As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

I am not sure that the glass was broken by these defendants and I am not sure that they entered the premises with an intent to commit any crime. There was money in the drawer which was left untouched and other property which was not disturbed. The defendants have heretofore borne a good character.

PEOPLE ON MY COMPLAINT,
VERSUS

Heriman Oetting

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The prisoner is a married man of family; I had former business dealings with him and always found him honest. In this particular case I feel that I have acted hastily in making a criminal charge, as I am satisfied the defendant did not intend to defraud me, and I have faulted his intention to pay for the goods when at the first opportunity. He has altogether over \$100 worth of property which he duly accounted for accepting this, and his failure to do so was due to a customer disappointing him.

Hon. Frederick Smith.

Recorder, City of New York

Sir

In answer relative to enquiry as to the Character of John O'Neil alias John Bradley, proper name John Richards from careful enquiry I learn he has resided in this City for past year, having come here from Illinois, since coming to this City he has been the Companion of Thieves among such one John Ferguson of 10th Avenue ^{and 44th Street}. Said Ferguson is known as a Flat thief & has served a term in State Prison, I am unable to ascertain that O'Neil has ever been convicted before in this State, but my best information leads me to believe he has been actively engaged with Ferguson during past year.

I know nothing about either O'Neil or Pimper being connected with the Burglary of L. W. Andrews. nothing pertaining to such crime was found on the person of either prisoner when arrested or since to my knowledge.

Louis Pimper previous to this arrest has borne a good Character. he was a news dealer at 10th Avenue ^{and 44th Street}, he has not resided with his Parents for past year. but boarded with a woman named Mrs. Levillman at 552 West 43rd St. I believe this is his first attempt at Crime. and attribute his present position to be due to evil associations formed recently. His people are

respectable. Persons residing in the Vicinity.

My dear Sir:-

I understand that Louis Pimper, charged with burglary, is to come before you. His mother is a parishioner of mine and a thoroughly good woman, and all the rest of her children are as nice young people as you could wish to see. This is ^{Louis} Louis' first offense and it came to his family as a great shock. I have advised them not to attempt a defense, but to let Louis tell the plain truth and to trust in your mercy. I hope you will do what your sense of duty and the law permit you to do in the direction of mercy. Especially I hope that you will send him to Elmira rather than to any of the other prisons.

Very truly yours,

Dear Sir:-

I should like to be notified when you bring before the Grand Jury the case of Louis Premper and John O'Neill, alias John Bradley, whom I presume you will endeavor to have indicted for burglary.

On returning from the country Sunday night, the 10th inst., we found that our apartments had been ransacked by burglars. This morning Mrs. Andrews and myself visited the Police Station in West 47th Street between 8th and 9th Avenues, and there identified several articles which we had left in our apartments and which the police had found in the possession of either O'Neill or Premper, thus proving pretty conclusively, ~~that they are the burglars who ransacked us.~~

Yours very truly,

Lilian Herbert Andrews

PEOPLE ON MY COMPLAINT,
VERSUS

J. Henry Cummings

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

That for a further clemency the complainant believes that the defendant had no intention of stealing the complainant trunk and clothes after having been fully informed of the circumstance he is confident that such were not the intentions of the defendant.

J. Henry Cummings

Deponent further shows that he has known the defendant in or about five (5) years and during that time he has always borne the reputation of being an upright, honest and industrious young man and that he has known the defendant to be the same. That the defendant never before was ever accused of any offense or crime or ever imprisoned upon any charge whatever. That the deponent was forced into the matter causing the arrest of the defendant upon the spur of the moment before he had time to investigate for himself. That the detectives without delay forced the matter before things had been properly and honorably investigated.

Deponent further shows that the defendant lives with his wife at #528 West 45th Street in said City and that he has no cause or need to have taken the defendant's property as he has a good situation and sufficient good clothing for himself, wherefore deponent further believes that the defendant had no intention to appropriate the defendant's trunk or to steal the same and asks that he may be released and given his liberty.
