I have made a careful examination of the antecedents of defendant Warren for the purpose of ascertaining what disposition should be made of the case against him. Warren's character in the past has been excellent. His family is good & the boy has heretofore lead an industrious life. This information I got from the officer. In my opinion he was tempted to the crime by defendant Dempsey who is an old offender.

I think that the defendant Warren should plead guilty & that sentence upon him be suspended.

An investigation by this Association as to the character of Samuel Gray shows that he bears a very bad name in the neighborhood where he formerly lived. He has been associating with young thieves and is undoubtedly guilty of the offense with which he is charged.

As he is a Catholic and but 14 years of age, we most respectfully ask that he be sent to the Catholic Protectory.
