPLAINT,

VERSUS

Frank Mitchell Thomas
 Elias Weilgman Conaghan
 & John Daly et al

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself, and further that from personal investigation and information received I do not think that the above named defendant (John Daly) intended to steal any of the goods named in the Complaint herein. That as soon as he found that goods were being stolen from the Van in which they were at the time he jumped off the Van - and was going to where he could find the owners for the purpose of telling them that the three other men were stealing goods when I mistook that act of his and thought he was trying to run away. I have since found out that Daly is a hard working industrious and decent fellow having never been convicted of any crime. The other 3 men in this case acknowledged their guilt when arrested and have since been sentenced. I have a very strong doubt in favor of Daly as to his guilt.
