From the statements of the
complainant, and from exam-
ination by me made I am of
opinion that the evidence does
not so far make it clear that
the defendant was actuated
by a felonious intent. Compl-
ant and Goff were employed to-
gether and it is urged that the
money was taken in Goff's
has been returned. The Goff
is a boy 14 yrs of age and has
borne a very good character
I think it a proper case and
I recommend that defendant
be discharged in his own recog-

PEOPLE ON MY COMPLAINT,
VERSUS

Charles Enslieu

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The defendant

and myself are shop mates. I have known him for some time, on the day in question the defendant took a sum of money out of my pocket. I don't really believe now that he meant to steal it, I was a little hasty when I made the complaint. I now desire to withdraw the complaint. The defendant bore a good character previous to the date of this complaint.
