As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. That the defendant has been punished sufficiently already, he having been locked up several days in the City Prison. I was very slightly hurt indeed.

The defendant has a large family of small children depending on him for support. And we were both equally at fault in the assault.
