New York Supreme Court
County of New York

The People &c.
- v -
Horatio A. Wright

To the

Hon.

Justice of the Supreme Ct.

The Petition of A. H. Purdy respectfully shows
that he is the Attorney for Horatio A. Wright
who was convicted in the Court of General
Sessions of the Peace of the City and County
of New York on the 10th day of January 1882
on the charge of Embezzlement.

First: The indictment on which said Wright
was tried embraced six (6) Counts five
of which were dismissed by the Court, leaving
only the first which is hereto annexed
marked Exhibit "A"

Second: That numerous exceptions were
taken and grave questions of law raised on
said trial, the whole of which cannot
be presented at this time to this Hon.
Court for the reason that the Appropria-
tions Minutes are not yet copied out
but will be presented to your Honor

upon the argument of this motion.

Third: Among the questions raised are that the indictment does not charge a crime for the reason it charges the embezzlement of a certain "valuable security" to wit an unendorsed check. The Statute provides for the embezzlement of money, goods or valuable security. It is respectfully submitted that an unendorsed check is not money, goods or a valuable security, and could not be valuable within the meaning of the law, and the evidence disclosed the fact that the said check was never endorsed by the payee.

Fourth: The learned Recorder committed many errors on his charge to the jury. for example he was requested to charge that the prisoner could not be convicted for an error in bookkeeping. He refused so to charge, and your petitioner further shows, that the record of this case will show many grave and manifest errors and for that reason he respectfully asks, that under Section 527 of the Code of Criminal Procedure that your petitioner be allowed to give notice to the District Attorney of this Appellate.

0990

cation for a Certificate as provided for
in said Section And pending such
application the stay as provided
in said Section may be granted.

Deponent further shows that he
has complied with Section 522 of
said Act.

And your petitioner will ever
pray &c.

New York, Jan. 1st 1872
The Attorney General's Office.

Sir,
I address these few lines to you, hoping
by them you may have the pleasure of reading
them; and earnestly hope that your kindness
may lead you into looking into my case of
which I am wilfully accused of, and of which
I am lying in a prison cell for. I am ar-
rested of a charge of which I am totally
innocent, and a crime of which I would not
do for almost anything. I was in a Liquor
Store along with my friend taking something
to drink when I asked my friend for the
loan of 2 cents which he had about him,
and he told me if I could get it out of his pocket
I could have it, so I done accordingly to
what he told me to do, when he went out-
side and told a policeman, who came in
and arrested me. When I heard those cruel
words, arrest that man for trying to rob me
of my money, especially from a man

0994

with whom I have been a companion with for
 last 2 or 3 months, and, who I have treated
 like, as if he was my own brother; ever since
 I have known him, I cannot express my
 feeling which I endured at the moment, when
 the Officer came to me and repeated those
 words, that I must go along with him: the
 very man that had me arrested, knows from
 the bottom of his heart that I am not guilty
 of so base and so scandalous an act, as to
 robbed my own friend and companion.

No, Sir! I was never guilty of such
 a mean contemptible act, I would not be
 guilty of robbing any one. There is among
 a man is condemned to felons cell by the means
 of such rascals that are going about on
 adays. I have been in this city over 30
 years and I have never been known to
 robbed any man. I have been brought
 up in Mr. Daniel Jackson family
 the City Controller and lived with
 him a great many years. He can give
 me the best of character, for I have

0995

always treated, and acted towards him
as if I was his own son. I beg of you
Sir, to help me in this matter which
is so serious, for the Officer told me if
this man did not go against me, he would
put me away anyway; Yes Sir; the
Officer told me this; the reason why
he told me this I do not know, for
have never known the officer before. I
am a poor man Sir; and have no friends
to help me out of this disgraceful charge
only the Gentlemen Mr. David
Jackson the City contractor: I beg
of your kindness to go and see the
gentleman and tell him my circum-
stances and where I am. These are
my earnest wishes. I have heard of
your kindness towards other prisoners
who are confined in the tombs; and I
was thinking that I should write a few
lines to you, that it may please you
greatly by doing something for me.

0996

Kind Sir, if you help me in this matter
I hope that God will help you
and your family, and, protect them
from all harm in this world. For
the Almighty God is our only
Judge, and in Him we have got to
place our trust. I ask you for the
Almighty God sake to listen to my
humble petition which I address
to you this day, and help me in
this matter, if I could see you
privately I could tell you every thing
about it. No more at present

Yours truly

What has become of Wright's case? Do not
have it called before the 20th as our principal
witness had to leave the City last night & will
not be back for two weeks probably. In the mean-
time ought not an execution to be issued against
the bail. I am very anxious the man should
