The People
Samuel Galvin. } Court of General Sessions, Part I.
Before Judge Cowing.
August 5, 1884.

Indictment for assault in the first degree.

Jeremiah Sullivan sworn and examined. Where do you live?
478 Pearl Street in this city. What is your business? I
am a laborer, a hod carrier. Do you remember monday, the
23rd of June last? Yes. Did you see the prisoner on that
day? I saw him about half past seven in the evening, he
passed me down the street, I saw him on the corner of Cen-
ter and Worth Streets, I was sitting on a box smoking my
pipe, I knew the prisoner before that; he did not say
anything to me as he passed by; then he returned back
again about ten minutes after himself and five more and
they approached me; I left the corner and went down about
two doors on the other side, I sat on the stoop and I re-
turned again about nine o'clock, I was sitting on the box
on the corner at ten minutes past nine. John O'Brien said
to me is you and your brother as good a man as you were
last night? I said I don't know anything at all about it,
I had a knife and was cutting a match, I was after chewing
tobacco picking my teeth, I was whittling a match. John
O'Brien said close that knife and I closed the knife and
put it in my pocket; then Dick O'Shay, if you don't go
down off that box I'll break and smash you in the head
with it. So then he ran out and before he came in again
the prisoner came and pulled the revolver and fired and
shot me in the throat, I was sitting down on a box. How
many shots did the prisoner fire? Three. How many struck
you? One, he was as close to me as I am to the stenogra-
pher, four or five feet from me when he fired the shot

0377

1

that hit me, I ran when I felt the blood running down, I did not know I was shot, I met two officers coming down Worth Street and I ran into their arms; they said what is the matter? I says, I am shot. Did you go to the hospital? Yes, I was there from the 23rd of June until the 5th of July. The prisoner and a brother of mine had some quarrel before this; it was of that that O'Brien talked when he and the rest of them came up to me the day I was shot.

Cross Examined. Have not you had a little trouble with this prisoner before the day you were shot? Sunday night or Saturday night, I was shot on Monday night about a quarter past nine. Did not you and your brother have some trouble with this young man on Sunday? Yes. Look at that wound on that young man's head, that plaster covering around there, do you know how that got on his head? My brother done that to him, not me, I was present at the time he did it. And he did that with a chisel? Yes, when he fired three shots at him the night before that. Did he use a chisel? I do not know what he had- a piece of a nail. Was it a hatchet? No I did not see him with any hatchet; this was on Sunday in the public street. Was there anybody with the prisoner at the time? I do not know. Was he not all alone? There were some more fellows with him, I cannot remember. Did not you hold this young man by the arms while your brother beat him over the head with a chisel? Because he had a revolver out of his pocket going to shoot my brother, why would not I catch him and not let him shoot my brother. I had hold of him by the arm, I guess my brother hit him once. I do not know what was the cause of the trouble between him and my brother. Don't you know that this young man had prevented your brother from robbing a man on Sunday? No sir, I don't

0378

know anything of the kind, I did not hear of it, he never done a thing in his life like that. Do you know a young man by the name of John Leary? Yes sir. Don't you know that your brother attempted to rob that man and he interfered and stopped it? No sir. What did he want to assault you on Sunday morning for with a revolver? I don't know. Did this young man draw a revolver on him before he struck him with a chisel? Yes, he ran into him, he had a revolver, he had a torn pocket and I saw the barrel of the revolver out he having hold of it, then I came and got hold of his hand. This was Sunday morning, I saw him next on Monday. At the time that he shot you did not you attempt to stab him with a knife you had in your hand? No sir, the knife was closed before he shot me; when O'Brien told me to close the knife I closed it; my brother was not there at the time but Patrick Tucker was with me, he is not here to-day, I have not the knife with me, I never was arrested.

Thomas J. Crystal sworn. I am an officer of the Sixth Precinct and arrested the prisoner in Pearl Street in front of his residence on the morning after the shooting. I did not find the pistol, he said he had thrown it in the sewer on the corner of Pearl and Center Streets where the shooting took place. I brought the complainant to the hospital that morning in 15th Street and he identified the prisoner as the man that shot him. The complainant at that time was in one of the hospital wards, was he? Yes. Under treatment? Yes. When you arrested this defendant had you any conversation with him about the shooting? I asked him why he shot him and he said he had some trouble with him and his brothers; he said that his two brothers beat him the day previous to that.

0379

Samuel Galvin sworn and examined in his own behalf, testified. I live 488 Pearl Street with my father, I know the Sullivans; the one who swore against me lives the next building to me, I know the brother who is absent to-day had have known him twelve months. I saw the Sullivan who is absent on Sunday morning early. What was he trying to do when you saw him? He was trying to rob a young man named Leary in the yard of 478 Pearl Street. Did you stop it? Yes, I interceded in the behalf of the man who was getting robbed, I prevented the robbery, I saw that Sullivan one hour after that on the corner of Leonard and Center Streets about six o'clock; we were all in the yard. What happened when the two brothers Sullivan came up in the street and you got beat if you did get beat? Jeremiah Sullivan caught me by the arms and held me while his brother struck me with a chisel and before this his brother struck me with an ax in the head. Then Jeremiah Sullivan held my hand while his brother struck me with a chisel and then struck me once on the side of the head and knocked me down, whereupon Jeremiah Sullivan kicked me three times in the ribs and would have done more only for the people interfering and stopping him. They left me and I went to the hospital and had my wound dressed by Dr Mack at the Chamber Street hospital. This happened on Sunday morning about six o'clock I think it was the 23rd, I have not had the plaster taken off since, I think there was two stitches put into it, I saw the young man I shot next on Monday evening at nine o'clock; there was two or three standing on the corner I think. I was going home Monday night and I heard some words and I stopped to listen. Jeremiah Sullivan had a knife open in his hand and he rushed at me

0380

saying, I will finish you this time, I drew the pistol and told him to keep off, he then ran at me and I fired. Why did you fire that pistol? He would have killed me if I did not do that. Did you do it to defend yourself or not? Yes sir, I did it in self-defence. How long did you have that pistol? I had it about a week, I was going to keep it for the Fourth of July, this was the 23rd day of June, I found it in the yard of 478 Pearl Street, it was loaded when I found it. I heard that these men were going to kill me after they assaulted me so I carried it to defend myself, to protect myself. Thomas Lynnell told me this and he is in Court, I went to the hospital twice. I got four cuts from the hatchet when his brother assaulted me and I got the cut on the head when they hit me, they are nearly all better. I was arrested once by my father for being drunk and that is the only time I have been arrested.

Cross Examined. What did your father do with you? He gave me ten days or three months I am not sure for being drunk. Did not your father have you arrested and convicted and sent up for assaulting him? No sir. I shot this man in self defence because I knew my life was in danger.

There are a number of persons who saw Sullivan make this assault upon you? There were some people standing on the corner I don't know whether they saw the shooting or saw him running at me with a knife. I do not know what I did throw the pistol away for, I heard that man was shot, I threw it away, I would not carry it any longer. I made no complaint to the police after Jeremiah Sullivan and his brother beat me over the head with the hatchet and cut me with a chisel because I was afraid, I am an express driver I am sure I found the pistol, I was arrested the next morning after the shooting, I told the officer I shot the

0381

man in self-defence. He was coming towards me with the knife and I pulled the pistol and fired, I could not have ran to the other side of the fruit stand for he would have stabbed me, I never thought of running I was so excited.

Thomas J. Crystal recalled. I noticed that the prisoner's head was bandaged and there was blood on the coat he wore, I noticed a tub in the room with bloody clothes and his mother said they were his clothes.

Thomas Lynett sworn. I work at 25 Pearl Street at a bag place, I know the prisoner. Did you at any time warn him to take care of himself? Yes, Sunday morning. I told him Simon, that's what we always call him look out for those two brothers for they are right after you following you up; he went to go over in his aunt's house and Jeremiah seized him Sunday morning.

John Leary sworn. I am the young man whom one of the Sullivans attempted to rob on Sunday morning and the defendant took him away from me. I made no complaint against Sullivan about his attempt to rob me, I had twenty-eight cents in my pocket.

John Galvin sworn. I am a carpenter and my boy lives with me, I had him arrested on New Year Day and had him locked up until he got sober, he was arrested on suspicion once before but I made an affidavit before the Judge in the Police Court that he was innocent, I never heard of my boy being arrested charged with stabbing a man named Shay.

The jury rendered a verdict of guilty of assault in the second degree. The defendant was sentenced to the State prison for four years and six months.

PEOPLE ON MY COMPLAINT,
VERSUS*Cornelius A. Golding*

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. He is my only son and he being now sick in the Charity Hospital, as will appear by the annexed Doctor's certificate, and I believe that he will not recover, and as I have been informed by my family physician, who is now dead, that by reason of his sickness he is at times somewhat demented and I believe was so at the time he took the horse and wagon and failed to return the same. I have forgiven him and ask the Court to extend to him all the clemency within its power.
